

Lon Film Dove Vederlo

AN Whitehead

London calling Barry Miles, 2012 “Eravamo anti-sistema in tutto e per tutto, nella musica e nell’arte. Volevamo distruggere qualsiasi cosa avesse regole prestabilite, tutto quel che c’era di asfissiante, tutte le certezze. Eravamo decisi a infrangere tutte le regole in tutti i modi possibili”. La Londra di Barry Miles è quella della cultura underground che nasce fra le macerie della Seconda guerra mondiale ed esplode nel corso degli anni Sessanta e Settanta, concentrandosi sul West End e su Soho, le zone in cui era confluita un’eterogenea popolazione di personaggi creativi e fuori dalle righe, intolleranti nei confronti delle costrizioni della cultura e del costume ufficiale: scrittori, poeti, registi, musicisti, artisti, pubblicitari, architetti, stilisti, e una miriade di più anonimi personaggi decisi a fare della propria vita un’arte. È la storia di una rivoluzione culturale determinata a ottenere una “totale confusione dei sensi”, che si sviluppa fra le vie di una metropoli artisticamente onnivora, fatta di locali, librerie, club, pub, teatri, piazze, vicoli, scantinati, case occupate o case borghesi. Una storia di sconvolgente energia vitale e al tempo stesso autodistruttiva, raccontata sul filo di quell’ironia che solo un testimone diretto può comunicare. Mettere in fila i nomi che si incontrano fra queste pagine fa tremare l’idea stessa di ‘controcultura’, poiché vi si ritrova molta della creatività che animerà per ibridazione la cultura ufficiale del Novecento: Dylan Thomas, Francis Bacon, i Situazionisti, il cool jazz, il rock ‘n’ roll, Mary Quant, Kingsley Amis, J.G. Ballard, i Rolling Stones, i Beatles, William Burroughs, Jimi Hendrix, i Pink Floyd, Allen Ginsberg, Pete Townshend, Yoko Ono, Derek Jarman, David Hockney, i Clash, i Police, Gilbert & George, Vivienne Westwood, i Sex Pistols, Boy George, Charles Saatchi, Lucian Freud, Damien Hirst e moltissimi altri. Un libro-mondo brulicante di storie e di personaggi, il ritratto più preciso e divertente mai scritto sull’avventura gloriosa e infame di un’epoca oggi entrata nella leggenda.

Requiem for a nation Roberto Cavallini, 2017-05-30 T00:00:00+02:00 The primary objective of this collection is to examine the ways in which religion, culture and politics converge in configuring the contradictions of post-war Italy’s cultural history, starting from the assumption that conducting a critical reflection on Italian postwar visual culture requires investigating the inevitable impact of Catholic religion on everyday life in its social, political and cultural dimensions. The volume takes advantage of the privileged position of cinema to explore and critique religion’s influence on the Italian cultural

landscape. This edited anthology thus seeks to probe how religion is experienced, practiced, criticized and represented from various methodological perspectives (historical, philological, aesthetic, psychoanalytical, popular studies, etc.) through four main sections: 'Propaganda and Censorship', 'Framing Belief: Pasolini and Petri', 'Religion in Italian Popular Cinema' and 'Ancient Rituals, Modern Myths'.

Flashback, Eclipse Romy Golan, 2021-11-02 From a leading art historian, a provocative exploration of the intersection of art, politics, and history in 1960s Italy Flashback, Eclipse is a groundbreaking study of 1960s Italian art and its troubled but also resourceful relation to the history and politics of the first part of the twentieth century and the aftermath of World War II. Most analyses have treated the 1960s in Italy as the decade of "presentism" par excellence, a political decade but one liberated from history. Romy Golan, however, makes the counterargument that 1960s Italian artists did not forget Italian and European history but rather reimagined it in oblique form. Her book identifies and explores this imaginary through two forms of nonlinear and decidedly nonpresentist forms of temporality—the flashback and the eclipse. In view of the photographic and filmic nature of these two concepts, the book's analysis is largely mediated by black-and-white images culled from art, design, and architecture magazines, photo books, film stills, and exhibition documentation. The book begins in Turin with Michelangelo Pistoletto's Mirror Paintings; moves on to Campo urbano, a one-day event in the city of Como; and ends with the Vitalità del Negativo exhibition in Rome. What is being recalled and at other moments occluded are not only episodes of Italian nationalism and Fascism but also various liberatory moments of political and cultural resistance. The book's main protagonists are, in order of appearance, artists Michelangelo Pistoletto and Gioetta Fioroni, photographer Ugo Mulas, Ettore Sottsass (as critic rather than designer), graphic designer Bruno Munari, curators Luciano Caramel and Achille Bonito Oliva, architect Piero Sartogo, Carla Lonzi (as artist as much as critic), filmmakers Michelangelo Antonioni and Bernardo Bertolucci, and, in flashback among the departed, painter Felice Casorati, writer Massimo Bontempelli, art historian Aby Warburg, architect Giuseppe Terragni, and Renaissance friar-philosopher-mathematician Giordano Bruno (as patron saint of the sixty-eighters).
