Suzane Northrop

Second Chances Stephen Greenblatt, Adam Phillips, 2024-05-14 A powerful exploration of the human capacity for renewal, as seen through Shakespeare and Freud In this fresh investigation, Stephen Greenblatt and Adam Phillips explore how the second chance has been an essential feature of the literary imagination and a promise so central to our existence that we try to reproduce it again and again. Innumerable stories, from the Homeric epics to the New Testament, and from Oedipus Rex to Hamlet, explore the realization or failure of second chances—outcomes that depend on accident, acts of will, or fate. Such stories let us repeatedly rehearse the experience of loss and recovery: to know the joy that comes with a renewal of love and pleasure and to face the pain that comes with realizing that some damage can never be undone. Through a series of illuminating readings, the authors show how Shakespeare was the supreme virtuoso of the second chance and Freud was its supreme interpreter. Both Shakespeare and Freud believed that we can narrate our life stories as tales of transformation, of momentous shifts, constrained by time and place but often still possible. Ranging from *The Comedy of Errors* to *The Winter's Tale*, and from D. W. Winnicott to Marcel Proust, the authors challenge readers to imagine how, as Phillips writes, “it is the mending that matters.”

The Bonds of Love Jessica Benjamin, 2013-05-01 Why do people submit to authority and derive pleasure even others have over them? What is the appeal of domination and submission, and why are they so prevalent in erotic life? Why is it so difficult for men and women to meet as equals? Why, indeed, do they continue to recapitulate the positions of master and slave? In *The Bonds of Love*, noted feminist theorist and psychoanalyst Jessica Benjamin explains why we accept and perpetuate relationships of domination and submission. She reveals that domination is a complex psychological process which ensnares both parties in bonds of complicity, and shows how it underlies our family life, our social institutions, and especially our sexual relations, in spite of our conscious commitment to equality and freedom.

These objectives aren't so lofty that someone can't reach them, but they will be challenging. These objectives will help create lasting unity, compassion, efficiency, positivity, and thoughtfulness in a needy world. Will you be able to check the box of going above and beyond in your life or the lives of others? Can you give others or yourself a second chance in the age of cancel culture? With all the superstars and rock stars in the home and workplace, can you admit that you have limits or show humility? Can you proclaim Scripture and your faith in the face of scorn and ridicule? These are some of the questions you may ask yourself as you engage with this book. Reading this book will take you on a journey to better steward your life and be a better caretaker of the earth and humanity. Are you ready to take on the challenge and complete your checklist?

The Woman Who Lost Her Love Jo Lobato, 2020-06-27 When Diane's husband mysteriously abandons her en route to Australia, an altogether different trip of a lifetime begins. Alone in a foreign land, prickly Diane is forced out of the comfort zone she's spent a lifetime curating. So far away from home, her past should be easy to escape, right? Maybe, if she hadn't met Tom... Is this Diane's chance for a new beginning? Or will uncovered truths cause her collapse? A heartwarming tale of a single woman on an emotional journey of rediscovery. This is page-turning popular women's fiction about finding your strength, the power of female friendship, and the importance of holding onto the passions that make us unique. "Didn't want to put this book down, but be warned, keep the tissues handy!" "A wonderful story about strength, courage and learning to be true to yourself. Would totally recommend!" Love in a Global Village Roberta Seelinger Trites, Jessie Carroll Grearson, Lauren B. Smith, 2001 In praise of diversity, Jessie Grearson and Lauren Smith offer *Love in a Global Village: A Celebration of Intercultural Families in the Midwest*, an account of the triumphs of fifteen intercultural families and the perseverance of their relationships in midwestern America. The couples recount their courtships, their adventures and difficulties, and their individual choices to create families and

build lives together despite differences of race, language, religion, and culture. Welcomed into homes in towns like Kalona, Iowa, and Springfield, Missouri, Grearson and Smith introduce readers to unexpected fusions of culture in middle America. By focusing on small communities where intercultural relationships are exceptions rather than the norm, Smith and Grearson offer affirmation that multicultural households can endure and flourish almost anywhere.

Only Love Can Break Your Heart David Samuels, 2008 Writing for Harper's and the New Yorker over the last decade, David Samuels has penned a disillusioned love song to the often amusing and sometimes fatal American habit of self-delusion, reporting from a landscape peopled by salesmen, dreamers, radical environmentalists, suburban hip-hop stars, demolition experts, aging baseball legends, billionaire crackpots, and dog track bettors whose heartbreaking failures and occasional successes are illuminated by flashes of anger and humor. Including profiles of Pacific Northwest radicals and Nevada nuclear test site workers alongside coverage of Pentagon press conferences and the Super Bowl in Detroit, *Only Love Can Break Your Heart* proves Samuels to be a wonderful inheritor of the great journalistic tradition established by Gay Talese, Tom Wolfe, and Joan Didion in the 1960s. This first collection of his painstakingly reported and wildly inventive writing reveals the full spectrum of his talents, as well as an unusual sensitivity to both the tragic and comic dissonances bubbling up from the gap between the American promise of endless nirvana and the lives of ordinary citizens who struggle to live out their dreams.
