Kingdom Keepers: Inheritance the Shimmer Ridley Pearson, 2023-02-21 In the near future, in the Epcot of Walt Disney's imagination, sixty thousand people live in a CommuniTree surrounding the forward-looking Walt Disney World theme park. Five unique families are among the residents--and some of the parents were once known as the Kingdom Keepers. Their identities are carefully guarded in order to raise their children without special treatment, most of the Kingdom Keepers work for the Walt Disney Company, and have settled into ordinary and rewarding lives. When a messenger carrying a secret communication coincides with both a solar eclipse and Eli Whitman's thirteenth birthday--a few ordinary kids are thrust into a battle to save Epcot and find their friend who has mysteriously disappeared. With their friend missing and their parents acting strangely, the Kingdom Kids discover they are in possession of unusual powers as they forge a bond to rescue their friend and uncover the truth about how real magic has entered their lives.

Searching for God Dakota Stone, 2013-09-24 My name is Dakota Stone, and I am a first time author who through the calling of God and my constant searching for God decided to write this story around my main character Joshua Stones three stage saga on his life's constant search to find a God he could both love and trust. As many of us, his life is filled with many trials and tribulations that constantly pull him towards God, and away from living for and with God. The story begins when he is a young boy who becomes obsessed with his strange and terrifying dreams that for him make no sense at all, and his friends and family only see him as a boy living in a fantasized dream world. All Joshua wants is to become a dynamic football star, and become rich and famous. During the second stage of his life he falls deep into sin, and all the ways of the world where he turns completely away, and even decides that he hates the very God who seems bent on still being the driving force in his life of sin. Finally after a span of about 15 years Joshua finally becomes a warrior for God, and he and his life long friend Caleb Rock are sent on a spectacular terrifying journey by God to change the ever present evil world that is under the hand of the nefarious rule of the Brotherhood of Man. I wrote this deep rooted and faith inspiring story in hopes that once again people of all ages would wipe the many layers of dust off their hidden Bibles, and begin to discover how lost their lives have become, because of the temptations of our fast passed world, and become encouraged that no matter how far you have fallen away from the tree of life that in God it is never to late. Jesus Christ, Yeshua our Savior said, THE KINGDOM OF GOD IS AT HAND, AND IT IS IN YOU!

Literary Floridas John King,, Leslie Salas, Nathan Holic, 2025-11-26 This collection brings together both academic and personal essays to explore the strange, unconventional, and often surreal landscape of Florida in literature. From its earliest storytellers to contemporary voices, the contributors examine the state's polymorphic identity, where real estate speculation, environmental extremes, and mythic imagery collide. Topics include Ernest Hemingway's Key West, Zora Neale Hurston's Eatonville, and Jack Kerouac's unexpected Floridian chapter. Other essays consider the Seminole storytelling tradition, the spectacle of Walt Disney World, the space coast's strange allure, and urban exploration in Tampa. From the satirical crime fiction of John D. MacDonald and Carl Hiaasen to Miami's literary magazine, this book celebrates how Floridian literature reflects the state's wildness and eccentricity.

The Drowning Empire: The Complete Series S.M. Gaither, 2020-02-05 This is the story of a girl who held up the sky. It begins with a break, a flood of rain and tears. And it ends with a crown that might cost her everything she loves. This boxed set contains all three books in The Drowning Empire trilogy--over 1200 pages of magic, action, and romance! One click today and prepare to get lost in this epic fantasy retelling of the Atlantis myth! Book One, Sky Keeper Welcome to the World Below, where the keepers command the sky, but the commander of the keepers controls the empire... For centuries, the four kingdoms of the Caspian empire have remained safe and hidden below the ocean, protected from the Surface World—and from that ocean that separates them—by a great barrier maintained by magic. Aven Talavir has spent her entire life learning to be a keeper of that barrier, channeling her powers into maintaining and healing it. But now an impossibly sinister force seeks to shatter it. To stop the looming flood of destruction, Aven picks up her knives and sets off on a quest to find an ancient power that may be able to permanently heal the makeshift sky. Reaching it will mean fighting her way through dangerous politics and deadly magic, all while finding love and friendship in unexpected places— Only to realize that the

greatest treachery may not lie in the breaking sky, but in the very hearts of the people around her. Book Two, *Curse Breaker* In the underwater empire of Caspia, a storm is brewing. Aven Talavir's efforts to unite the four kingdoms resulted in a temporary peace, but that peace is shattered all over again when she is named the controversial heir to a dying emperor's throne. The crown on her head makes her a target. One that Kai 'West' Armana would do anything to remove. One that results in an attack, and a curse on the newly crowned empress that will require an unimaginable sacrifice to undo. And that sacrifice is only the beginning. Because the world is not healed. The sky is not safe. And things that should be dead and drowned do not always stay that way. Book Three, *Storm Bringer The Sky is Changed*. Once upon a time, Aven Talavir lived in a sparkling empire beneath the waves, protected from the Sea-Above by a sky made of magic. Then it all fell apart. The four kingdoms of the Caspian Empire are united no longer. Aven is an empress in name only, her kingdom overtaken by her rivals, her city flooded, and her hope fading as she sets out on a desperate journey to find allies, and to take back the power she needs to mount one final effort to save her world. That power exists. She knows that now. But the cost of wielding it may be more than she can pay. The epic story that began in *Sky Keeper* concludes in this thrilling final book. Waters and armies will rise, kings and queens will fall, and the Empress of Sky will see her true reign begin...Or else watch everything she loves be swept away by a storming sea.
