Vampire: The Masquerade: Winter's Teeth A tale of two vampires in the Twin Cities... When Cecily Bain, an enforcer for the Twin Cities' vampiric elite, takes a mysterious new vampire, Alejandra, under her wing, she's dragged into an insidious conspiracy. After learning a disturbing fact about her fake child's past, Cecily must keep her secrets close, and Ali at arm's length. As she searches the streets of the Twin Cities for answers, a terrifying possibility surfaces: perhaps Ali has learned the ways of the Kindred better than Cecily herself. Meanwhile, on the outskirts of the cities, Colleen Pendergrass, embraced by her husband against her will, and a rebellious found-family of vampire cast-outs investigates a vicious killing. As the unives of the Kindred twine together and betrayals are unearthed, will Cecily be able to escape and save what's left of her family, or will she be yet another pawn sacrificed to maintain the age-old secret: that vampires exist among the living? World of Darkness: Crimson Thaw There's worse living in the shadows than vampires ... something with even bigger teeth. Cecily Bain has become everything she never wanted as The Prince of the Twin Cities. But her rule over a fractured, backbiting vampire court is interrupted by an intruder: something big, hairy and full of teeth. For over a century, werewolves of the Twin Cities have protected their blessed places from threats both physical and spiritual. When vampires under Cecily's rule move in on one of these precious sites, it's a declaration of war, one that Tyrell 'the Stainless' Stinar and his ferocious pack will avenge at any cost, even if that includes slaying one of their own. The immortal enmity between the Kindred and the Garou comes to a head on the streets of the Twin Cities!
