Practise German Dominik Wexenberger, 2018-06-14 Practise and improve your German to complete the A1-level More than 30 interactive exercises are waiting for you. The following book is ment to help you with the application of the German-language if you are a beginner. I tried to mimic the mechanics of my classes and put it into the exercises I have crafted for this book. In my classes I work from the very first minute on with pure interaction, making the students talk as much as they are able to. Of course it is impossible to give them a topic and tell them to talk freely about it at the beginning. But what I have found that is absolutely possible is a) to work with questions and answers and create thus as much interaction as possible b) to prepare a text through the aforementioned Q&A-routine so that the student can talk about the text freely. c) to create free applications based on the aforementioned routines a) and b). This book provides the opportunity to students to study on their own or with a partner or even in a class context with a teacher to use the suggested routines and therefore make use of the benefits that this methodology provides and reach the A2-level in German with ease. In case you are interested in a German-course with a unique methodology and guaranteed success, please go to www.idiomata.org and contact me!

Dive into the magic of these tales and let them guide you to linguistic mastery! Learning German with A1 Stories and Glossaries Learning a new language can be daunting, but with the right resources, this process becomes not only more manageable but also enjoyable. One of the most effective methods to learn German is through A1-level stories complemented with glossaries. Here are some advantages of this approach: Contextual Learning: Reading stories allows you to witness words and phrases in a natural context. This not only makes comprehension easier but also aids in retaining the meaning and application of vocabulary. Motivation Boost: An engaging story can make the learning process fun and

motivational. Instead of rote memorization of isolated words and phrases, you're following a plot, perhaps even eager to see its conclusion. **Structured Learning:** A glossary at the end of each story aids in quickly referencing important or challenging words. This allows the reader to maintain the flow of the story while expanding their vocabulary. **Grammatical Progress:** Reading stories inevitably exposes one to various aspects of German grammar. Instead of relying solely on dry grammar exercises, the story fosters an intuitive understanding of sentence structures and tenses. **Self-paced Learning:** With a story and glossary at hand, you can learn at your own pace, revisiting sections as needed, and taking the time to understand and internalize each segment of the narrative. By integrating A1 stories and glossaries into your German learning regimen, you can enjoy a holistic, contextual, and enjoyable learning experience.
