

# I Didn't Come This Far Just To Come This Far

**Julia Schneider**

I Didn't Come This Far, to Only Come This Far Ricky Deane, This book is both humorous and life revealing at the same time. The objective of my book is to take the reader on a journey with me to see the life of a young black kid and the challenges he faced in his life and also the mischief he got into, along the way. Throughout his journey, the reader will have an understanding, that this young kid faced low self-esteem as per racism but was able to overcome this by the wonderful words of wisdom from his mother. And then later in his life he shares other important life changing experiences which forever molded and changed his life forever. By sharing his life story, the intent is to show all how word from racism can be so so painful, but with the right mindset and focus, this doesn't have to dominate you and make you become hostile and bitter. Rather, like greats such as Mandela, Ghandi and MLK, you can use this all to propel you, forward to change yourself and then the world. The intent of this book it to entertain you with the writer's crazy life and constant bad decisions, but also to share how he strengthens his mindset and finally overcomes his low self-esteem mindset to one of focus and that you can achieve anything if you want it. There are no limitations to what you can achieve. This is my life story and it's all true.

Designer Crimes Lia Matera, 2013-02-26 They say that living well is the best revenge. But attorney Laura Di Palma may not have the opportunity to find out. Her former boss, Steven Sayres, keeps trying to torpedo her new solo law practice and when his slanders cost Laura her most important client, she's pushed over the brink. This lawyer decides to sue. But before her case has even begun, labor lawyer Jocelyn Kinsley is shot before her eyes. Uttering the dying words Designer crimes, Kinsley offers Di Palma the only clue to her slaying—and with it Laura's own best hope for survival. With the help of private detective Sandy Arkelett, Laura's friend and former lover, she does some computer hacking and finds an intriguing message hidden in Kinsley's cryptic words: Is someone designing custom crimes specifically to target bosses on behalf of the employees they wronged? Meanwhile, Laura is also defending a high school friend accused of murder, but trouble follows close on her heels and before long she is attacked and arrested. Living well just might be the best revenge, but survival becomes Laura's first order of business. Unfortunately, her detours off the high road could cost her more than just her career.
