**Kangaroo Dream: a boat people's journey from kitchen hand to university professor** Tuan V. Nguyen, 2025-02-17 Professor Tuan V. Nguyen's memoir recounts his inspiring journey from being a Vietnamese refugee to becoming an esteemed scientist. The narrative begins with a harrowing escape on a rickety boat to Thailand, followed by the harsh realities of life in refugee camps. Despite these challenges, an opportunity emerged when a lighthearted remark about seeing a kangaroo during his immigration interview became the key to unlocking a new life in Australia. Despite speaking no English and arriving with barely a penny, he started his new life washing dishes at St Vincent's Hospital in Sydney. Fueled by an unwavering thirst for learning, he defied all odds and eventually earned not one, but two doctorates. His story then took an unexpected turn: years later, he returned to the hospital where he once washed dishes. But this time, he walked through the doors as a leading scientist, heading a research laboratory dedicated to osteoporosis. Over the next three decades, he ascended to the pinnacle of his field, becoming a distinguished professor at three Australian universities and a fellow of prestigious institutions such as the Australian Academy of Health and Medical Sciences, the Royal Society of New South

Wales, and the American Society for Bone and Mineral Research. His seminal contributions to bone health left a lasting impact on Australia and the global fight against fractures, culminating in the prestigious Order of Australia award, a fitting recognition of his remarkable 40-year odyssey from refugee to scientific luminary. The memoir also recounts his unexpected but inspirational return to Vietnam, where he made significant contributions to medical advancements and osteoporosis prevention across Asia. This memoir, transcending individual accomplishment, is a powerful story of serendipity, resilience, intellectual curiosity, and the resolute belief in achieving full potential in the face of adversity. It will inspire anyone who dares to dream big and fight for a better future.
