Translation and Music Sebnem Susam-Sarajeva, 2016-04-08 Popular and multimodal forms of cultural products are becoming increasingly visible within translation studies research. Interest in translation and music, however, has so far been relatively limited, mainly because translation of musical material has been considered somewhat outside the limits of translation studies, as traditionally conceived. Difficulties associated with issues such as the 'musicality' of lyrics, the fuzzy boundaries between translation, adaptation and rewriting, and the pervasiveness of covert or unacknowledged translations of musical elements in a variety of settings have generally limited the research in this area to overt and canonized translations such as those done for the opera. Yet the intersection of translation and music can be a fascinating field to explore, and one which can enrich our understanding of what translation is and how it relates to other forms of expression. This special issue is an attempt to open up the field of translation and music to a wider audience within translation studies, and to an extent, within musicology and cultural studies. The volume includes contributions from a wide range of musical genres and languages: from those that investigate translation and code-switching in North African rap and rai, and the intertextual and intersemiotic translations revolving around Mahler's lieder in Chinese, to the appropriation and after-life of Kurdish folk songs in Turkish, and the emergence of rock'n roll in Russian. Other papers examine the reception of Anglo-American stage musicals and musical films in Italy and Spain, the concept of 'singability' with examples from Scandinavian languages, and the French dubbing of musical episodes of TV series. The volume also offers an annotated bibliography on opera translation and a general bibliography on translation and music.

Delenda Carthago! Gianni Sandalo,2017-12-21 In un piccolo centro del Salento jonico, Melissano, si intrecciano le vicende di un gruppo di ragazzi i quali dal nulla danno vita ad un singolare club che pian piano acquista un'importanza rilevante in paese, grazie alla moralità ed al carisma del loro piccolo capo. Un club in cui la musica fa da filo conduttore e che in breve tempo diventa un punto di richiamo di un'intera comunità ed in particolare di persone disperse nei tortuosi sentieri della vita. Ed un piccolo capo, la cui passione per la storia di Roma lo esalterà nel combattere, come un sagace Giulio Cesare dei nostri giorni, difficili e complesse battaglie per far trionfare i suoi sani principi. Ma ci riuscirà fino in fondo, nonostante la sua giovanissima età?

Andrea Bocelli - Amore Andrea Bocelli, 2006-06-01 While creating the perfect track listing for Bocelli's first-ever album of popular songs, Bocelli and his producers searched the musical eras from the 1920s to the 1980s for songs in Italian, Spanish and French. Bocelli also added some of his favorite international pop songs, including the Italian classics L'Appuntamento and Quando M'Innamoro, the Latin American hit Besame Mucho, and the French standard Les Feuilles Mortes, which has become the much-loved English standard Autumn Leaves. Solamente Una Vez (a hit as You Belong to My Heart for stars including Elvis Presley and Bing Crosby) and Somos Novios (famously an English-language hit as It's Impossible for Perry Como) are also highlights of the album. The end result is Bocelli's amazingly beautiful interpretation of classics made popular by legendary vocalists from Edith Piaf and Luis Miguel to Elvis Presley and Frank Sinatra. This folio includes all 14 tracks arranged for piano and voice with guitar chord frames.
