Nancy Friday

Men in Love Nancy Friday, 1980 An extraordinary, explicitly masculine journey, *Men In Love* develops a startlingly honest portrayal of what it means to be a man in contemporary America. Here are the unexpurgated dreams, fantasies and fetishes that excite and obsess men today. In creating this historic study, Nancy Friday listened -- without disapproval, apology or censorship -- to the candid responses of thousands of men aged fourteen through sixty. She gave them a legitimate arena where they could share their secret gardens -- the hidden and forbidden but nonetheless real and true. Much more than a litany of erotica, this unique volume doesn't tell us how men should love. It tells us how men do love -- a stunning insight into the desires that dwell within men's psyches... and their hearts.

Women on Top Nancy Friday, 2014-02-07 A classic work on how women think about sex, from the New York Times--bestselling author of *My Secret Garden* and *My Mother/Myself*. Nancy Friday's groundbreaking books such as *Forbidden Flowers* offered an unprecedented honest look at the inner fantasy lives of ordinary women. In *Women on Top*, Friday returns to this topic, collecting detailed sexual fantasies from over 150 contemporary women from diverse backgrounds. Based on intimate personal interviews and letters, this book updates the conversation started in her earlier works on women's sexual fantasies, detailing how women's erotic lives have changed—and remained the same. “This absorbing, titillating and empowering feminist book is also a ribald bedside companion.” —Publishers Weekly

Jealousy Nancy Friday, 1997 A new edition of Nancy Friday's classic book makes available, once again, this searingly honest analysis of the deeply rooted, often hidden, human emotion that distorts our most intimate relationships.

My Secret Garden Nancy Friday, 2013-11-18 The #1 New York Times-bestselling author's "groundbreaking" work on women's sexual fantasies (Publishers Weekly). First published in 1973, *My Secret Garden* ignited a firestorm of reactions across the nation—from outrage to enthusiastic support. Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women's inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, *My Secret Garden* remains one of the most iconic works of feminist literature of our time—and is still relevant to millions of women throughout the world. "The author whose books about gender politics helped redefine American women's sexuality." —The New York Times

Women on Top Nancy Friday, 1991 Analyzes the sexual fantasies of more than one hundred and fifty women to show how women's attitudes have changed towards sex, their partners, and themselves

Masturbation in Pop Culture Lauren Rosewarne, 2014-10-15 Through reference to over six hundred scenes from film and television—as well as a diverse and cross-disciplinary academic bibliography—*Masturbation in Pop Culture* investigates the role that masturbation serves within narratives while simultaneously mirroring our complicated relationship with the practice in real life and sparking discussions about a broad range of hot-button sexual subjects. From sitcoms to horror movies, teen comedies to erotic thrillers, autoeroticism is easily detected on screen. The portrayal, however, is not a simple one. Just as in real life a paradox exists where most of us masturbate and accept it as normal and natural, there simultaneously exists a silence about it; that we do it, but we don't talk about it; that we enjoy it but we laugh about it. The screen reflects this conflicted relationship. It is there—hundreds and hundreds of times—but it is routinely whispered about, mocked and presented as a punchline, and is inevitably portrayed as controversial at the very least. *Masturbation in Pop Culture* investigates the embarrassment and squeamishness, sexiness and inappropriateness of masturbation, showcasing and analyzing how our complex off screen relationship is mirrored in film and television.

The Power of Beauty Nancy Friday, 2014-02-07 Reflections on how physical appearance, and beliefs about it, affect women's lives from a #1 bestselling author who's "enormously fun to read" (The New York Times). Beauty and appearance play a pervasive role in our culture. Here, the #1 New York Times-bestselling author of the groundbreaking, controversial bestseller *My Secret Garden* delves into beauty's influence on popular media and the psyche of modern women. Combining in-depth cultural analysis with personal anecdotes, sexology, and individual case studies, Nancy Friday explores the dissatisfaction women feel about their bodies—and how it affects their sexual freedom. Her analysis is broad-reaching, examining how popular culture, advertising, stereotypes of women in the workplace, the sexual liberation of the 1960s, and the dynamics of family relationships put pressure on women to live up to an impossible feminine ideal. Strip Show Katherine Liepe-Levinson, 2003-09-01 This book offers an account of an unprecedented North American study of contemporary female and male strip shows. It particularly focuses on the contradictory sex roles, cultural positions, and performance practices of 'straight' strip shows during their second heyday in the early 1990s. Katherine Liepe-Levinson's research took her to over seventy different strip bars, clubs, theatres and sex emporiums ranging from elaborate lap-dancing and couch-dancing 'gentlemen's' clubs in New York, Houston, and San Francisco; to Peoria's onetime duplex cabaret where women strip for men downstairs, and men for women upstairs; to the nightclubs of Montreal where female and male performers displayed the 'Full Monty'. Liepe-Levinson's intriguing, comprehensive study concentrates on the cultural and theatrical elements of the strip shows themselves including the geographic locations and interior designs of the clubs, the choreography and costumes of the dancers and the all-important participation of the audience. She draws upon a variety of methodologies as well as interviews with performers to explore how the strip show's cultural and theatrical aspects simultaneously uphold and break traditional sex roles. Her findings readily complicate several of the most prominent and prevalent theories about sexual representation, gender and desire.

Beyond My Control Nancy Friday, 2009-04-01 The bestselling author of *My Secret Garden* exposes the wild and sexy fantasies that many of us have but are afraid to share. For over thirty years, Nancy Friday has written about eros, love, beauty, and seduction. Now she returns to the territory she pioneered during the sexual revolution—exploring our most taboo sexual desires. Fans of *Fifty Shades of Grey* will love this provocative collection of real fantasies from dozens of women—and for the first time, men. Friday knows that forbidden sex gets us higher faster and explores love, lust and power through erotic tales of domination, masturbation, S&M, threesomes, and more. *Beyond My Control: Forbidden Fantasies in an Uncensored Age* shows that our forbidden fantasies are not compensation for a lackluster sex life, but are a critical component of our fullest selves—and how our secret desires can lead to exhilarating and satisfying sexual freedom. Praise for Nancy Friday *YOU'LL BLUSH, YOUR PULSE WILL RACE*.—The New York Times *Delicious... women can share in their sisters' secrets and not feel that they are alone.*—Los Angeles Times Nancy Friday's work... demonstrate[s] beyond doubt that the emancipation of women's bodies begins with the emancipation of our minds. —Faye Wattleton, former president, Planned Parenthood
