Counting Religion in Britain, 1970-2020 Clive D. Field, 2021-12-09 Counting Religion in Britain, 1970-2020, the fourth volume in the author's chronological history of British secularization, sheds significant new light on the nature, scale, and timing of religious change in Britain during the past half-century, with particular reference to quantitative sources. Adopting a key performance indicators approach, twenty-one facets of personal religious belonging, behaving, and believing are examined, offering a much wider range of lenses through which the health of religion can be viewed and appraised than most contemporary scholarship. Summative analysis of these indicators, by means of a secularization dashboard, leads to a reaffirmation of the validity of secularization (in its descriptive sense) as the dominant narrative and direction of travel since 1970, while acknowledging that it is an incomplete process and without endorsing all aspects of the paradigmatic expression of secularization as a by-product of modernization.

Breathe Easy Brynn Sauer, 2020-10-07 The New Testament portrays the Christian life as one of resilient joy, overwhelming grace, and abundant love. Yet, if we look around, many Christians are riddled with constant fear, heavy burdens, and excessive self-criticism. What happened? *Breathe Easy* intertwines personal stories, scientific research, and biblical evidence behind resting in who God is and what He has done. Supported by Brynn Sauer's own journey, this book will show you that God desires for you to let go of the worry, stress, and pressure and start breathing easy.

Setting in Order T. Patrick Jensen, 2025-08-07 Setting a church in order is a primary task for the pastor. Jensen weaves a tapestry of dialogue with Titus and other ancient and contemporary thinkers to underscore this important but sometimes forgotten role. The reader will find in Jensen's work part exegesis, part theological history, part psychosocial integration, part contemporary anecdotes, all with the appeal for the church to immerse itself in relationship with God and with others that illustrates the heavenly family God is orchestrating and preparing for the coming of Christ. Jensen's vision is a renewal of what life together can look like when we gather in our homes and when we gather in our churches.
