Some Men Wear Panties Dapharoah69, 2009-12 Some Men Wear Panties. But they will NEVER admit it. These men aren't necessarily gay, but they love the feel, the sensuality, the pleasure and the frankness of women's panties. He's your everyday construction worker who gets off on wearing them under his dirty jeans; he's your everyday mechanic shop owner who sports them secretly for his plus-sized wife. He's your everyday straight type who only put them on to keep his lesbian lover committed, happy and faithful. He's your everyday man living his life on the Down Low who models them behind his girlfriend's back. He's your selfish lover who sneaks out of his girlfriend's house while she's sleeping to have a sexual romp with another man in the shadows. He's your everyday Thug who mistreats his woman and entertains himself watching other men in pink panties. He's your everyday black man who mourns the death of his son by getting lost in the weakness of the flesh. He's your incarcerated black man charged with murder, caught in panties and potentially losing custody of his daughter. Dapharoah69 captures the essence, the beauty, the frankness, and the core of men wearing panties. And he educates along the way with a deeper theme of love, self-hatred, inferiority, the dangers of HIV, and the highs and lows of love. Some Men Wear Panties. And don't you ever forget it! From the Publisher: Bestselling author Dapharoah69, The King of Erotica is back and raunchier than ever! In his quest to stiYOUlate then EdYOUcate, Some Men Wear Panties is the start of a brand new series for the enigmatic author. In February 2009 he became the first self published author (white or black), the

first self published erotic author, the first self published openly bisexual erotic author, the first African American self published author to chart three books on the Barnes and Noble.com Top 105 Bestseller's list at the same time. He shared that list with President Obama, Steve Harvey, John Grisham, and the Twilight Series. As an author who is HIV positive, he's passionate about his fight against HIV/AIDS. At the closing of the year 2009, he convinced over 14,000 plus males and females to get tested for HIV through his amazing testimony. Not only is he the most popular author on Face Book, he also uses his status updates to inspire, educate and connect with a legion of fans from around the world.

Arousal Michael J. Bader,2003-01-18 Sexual fantasies. Everyone has them, but no one knows what they mean. People are curious about and often confused by the things that arouse them, yet they are often too ashamed to reveal their most private fantasies to their partners or even their therapists. In this fascinating and provocative book, Dr. Michael J. Bader offers a groundbreaking new theory of sexual desire, one that will liberate men and women and enable them to better understand their sexual preferences. Drawing on his twenty-five years as a psychotherapist and psychoanalyst, Dr. Bader demonstrates that rather than being programmed by biology or society, sexual fantasies and preferences are really psychological antidotes to unconscious dangers. Armed with this novel theory, men and women will no longer need to feel ashamed about what arouses them or confused about what arouses others. Dr. Bader sensitively tells the stories of his patients and explains the meaning of their sexual fantasies. In terms refreshingly free of jargon, he reveals how his profound new theory can be used to decipher a wide variety of sexual fantasies and behavior, ranging from ordinary preferences about positions in bed to flamboyant scenarios worthy of the Marquis de Sade. And yet, Dr. Bader's exciting new theory transcends the realm of individual psychology. Readers will come away with a radically new understanding of such issues as sexual chemistry and boredom, cybersex, pornography, and the differences in how men and women get excited. Both erudite and accessible, *Arousal: The Secret Logic of Sexual Fantasies* is an important landmark in the literature of sexuality.
