

Nefarious Plot Steve Deace

Steve Deace

A Nefarious Plot Steve Deace, 2016-12-20 Steve Deace's humorous new book takes a wry, satirical look at the future that faces America if she continues down the path of unchecked leftism. Deace's conservatism is unwavering, and his strong medicine is worth considering. (New York Times best-selling author Ben Shapiro).

A Nefarious Carol Steve Deace, 2020-12-15 Convinced his demon general Lord Nefarious has successfully conquered America, Satan himself now decides it's time for him to step out of the shadows and complete his master plan. But for it to succeed, he must find a willing partner... On the run, frightened, and alone, Rae is cornered one fateful night in a rundown motel room by the devil himself. He has a once-in-eternity offer for her—the chance to change the world forever. But to convince her to freely accept it, Satan needs to connect with Rae's past, present, and future to prove to her he can be trusted after all. A showdown for the ages is officially on, and humanity hangs in the balance.

Truth Bombs Steve Deace, 2019-01-15 Why does the Republican Party always seem to betray conservatives in the end? How come Leftists never worry some “squishy” moderate will win Democrat primaries, even though conservatives in the GOP are constantly fighting that battle? Why do GOP leaders typically fight the conservative base harder than they fight the Democrats? How did the Left gain control of every major cultural institution in the country? Why does the Republican Party continue to fund (alleged) political enemies, such as Planned Parenthood? Is the GOP really the “the stupid party” or something much worse? Deace answers these questions and more in Truth Bombs, a definitive expose on why conservatism has no future—if it remains hostage to the unibrow-party duopoly.

Rise of the Fourth Reich Steve Deace, Daniel Horowitz, 2023-02-14 A Wall Street Journal Bestseller COVID-19 fascism was the worst tyranny in American history, and those responsible must be held accountable so nothing like it ever happens again. COVID-19 was used to launch the worst tyranny in American history, which we're still facing even now. It was also the worst oppression in global history since the Third Reich. Just as that evil required a reckoning at Nuremberg, this one does as well. In this Nuremberg 2.0, we call witnesses that our elected representatives and law enforcement agents need to hear from in order to know the full extent of the evil, and who is responsible for it—so that this never happens again.

The Warrior Bride Jeremiah Johnson, 2023-09-05 These Five Insidious Spirits Have Marked You for Destruction Does it feel as if the host of hell is aimed at preventing you from advancing, from stepping into God's destiny for your life? They

are—and their attacks are planned, plotted, and targeted by five insidious spirits hell-bent on destroying the body of Christ: Leviathan, Jezebel...

Do What You Believe Steve Deace,2021-12-20 This time the soul of America really is at stake. Sure, for many years we've heard this language dramatically and cynically utilized during political campaigns, but this time it's actually true. American Exceptionalism faces more systemic threats and existential peril than ever before. A culture that can't agree on what a border, citizen, criminal, law, constitution, life, or even the truth is probably doesn't have long to last. But as Jesus warned in Matthew 9:37, "The harvest is plenty but the workers are few." Either we will stand boldly now for what we believe, or our way of life will be lost to the ash heap of history. Pilgrims "having undertaken the glory of God" and Great Awakenings are what gave birth to liberty on this continent in the first place. And without a revival of those first things in our time, that liberty will be lost for good. This will be the generation that determines the fate of the West. This is a blueprint and battleplan for such a time as this.

Hell From Beneath J.M. Wight, Professing themselves to be wise, they became fools... Humanity stands unwittingly on the brink of oblivion. The Federation has created a weapon of mass destruction capable of obliterating entire planets, but

greed and corruption have made it fall into the wrong hands. One man, a former insider, takes it upon himself to sound the alarm. In a race against time, he finds an unlikely ally in Zedekiah Wight, the charismatic and unpredictable president of the rogue Orion Confederacy. With the fate of galactic civilization hanging in the balance, Zedekiah's visionary sense of justice will determine whether humanity has a future.

Why Easter? Steve Deace, 2024-02-20 Discover the origins of Easter—why we celebrate, and why we'd be lost without it. Easter is about much more than egg hunts, candy, and the arrival of springtime. Those things are fun and nice, but God gave us so much more, and what He gave us will last forever. It's only when we accept this free gift God has given us that we can be truly free.

Rules for Patriots Steve Deace, 2016-02-09 Steve Deace represents a new generation of conservatives more concerned with preserving liberty than blind partisanship that only props up a corrupt ruling class. To Deace and the millions of grassroots patriots he represents, it's not just Right vs. Left, but Right vs. Wrong. It's not just Republican vs. Democrat, but Us vs. Them. Many great books have been written about what we should believe and why, but for the first time, in *Rules for Patriots*, the author shows how to do what we believe.

Faucian Bargain Steve Deace, Todd Erzen, 2021-03-29 #1 Wall Street Journal Bestseller As seen on Tucker Carlson Tonight As heard on Glenn Beck and Mark Levin "In his famous Farewell Address, President Eisenhower warned about allowing public policy to become captive to a scientific elite without regard to the principles of our constitutional system and the goals of a free society. Eisenhower was prescient. During the COVID crisis, states like New York that embraced unadulterated Faucism saw poor results across the board, while states that pursued an Eisenhower-style approach like Florida protected freedom and performed better in education, economy and health outcomes. Executives are elected to lead and make tough decisions, and such leadership cannot be outsourced to health bureaucrats like Fauci." —Florida Governor Ron DeSantis It wasn't too long ago that the average American didn't know who Anthony Fauci was. Now, after the coronavirus has spread nationwide, he's arguably the most powerful bureaucrat in American history. But is it dangerous for a free society to concentrate so much power in the hands of an unelected official? Who or what holds Fauci accountable? "Steve Deace is a true patriot whose zeal for liberty is undeniable. Every day, Steve walks the walk when it comes to fighting for Americans' fundamental rights. This book is written with a keen understanding of the pain and devastation we've all seen throughout this pandemic. Throughout, Steve's passion for protecting Americans' freedoms is ever-present." —U.S. Senator Ted Cruz (TX) "This is an important book, to both get answers to how we got here and to help us never succumb to something like this ever again. Permitting unelected bureaucrats to hold this much power indefinitely doesn't end well." —Mark Levin, New York Times best-selling author and talk show host "In their typical fashion, Steve Deace and Todd Erzen spare no expense in pursuit of truth. We've been told a lot of things during this pandemic, and a lot of them contradict each

other. This book uses documented data and sources to cut through the clutter, most of it Fauci's, and bring us to a place of reason and science." —Glenn Beck, New York Times bestselling author and Radio Hall of Fame broadcaster

Truth Bombs Steve Deace, 2019-12-03 Why do conservatives always seem to lose, even when Republicans win? With considerable firsthand experience in politics and an engaging analytical perspective, Steve Deace provides the answer. Why does the Republican Party always seem to betray conservatives in the end? How come Leftists never worry some "squishy" moderate will win Democrat primaries, even though conservatives in the GOP are constantly fighting that battle? Why do GOP leaders typically fight the conservative base harder than they fight the Democrats? How did the Left gain control of every major cultural institution in the country? Faucian Bargain Steve Deace, Todd Erzen, 2021-08-03 As seen on Tucker Carlson Tonight As heard on Glenn Beck "In this important book the authors do the job our uninquisitive media has failed to do throughout this ordeal. Confirming with cited and sourced details the enemy of both liberty and logic the lockdowns have proven to be. Which also proves too much power in the hands of an unelected bureaucrat, regardless of his intentions, can no longer be our new normal." —U.S. Senator Rand Paul (KY) Can liberty survive in the hands of one all-powerful, unchallenged, and unelected bureaucrat? It wasn't too long ago that the average American didn't know who Anthony Fauci was. Now, after the coronavirus has spread nationwide, he's arguably the most powerful bureaucrat in American history. But is it dangerous for a free society to concentrate so much power in the hands of an unelected official? Who or what holds Fauci accountable?
