**Translation, Reception and Canonization of The Art of War** Tian Luo, 2022-04-27 The Art of War by Sun Tzu is an ancient yet invaluable Chinese military classic that is still relevant today. This book presents a systematic and in-depth investigation into the translation and reception of The Art of War in Western strategic culture. Aided by three self-built corpora, this book adopts a mixed method of qualitative and quantitative analysis, and takes both the core text and its paratexts of The Art of War into consideration. The author highlights the significance of proper approaches to translating culture in regards to the core text and effective measures of culture reconstruction in regards to the paratexts. It is revealed by this investigation that the translated Sun Tzu has undergone three major stages before its canonization in Western discourse. The findings bring to light the multiple factors that contribute to the incorporation of Sun Tzu's strategic wisdom into Western culture. For scholars interested in translation studies, (critical) discourse analysis, as well as strategic studies, this book provides fresh insights and new perspectives.

**The Art of Markets** Tim Langdon, 2019-04-01 The Art of Markets tells us that one of the most important skills that a successful trader must develop is their trading view. In fact, it is indispensable to always have a view and to be able to intelligently articulate that view. "Is the market going up, down, sideways?" "Why?" If you have found the information contained in the book interesting and of value to you, and you would like to know more, I am happy to connect with you. For a small monthly fee (annual plan) I can provide you with a regular update of my thoughts and views that I currently only share with select relationships here and overseas.

**A Great State: The Rescue** Shelby Gallagher, In the final book of Shelby Gallagher's A Great State trilogy, Julie and Ned embark on their perilous journey from Colorado to Pierce Point, Washington where Julie will rescue - and adopt - baby Addison. Julie hopes to save her from the danger that is only growing more extreme as society continues to collapse and Addison can no longer be safely cared for by her biological parents. Meanwhile, unrest in Oregon continues to intensify and violence in the city becomes deadly as cultures clash and lawlessness begins to rule. Strange murders are happening regularly and the guilty parties will go to great lengths in order to preserve their freedoms. The Rescue chillingly shows the lengths people will go to so they can survive and thrive in times of chaos and uncertainty. Will Julie and Ned survive the mission through the mountains so they can save an innocent life and help usher in a new generation of self-reliant survivors? What will become of Julie's ex-husband once he surrenders his parental rights? Will Julie's incompetent brother make it through the collapse on his own? Will the violence that is overtaking Oregon make its way to the Great States?
