The Secret of Secrets Osho, 2017-06-06 Taoist teachings on life and existence—presented by one of the best-known and provocative spiritual teachers of our time In this unique series of discourses, Osho unravels The Secret of the Golden Flowers, an ancient text that he describes as the essence of Taoism. It is the core of all religions and spiritual paths, belonging to no one and belonging to all. More than 2,500 years old, this remarkable text continues to be as relevant today as it was to its contemporaries. Osho demystifies the important terms used by the Chinese mystic Lu Tsu, or Lao Tzu, and shares his meditation exercises. He also outlines the qualities of animus and anima—our male and female energies—as delineated by Lu Tsu, explaining the importance of their relationships inside each of us. He also provides many valuable techniques and gives specific instructions on the Taoist Golden Light Meditation, which involves harmonizing the male and female elements and transmuting sexual energy. A timeless collection of Osho's talks on The Secret of the Golden Flower, this book will show you how to not remain a seed but to become what the Chinese called 'a golden flower.' Called the 'one thousand-petaled lotus' in India, the golden flower is a symbol that represents perfection, totality. It represents the actualization of potential—the beauty, the grandeur, and the splendor of being.

The Great Secret Osho, 2007-12-01 This quest has been going on for countless lives. Sometimes you call it the search for truth. But you have never known truth, so how can you lose it? And sometimes you search for God. But your meeting with Him has never taken place, so how can you be separated from Him? You go in search to the temples, to the mosques, to Kashi and to Mecca; you knock on every door you come across in the hope you will find what you have lost. But as long as you do

not know exactly what it is you have lost your search cannot be fulfilled. Love is the ability to experience. Love is sensitivity. Love is the experience in which all your impurities are washed away and you throw open all your doors, all your gates. Then whosoever stands at your door is no longer an enemy or a friend but a beloved, and you open your door to him. When you begin to feel the whole world is yours, when you begin to see the beloved in whosoever comes to your door, when you no longer see strangers or enemies, when you begin to see only friends everywhere – when this phenomenon takes place in you, know that you have found love.

Looking for Tantra Sam Red,2015-09-16 Why did the West put Tantra in the box of erotic sex? How did this conceptual degradation of a millennia-old spiritual path come about? And where, or what, is the real Tantra? In answer to these questions, Sam Red refers to her research, contemplations and direct experiences of the basics of the tantric theoretical framework. In typically candid, inspirational and oftentimes provocative and humorous style, she draws parallels with Taoism and points to tantric techniques that can be used to bring a greater sense of purpose, joy and self-empowerment into everyday living. Sam Red is also author of *She Who is Unto Herself* and *My Name is Joy*. Available on Amazon.

Tantra Vision : The Secret of The Inner Experience Osho,

The Secret of Meditation Osho,2013-04-01 This is one of the most fascinating talks by Osho on meditation. We gain a deeper understanding and an actual experience about meditation through this talk which brings us into a space of meditation. He describes meditation as the very center of his teaching efforts; the very womb out of which one is going to be re-born. To say something about meditation is a contradiction in terms. It is something which you can have, which you can be, but by its very nature you cannot say what it is. Still, efforts have been made to convey it in some way. Even if only a fragmentary, partial understanding arises out of it, that is more than one can expect. From a series of talks: *From Misery to Enlightenment*, by Osho.

Pop Cultures and Ecstatic States of the Body Since World War II Kristoff Kerl,Detlef Siegfried,Robert P.

Stephens,Olaf Stieglitz,2025-07-15 This book examines the many, varied historical entanglements between pop cultures and ecstatic, euphoric, and intoxicated bodies, focusing on the period between the 1950s and the 1980s. Charting a new course by bringing together pop culture studies, the history of bodies, and the history of emotions, the volume unites new historical perspectives on different forms of corporeal pleasure and offers novel methods for studying the social and cultural politics of ecstasy.
