GamerGuides.com

Starfield - Strategy Guide GamerGuides.com,2023-09-18 Starfield is an action role-playing game from Bethesda Game Studios set in a futuristic interpretation of space exploration and colonization. Earth has long been abandoned, but there are plenty of other planets in different star systems where humans have ventured and settled. You have the freedom to create your own character with a unique background, but the main story will take you through a series of adventures as you uncover more information about mysterious artifacts which create gravitational anomalies. Along the way, you can build and customize your own space ship, establish your own outpost, befriend and romance new companions, and more. As a Bethesda game, you can also expect to see a lot of creative mods which have the potential to change your experience of the base game, or take it in an entirely new direction. This guide features the following:- Detailed explanations of the Basic Mechanics in the game - Tips & Tricks for Getting Started on your journey - Detailed builds including different Playstyles and Traits - Companion Guides including how to romance them - Faction walkthroughs for the Freestar Collective, United Colonies, Crimson Fleet and more - Mission walkthroughs for Main Missions and Misc Quests - An exploration guide including helpful maps for key areas - An overview of various Religions in the game - Area-specific guides including Activities for different regions - A mods section covering Console Commands and Best Mods - A guide for Skills and how to improve them quickly - Comprehensive guide to Ship Building - How to build your first Outposts
