Miss Ace

The Mafia's Wife Lexy Timms,2024-08-24 Emmalina Marrying Luke is a risk, but it's one we must take before he can accept his position as the newest mafia boss in Miami. My father wants him dead for interfering with an alliance. My rival wishes he'd disappear for stealing me away. Neither condition seems promising. Luke and I are destined to stay together despite the danger and threats because it's not only our love that binds us together. The baby I carry is a sign of how quickly we're determined to start a new future in this mafia family. With Rossini soldiers resisting an outsider claiming to be the next leader, Luke is caught in a spiral of hardship. He's busy preparing for the biggest fight of his life, and all I can do is hope that we will survive against all the odds—together. Lucas No one can claim Emmalina. The deed is done. We are married. She's my wife, and she will be the mother of my child. While this should be a time to rejoice and look forward to the next generation, I have to go public with my identity. I'm not a street fighter working to provide for my sick mother. I'm not a nobody, easily dismissed. I'm the secret bastard heir who's here to shake things up so I can ensure no one will mess with my family again. My family, with my wife and child on the way. But also the family, the Rossinis who will need to trust me to bring them back to glory and fix the upheaval my father left in his wake. So long as I have my mafia wife at my side, as a partner not a possession, I should have a fighting chance of finding a semblance of peace...or will I? Married to the Mafia Boss Miss Ace,2025-07-24 My fiancé cheated on me with my best friend, and I told him I'd sleep with any man just to call it even. So, will you sleep with me? I spat. He took a step back, eyebrows raised.No strings attached? No cuddling, no phone calls, and no matter how good we f**k, we leave it at that. After a one-night stand with the Mafia god, Ace, Aubrey found out she was married to him and no memory of saying yes. But the real shock comes when she learns her ex-fiancé, Xavier—the man who cheated on her with her best friend—isn't just a liar. He's a drug lord. And a killer.

Now caught between two dangerous men on opposite sides of a bloody war, Aubrey must navigate a world of secrets, lust, and deadly loyalty. Xavier wants her back—not out of love, but obsession. Ace? He says he doesn't do love. But the way he protects her, touches her, claims her... tells a different story Torn between the man she thought she loved and the one who just might teach her what real love—and real pleasure—feels like, Aubrey must make a choice. Would Aubrey choose Xavier who she had loved all her life even after finding out he is a serial killer or would she give the Mafia god a chance to show that he can love her better and f**k her better?
