

Dion Fortune Mystical Qabalah

Craig J. Leggat, Sally M. Blair

The Mystical Qabalah Dion Fortune, 2017-02-09 The Tree of Life forms the ground-plan of the Western Esoteric Tradition and is the system upon which pupils are trained in the Fraternity of the Inner Light. The transliteration of Hebrew words into English is the subject of much diversity of opinion, every scholar appearing to have his own system. In these pages I have availed myself of the alphabetical table given by MacGregor Mathers in *The Kabbalah Unveiled* because this book is the one generally used by esoteric students. He himself does not adhere to his own table systematically, however, and even uses different spellings for the same words. This is very confusing for anyone who wishes to use the Gematric method of elucidation, in which letters are turned into numbers. When, therefore, Mathers gives alternative transliterations, I have followed the one which coincides with that given in his own table. The capitalisation employed in these pages may also appear unusual, but it is the one traditionally used among students of the Western Esoteric Tradition. In this system, common words, such as earth or path, are used in a technical sense to denote spiritual principles. When this is done, a capital is used to indicate the fact. When a capital is not used, it may be taken that the word is to be understood in its ordinary sense. As I have frequently referred to the authority of MacGregor Mathers and Aleister Crowley in matters of Qabalistic mysticism, it may be as well to explain my position in relation to these two writers. I was at one time a member of the organisation founded by the former, but have never been associated with the latter. I have never known either of these gentlemen personally, MacGregor Mathers having died before I joined his organisation, and Aleister Crowley having then ceased to be associated with it. The Society of the Inner Light, founded by the late Dion Fortune, has courses for those who wish seriously to pursue the study of the Western Esoteric Tradition. Information about the society may be obtained by writing to the address below. Please enclose British stamps or international postal coupons in your letter if you wish a response...

Dion Fortune's The Mystical Qabalah Dion Fortune, 1987

The Mystical Qabalah Dion Fortune, 2021-12-24 The Mystical Qabalah Dion Fortune - Very few students of occultism know anything at all about the fountain-head whence their tradition springs. Many of them do not even know there is a Western Tradition. Dion Fortune explores all aspects of the Qabalah-whose disciplines include the esoteric sciences of astrology and tarot, and forms the basis of the Western Mystery Tradition.

The Keys to the Temple Penny Billington, Ian Rees, 2017-04-08 Dion Fortune's esoteric novels were written as guides to

magic and inner development to be used along with her great nonfiction work *The Mystical Qabalah*. This book shows how to work with her most popular creations, exploring how the stories and characters can help you integrate the secrets of the Tree of Life and discover what Fortune called “the keys to the temple.” Authors Penny Billington and Ian Rees show how to use Fortune’s brilliant insights to gain a direct sense of being present in your body, master the art of the embodied imagination, discover your vitality, and open up to the clarity and love that arise from the root of your being. With an exploration of Fortune’s writings, experiential practices, and a hands-on workbook section, you will learn to utilize the wealth of esoteric wisdom found in *The Mystical Qabalah*, *The Goat-Foot God*, *The Sea Priestess*, *The Winged Bull*, and *Moon Magic*. Praise: “This wonderful evocation of Dion Fortune’s esoteric novels offers initiatory and practical pathways to the neophyte and reader!”—Caitlín & John Matthews, authors of *The Lost Book of the Grail*

Mystical Qabalah Dion Fortune, 2020-04-11 THE MYSTICAL QABALAH DION FORTUNE 1. Very few students of occultism know anything at all about the fountain-head whence their tradition springs. Many of them do not even know there is a Western Tradition. Scholarship is baffled by the intentional blinds and defences with which initiates both ancient and modern have wrapped themselves about, and concludes that the few fragments of a literature which have come down to us are medieval forgeries. 2. The adepts of those races whose evolutionary destiny is to conquer the physical plane have evolved a Yoga technique of their own which is adapted to their special problems and peculiar needs. This technique is based upon the well-known but little understood Qabalah, the Wisdom of Israel. 3. It may be asked why it is that the Western nations should go to the Hebrew culture for their mystical tradition? The answer to this question will be readily understood by those who are acquainted with the esoteric theory concerning races and sub-races. No one can deny that Judaism was the matrix of the European spiritual culture when they recall the fact that Jesus and Paul were both Jews. No race except the Jewish race could possibly have served as the stock upon which the new dispensation was to be grafted because no other race was monotheistic. Pantheism and polytheism had had their day and a new and more spiritual culture was due. The Christian races owe their religion to the Jewish culture as surely as the Buddhist races of the East owe theirs to the Hindu culture. 4. The mysticism of Israel supplies the foundation of modern Western occultism. It forms the theoretical basis upon which all ceremonial is developed. Its famous glyph, the Tree of Life, is the best meditation symbol we possess because it is the most comprehensive. 5. It is not my intention to write a historical study of the sources of the Qabalah, but rather to show the uses that are made of it by modern students of the Mysteries. Dion Fortune's *Mystical Qabalah* remains a classic in the field. She explores all aspects of the Qabalah-whose disciplines include the esoteric sciences of astrology and tarot, and forms the basis of the Western Mystery Tradition. Her thorough explanation of the Tree of Life, which lies at the heart of Qabalistic teaching, provides a key to the practical working of this mystical system for both novice and initiate. The Mystical Qabalah Dion Fortune, 2020-04-15 Dion Fortune was a noted and controversial occultist, ceremonial magician and novelist. In 1919, she joined the Alpha and Omega Lodge of the Stella Matutina, an outer order of the Hermetic Order of the Golden Dawn, she remained a highly influential figure over Western esotericism and the counterculture. One of her most famous books is *The Mystical Qabalah*, in which she discusses the Western esoteric tradition and how the Qabalah is used by modern students of the Mysteries (Four Worlds, Sephiroth, ritual initiation...) . This is a valuable book to anyone interested in occult studies. Excerpt: The primary conformation of the Tree is into three Pillars. It will be observed by reference to the diagrams that the Sephiroth readily lend themselves to this threefold vertical division, for they are arranged in three columns. These are called the Right-hand Pillar of Mercy, the Left-hand Pillar of Severity, and the Middle Pillar of Mildness or Equilibrium (see Diagram I). 4. Before proceeding any further we must make clear the significance of the right and left sides of the Tree. As we look at the Tree in the diagram we see Binah, Geburah, and Hod upon the left side, and Chokmah, Chesed, and Netzach upon the right side; this is the way we view the Tree when we are using it to represent the Macrocosm. But when we are using it to represent the Microcosm, that is our own being, we, as it were, back into it, so that the Middle Pillar equates with the spine, and the Pillar that contains Binah, Geburah, and Hod with the right side, and the Pillar that contains Chokmah, Chesed, and Netzach with the left side. These three Pillars can also be equated with the Shushumna, Ida, and Pingala of the Yoga system.

The Mystical Qabalah. Nuova Ediz. Dion Fortune, 2022

The Dion Fortune Tarot Cards Dion Fortune, 2004-06-01 A deck based on the conclusions of Dion Fortune in *The Mystical Qabalah*, which has been in print for nearly 70 years. The deck is intended for meditation and reflection; the conclusions in the accompanying booklets are drawn from traditional Kabbalah.

The Mystical Qabalah Dion Fortune, 2000-09-01 Dion Fortune's classic, *The Mystical Qabalah*, explores all aspects of the Qabalah, including the esoteric sciences of astrology and tarot, which form the basis of the Western Mystery Traditions. It provides a key to the practical working of this mystical system for both novice and initiate alike.

The Mystical Qabalah (annotated) Dion Dion Fortune,2017-09-29 Very few students of occultism know anything at all about the fountain-head whence their tradition springs. Many of them do not even know there is a Western Tradition. Scholarship is baffled by the intentional blinds and defences with which initiates both ancient and modern have wrapped themselves about, and concludes that the few fragments of a literature which have come down to us are medieval forgeries. They would be greatly surprised if they knew that these fragments, supplemented by manuscripts that have never been allowed to pass out of the hands of initiates, and completed by an oral tradition, are handed down in schools of initiation to this day, and are used as the bases of the practical work of the Yoga of the West.

The Machinery of the Mind Dion Fortune,2021-12-24 The Machinery of the Mind Dion Fortune - Contents: Introduction - Chapter 1. The Physical Vehicle Of ConsciousnessChapter 2. Revolutionary Demonology Gruppo di Nun,2023-04-11 An anthology of occult resistance: unpredictable and fascinating, at times hallucinatory, sullyng politics, philosophy, cybertheory, religion, and music. The End Times are here. The Digital Middle Ages approaches, the plague reaps its deadly harvest, climate apocalypse is around the corner, and fanaticism, fascism, and madness are rampant. The idea that we might gain the upper hand over the dark abyss into which the planet is tumbling is a form of magical thinking, laboring under the delusion that we can subdue eternity with relentless bloodlust, brutish exploitation, abuse of power, and violence. Revolutionary Demonology responds to this ritual of control, typical of what esoteric tradition calls the “Dogma of the Right Hand,” by reactivating the occult forces of a Left Hand Path that strives for the entropic disintegration of all creation, so as to make peace with the darkness and nourish the Great Beast that will finally break the seals of Cosmic Love. Unpredictable and fascinating, genuinely bizarre, at times hallucinatory, sullyng politics, philosophy, cybertheory, religion, and music alike with its fevered touch, this “anthology of occult resistance” collects together the communiqués of an arcane group who are already being hailed as the first morbid blossoming of “Italian Weird Theory”: a rogue contingent of theorists, witches, and sorcerers who heretically remix gothic accelerationism with satanic occultism and insurrectional necromancy.

The Kingdom, the Power and the Glory : Western Yoga Craig J. Leggat,Sally M. Blair,2020-08-20 Western Yoga has

been taught for about 3,000 years. It is the source of western civilisation and democracy. Western Yoga is very different to the yoga of India that is taught in yoga schools today around the world. Pythagoras, Socrates, Plato and Aristotle learned Western Yoga and then taught it in their Mystery Schools.

An Introduction to the Mystical Qabalah Alan Richardson,1974

Herbal Alchemy Phillip Hurley,2001

The Sea Priestess - Fully Revised Second Edition (Aziloth Books) Dion Fortune,2015-01-12 Dion Fortune was born Violet Mary Firth, and took her pseudonym from the motto 'Deo Non Fortuna' (By God, Not Chance). She acted on this maxim throughout her life. Believing strongly in her own destiny she was not afraid to break from those who had first initiated her and to plough her own occult furrow. 'The Sea Priestess' is Dion Fortune's attempt to alert the uninitiated into the possibilities of esoteric wisdom. A lonely estate agent, Wilfrid Maxwell, is drawn to an apparently ageless woman of great psychic power, and embarks on a 'sexless affair' into other dimensions of reality, becoming drawn inexorably into contact with an ancient cult whose sacrifice he fears he will become. A thrilling read in its own right, 'The Sea Priestess' is, in reality (like all Fortune's fiction) a teaching novel, with very clear accounts of practical rituals. Her magnum opus, 'The Mystical Qabalah', complements this information perfectly. As Dion Fortune herself admitted, The 'Mystical Qabalah' gives the theory but the novels give the practice. ... [t]hose who study both get the keys of the Temple put into their hands. This is a book of ancient wisdom that will profit from by being read more than once.

The Witches' Almanac 2021-2022 Standard Edition Theitic,2020-11-05 Founded in 1971 by Elizabeth Pepper, the art director of Gourmet magazine for many years, The Witches' Almanac is a witty, literary publication that appeals to general readers as well as hard-core Wiccans. At one level, it is a pop reference that will fascinate anyone interested in folklore, mythology, and culture; but at another, it is the most sophisticated and wide-ranging annual guide available today for the mystic enthusiast. Modeled after the Old Farmers' Almanac, it includes information related to the annual Moon Calendar (weather forecasts and horoscopes), as well as legends, rituals, herbal secrets, mystic incantations, interviews, and curious tales of good and evil. Although it is an annual publication, much of the content is both timely and timeless—non-specific to the date range of each issue. The theme of Issue 40 (Spring 2021-Spring 2022) is "The Sun—Rays of Hope." The following articles are also included: Mithras: Comrade of the Sun, Savior of Soldiers" "Tell the Bees" "Exploring and Embracing the Fluid Gender and Sexuality of Witch-Gods" "Bringing Fairies Back to Your Home" And much more

The Occult Fiction of Dion Fortune Gareth Knight,2008-03 Dion Fortune is recognised as one of the most influential figures in twentieth century occultism and her books on various aspects of the occult tradition are now enjoying a much deserved reappraisal. Her works of fiction are highly acclaimed both as vehicles for presenting complex magical and psychical theory and as remarkably powerful pieces of genre literature. Gareth Knight, her biographer and a life long student

of her work, here gives an overview of all her occult fiction, including her early work, *The Secrets of Dr Taverner*, a series of short stories based upon the approach of her early teacher Dr Theodore Moriarty to methods of esoteric healing, and *The Demon Lover*, a blood and thunder thriller of black magic and vampirism that developed in the writing into a story of initiation and redemption through love. In her later novels, Dion Fortune began deliberately to use fiction as a means of practical teaching. While she had presented the theory of occultism in her great work *The Mystical Qabalah*, it was through her works of fiction that she sought to provide manuals for putting it into practice, at a time when much of this material was considered highly secret and to be revealed to initiates only. Gareth Knight gives a clear guide on how and where to look for this practical instruction in these later books, which comprise *The Goat-foot God*, an evocation of Earth Mysteries and the Rite of Pan; *The Winged Bull* with its polar Mysteries of Sun and Earth; *The Sea Priestess*, celebrating the Mysteries of the Moon; and the posthumously published *Moon Magic* that takes them to a higher arc with the setting up of a temple dedicated to Isis. Many aspects of occultism receive practical attention in her pages, including place memories, karmic elements from past incarnations, animal magnetism, ley lines, sacred centres, techniques of ritual, and above all the working out of right relationships between the sexes in polar interchange

Harper's Encyclopedia of Mystical & Paranormal Experience Rosemary Guiley, 1991 An alphabetical guide to the paranormal, with more than five hundred entries on notable individuals, supernatural phenomena such as apparitions and levitation, geographical locations linked to the occult, and spiritual traditions such as Sufism and Taoism.
