*Night of a Thousand Stars* Deanna Raybourn, 2018-01-01 Return to the gilded Jazz Age for a tale of grand adventure as one woman grapples with secrets and treasures long buried. By New York Times bestselling author Deanna Raybourn. On the verge of a stilted life as an aristocrat's wife, Poppy Hammond does the only sensible thing—she flees the chapel in her wedding gown. Assisted by the handsome curate who calls himself Sebastian Cantrip, she spirits away to her estranged father's quiet country village, pursued by the family she left in uproar. But when the dust of her broken engagement settles and Sebastian disappears under mysterious circumstances, Poppy discovers there is more to her hero than it seems. With only her lady's maid for company, Poppy secures employment and travels under cover—east across the seas, chasing a hunch and the whisper of clues. As danger abounds, Poppy finds herself in the sights of those who will stop at nothing to recover a fabled ancient treasure. Torn between allegiance to her kindly employer and a dashing, shadowy figure, Poppy will risk it all as she attempts to unravel a much larger plan—one that stretches to the very heart of the British government, and one that could endanger everything, and everyone, that she holds dear. **The Complete Annotated Grateful Dead Lyrics**, 2014-12-16 Celebrate the fiftieth anniversary of the most popular and enduring band ever: “Even the most hardcore Deadheads will be impressed by this obsessively complete look at the Grateful Dead’s lyrics” (Publishers Weekly). The Complete Annotated Grateful Dead Lyrics is an authoritative text, providing standard versions of all the original songs you thought you knew forwards and backwards. These are some of the best-loved songs in the modern American songbook. They are hummed and spoken among thousands as counterculture code and recorded by musicians of all stripes for their inimitable singability and obscure accessibility. How do they do all this? To provide a context for this formidable body of work, of which his part is primary, Robert Hunter has written a foreword that goes to the heart of the matter. And the annotations on sources provide a gloss on the lyrics, which goes to the roots of Western culture as they are incorporated into them. An avid Grateful Dead concertgoer for more than two decades, David Dodd is a librarian who brings to the work a detective’s love of following a clue as far as it will take him. Including essays by Dead lyricists Robert Hunter and John Perry and Jim Carpenter’s original illustrations, whimsical elements in the lyrics are brought to light, showcasing the American legend that is present in so many songs. A gorgeous keepsake edition of the Dead’s official

annotated lyrics, *The Complete Annotated Grateful Dead Lyrics* is an absolute must-have for the fiftieth anniversary—you won't think of this cultural icon the same way again. In fact, founding band member Bob Weir said: "This book is great. Now I'll never have to explain myself."

**On a Night of a Thousand Stars** Andrea Yaryura Clark, 2022-03-01 In this moving, emotional narrative of love and resilience, a young couple confronts the start of Argentina's Dirty War in the 1970s, and a daughter searches for truth twenty years later. New York, 1998. Santiago Larrea, a wealthy Argentine diplomat, is holding court alongside his wife, Lila, and their daughter, Paloma, a college student and budding jewelry designer, at their annual summer polo match and soiree. All seems perfect in the Larreas' world—until an unexpected party guest from Santiago's university days shakes his usually unflappable demeanor. The woman's cryptic comments spark Paloma's curiosity about her father's past, of which she knows little. When the family travels to Buenos Aires for Santiago's UN ambassadorial appointment, Paloma is determined to learn more about his life in the years leading up to the military dictatorship of 1976. With the help of a local university student, Franco Bonetti, an activist member of H.I.J.O.S.—a group whose members are the children of the desaparecidos, or the "disappeared," men and women who were forcibly disappeared by the state during Argentina's "Dirty War"—Paloma unleashes a chain of events that not only leads her to question her family and her identity, but also puts her life in danger. In compelling fashion, *On a Night of a Thousand Stars* speaks to relationships, morality, and identity during a brutal period in Argentinian history, and the understanding—and redemption—people crave in the face of tragedy.
