*My Time in Heaven* Richard Sigmund, 2009-12-14 Is there life after death? After a tragic accident, doctors pronounced Richard Sigmund legally dead. Eight hours later, God miraculously brought him back to life on the way to the morgue. During those hours, God allowed him to experience the glorious beauty, heavenly sounds, sweet aromas, and boundless joys of heaven that await every believer. God then returned him back to earth with a mission to tell the world what he saw. You will thrill to Sigmund's eyewitness accounts of strolling down heaven's streets of gold, seeing angels playing with children, talking with Jesus, meeting with people from the Bible, as well as departed family and friends, seeing the mansions, and much more! Through Sigmund's testimony, God restored sight to the blind, hearing to the deaf, and even raised several people from the dead. Also, glimpse into the horrifying reality of "the other place"—a place where no one wants to go.

**My Time in Heaven** Michael D. Evenson, 2022-11-29 I dedicate this book to the three I know the best who are God the Father, Lord Jesus Christ, and the Holy Spirit with whom I never will be back here on earth if it was not for God. I died and visited heaven before I had to go back into my body on earth and I spent a lot of time there, but it was only a few minutes gone on earth. I received the gift of healing to heal my body, so I can go back into it with the connections that were established, which made me capable to use God's power to save people from death many times over and do miraculous things that astound people to this day. With my four-dimensional vision and advanced hearing, I can see and hear into things in ways you cannot fathom even now. So I can also say that I have been helping people from an early age to the present in the Godly way. With God's help, I have the power to chase demons away from products, off people, and from houses. The times I should have died since my first death is miraculous too.

**Life After Heaven** Steven R. Musick, Paul J. Pastor, 2017-03-07 After a deadly medical mistake sent a navy sailor to the presence of Jesus, he returned from his near-death experience with new eyes to see the kingdom of heaven in this life. Now he wants to help you experience heaven on earth today. For years Steve Musick kept his amazing story to himself, afraid no one would believe or understand it. A major allergic reaction had stopped his heart, hurling him into a five-week coma and a powerful experience of heaven. After returning to life, he couldn't forget the memory of that vibrant place—and, most of all, the loving words and touch of Jesus. But that was only the beginning. An amazing series of miracles, dreams, and other supernatural events had been set in motion, showing Steve that heaven was close, even in this life. God was calling him to

discover echoes of heaven in the here and now—echoes that can happen at any moment, to anyone—that bring overwhelming joy. At last Steve is ready to tell the story of his journey of a lifetime—two lifetimes. In it you'll learn the secret of bringing heaven to earth in your everyday world, and how to nurture a relationship with God so real and intimate that you'll feel his nearness as strongly as Steven did. Experience one man's incredible vision of heaven—and learn how you can live in God's presence and power today.

**God's Miracle** Doris Elaine Smarr, 2019-09-09 God's Miracle offers a riveting testimony of God's grace, mercy, and His love for those who trust and believe in Him and are obedient to His commandments. Elaine is a born-again Christian who experienced death and life after death. The book offers true insight into the reality of heaven and its glory. On October 6, 2016, Elaine was preparing to travel to Europe on a month-long vacation to visit with family and friends. It had been nineteen years since she last visited her youngest son's tomb site, and she was looking forward to the trip. As she worked in her vegetable garden that Thursday afternoon, she heard a voice say, Call your helper to come over to help you. She said to herself, I don't need help because I am almost finished. The voice again said, Call your helper to come over to help you. The second time, she listened to the voice and called for help. Within a half hour of the helper's arrival, Elaine suffered a massive heart attack and died three times. By the grace of God, she was able to dial 911 and request assistance before passing out. Her helper intervened and completed the call. Upon arrival to her home, the EMT's found her on the floor in a pulseless state. She was transported to the local hospital to be pronounced. She was miraculously revived after being deceased for forty-five minutes the first time. She flat lined three more times at the hospital before being medivacked to the trauma center

but died again in route. She died again at the trauma center. In reality, she actually died six times. Her survival was nothing short of a divine and miraculous return to life. She was renamed Ms. Miracle by the doctors and hospital staff at the trauma center as she sustained no neurological damage after the trauma of dying and being revived six separate times. After her experience in Heaven and upon her return to earth, she realized that the voice she heard that afternoon was the voice of God speaking to her.

Life After Heaven Steven R. Musick, 2017-07-29 Life After Heaven: How My Time in Heaven Can Transform Your Life on Earth By Steven R. Musick

The Complete Works John Bunyan, 1877

Jesus Is the Way, Truth, Life Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus, then this book is for you. So many Christians take Jesus for granted, and so many people do not understand His torment and the suffering He endured for us. We began a spiritual journey when we enter this world. We have a natural body and a world full of responsibilities to challenge us on our journey. We are influenced by many outside sources and personal interactions with our family members and friends. Ultimately, we make the most important decision of our life. Do we believe in God and accept Jesus as our Savior, or do we reject God and accept atheism? When you analyze the facts of the life of Jesus, his loving teachings, his horrible suffering, death and miraculous resurrection, you come to understand He did it for you. Jesus is the Way, the Truth, and the Life. His teaching brings light into your life. Jesus is the gateway to eternal happiness when we leave this world. Atheism with its evil influence wants to drag you down and have you reject God. Atheists are in total denial about God, Jesus, supernatural experiences, something from nothing, and the wisdom in the formation of this universe and mankind. Atheists want you to believe you will simply rot in the ground and accept life with no future hope. If you are an atheist, don't laugh at this thought and concern. As a Christian, I care for you and your soul. That is certainly more than what the atheistic thinking has in mind for you. Atheism, under the influence of Satan, offers you nothing but the door way to eternal conscious separation from God. This book is a direct challenge to the thoughts and beliefs of the atheist. I wrote this book with the hope it just might stir the mind of a non-believer. Then believing the Holy Spirit will do the rest.
