*Behind Closed Doors* Murray Murray Arnold Straus,Richard J. Gelles,Suzanne K. Steinmetz, Behind Closed Doors is grounded in the unprecedented national survey of the extent, patterns, and causes of violence in the American family. Based on a study of over 2,000 families, the authors provide landmark insights into this phenomenon of violence and what causes Americans to inflict it on their family members. The authors explore the relationship between spousal abuse and child abuse as well as abuse between siblings, violence by children against their parents, and the causes and effects of verbal abuse. Taken together, their analysis provides a vivid picture of how violence is woven into the fabric of family life and why the hallmark of family life is both love and violence. This is a comprehensive, highly readable account of interest to both the professional and the layperson on an important topic, which concerns the social well-being of us all.

**BEHIND CLOSED DOORS** DR. NATHEA WATTS HUTCHINSON,2012-11-30 As I drive along the streets of residential neighborhoods, looking at the dim lights from windows and seeping under the doors of homes, thoughts go through my mind regarding the type of things that occur behind closed doors. I think to myself, love, warmth, and family are what happen behind closed doors. I can picture a child sitting on her father's knee after he has worked all day or maybe a single mom going over homework with her child, a young married couple sitting together after supper watching a movie or maybe a grandparent and their dog on the couch snuggled together for companionship. In my imagination, love is what goes on behind closed doors. But on the contrary, serious issues such as child abuse, incest, murder, and extramarital affairs happen behind closed doors. Grief, pain, sorrow, and heartaches cross all cultural barriers. Crisis happens!

**Behind Closed Doors: A Christian Women's Fiction Novel** Kayla Lowe, To the world, Lydia Evans has the perfect life. A charming husband. A beautiful daughter. A home that looks like something out of a magazine. But perfection is only a mask. Behind closed doors, Lydia walks on eggshells. One wrong word, one forgotten detail, and her husband Jake's temper

explodes—leaving bruises she hides and a fear she can't escape. She's convinced it's her fault. If she just tried harder, stayed quieter, cooked better... maybe then he'd love her like he used to. She tells no one. Not her friends. Not her church. Not even God—because part of her wonders if He's still listening. But when her little girl begins to flinch at raised voices and shadows, Lydia hears a whisper in her soul: You're not alone. Torn between shame and survival, Lydia must face the truth she's been too afraid to speak. With nowhere left to turn, she cries out to the One she once trusted—and discovers a love that shelters, heals, and sets captives free. Behind Closed Doors is a powerful, emotional journey through the pain of physical abuse, the weight of silence, and the unshakable hope found in God's protection. Because sometimes the only way out...is to trust the God who sees behind every door.
