Now, Discover Your Strengths Marcus Buckingham, Donald O. Clifton, 2001-01-29 Unfortunately, most of us have little sense of our talents and strengths, much less the ability to build our lives around them. Instead, guided by our parents, by our teachers, by our managers, and by psychology's fascination with pathology, we become experts in our weaknesses and spend our lives trying to repair these flaws, while our strengths lie dormant and neglected. Marcus Buckingham, coauthor of the national bestseller *First, Break All the Rules*, and Donald O. Clifton, Chair of the Gallup International Research & Education Center, have created a revolutionary program to help readers identify their talents, build them into strengths, and enjoy consistent, near-perfect performance. At the heart of the book is the Internet-based StrengthsFinder® Profile, the product of a 25-year, multimillion-dollar effort to identify the most prevalent human strengths. The program introduces 34 dominant themes with thousands of possible combinations, and reveals how they can best be translated into personal and career success. In developing this program, Gallup has conducted psychological profiles with more than two million individuals to help readers learn how to focus and perfect these themes. So how does it work? This book contains a unique identification number that allows you access to the StrengthsFinder Profile on the Internet. This Web-based interview analyzes your instinctive reactions and immediately presents you with your five most powerful signature themes. Once you know which of the 34 themes -- such as Achiever, Activator, Empathy, Futuristic, or Strategic -- you lead with, the book will show you how to leverage them for powerful results at three levels: for your own development, for your success as a manager, and for the success of your organization. With accessible and profound insights on how to turn talents into strengths, and with the immediate on-line feedback of StrengthsFinder at its core, *Now, Discover Your Strengths* is one of the most groundbreaking and useful business books ever written. Please note that the code for the Online Strengths Finder Test is found on the inside of the dust jacket or in the sealed sleeve bound into the book just before the end paper.

Clifton Learn how to Develop Your Talents and Those of the People You Manage. As you've navigated through life, you've probably identified your weaknesses. You know all about your flaws,

shortcomings, and what areas you need to improve upon. Perhaps you know that math is not your strong suit or that any sport involving a ball is simply not where you thrive. As you read, you'll learn how your brain plays a role in developing your innate talents, why playing up your strengths is far more powerful than fixing your weaknesses, and whether you're an Achiever, Arranger, or Input type.

**Living Your Strengths - Catholic Edition (2nd Edition)** Albert L. Winseman, Don Clifton, Curt Liesveld, 2016-10-18 Personal stories and actionable advice for the spiritually committed, all rooted in decades of research. Even in a country as religious as the U.S., many people feel disengaged from their faith communities. More than half report that they really don't get the opportunity in their congregation to do what they do best. People just feel disconnected. Maybe it's because those faith communities make unwitting missteps: Pastors ask shy people to be greeters or recruit innately disorganized people to coordinate church events. The problem is simply this: Too many people's talents are going unappreciated. But it doesn't have to be this way. Living Your Strengths Catholic Edition shows readers how to use their innate gifts to enrich their faith communities. The book — written by former pastors Albert Winseman and Curt Liesveld and Don Clifton, coauthor of the national bestseller Now, Discover Your Strengths — shows people how to identify and affirm their talents and how to use them for growth and service. Most importantly, Living Your Strengths helps people discover their true calling. The book includes an access code to take the CliftonStrengths assessment (formerly called Clifton StrengthsFinder) that reveals a reader's top five talent themes. The Catholic edition also includes an inspirational foreword by Monsignor Bill Hanson, pastor of the Church of St. Gerard Majella in Port Jefferson Station, New York. Spiritual enrichment begins with turning talents into strengths. Living Your Strengths is an indispensable guide to help readers to just that.

**Your Divine Fingerprint** Keith Craft, 2013-10-01 Discover the key to all your future success and achievement, and learn that what makes you different, makes you great. According to science, 99 percent of our DNA sequence is the same as other humans. Pastor Keith Craft believes that the 1 percent difference in each of us is a type of glory that God has given us. Within the pages of his motivational and inspirational self-help book, Your Divine Fingerprint: The Force That Makes You Unstoppable, are the tools to help you discover a unique fingerprint that you have been given. These tools will help you deploy your unique difference that your family needs, your marriage needs, your job needs, your faith needs—that the world needs. And when you embrace and live in that uniqueness, you celebrate the glory of God.

**Summary of StrengthsFinder 2.0** SellWave Audio, 2025-10-13 StrengthsFinder 2.0 is built on a powerful yet simple idea: people succeed not by fixing all their weaknesses, but by identifying and maximizing their natural talents. Too often, individuals and organizations devote endless energy to improving shortcomings, while the unique strengths that could set them apart remain ignored or underdeveloped. Gallup's groundbreaking research challenges this traditional mindset by offering a tool to uncover what people do best and how they can leverage those abilities every day. The original StrengthsFinder assessment, introduced in *Now, Discover Your Strengths* (2001), sparked a global movement, with millions using it to uncover their top five talents. StrengthsFinder 2.0 builds on that foundation with updated research, clearer language around 34 distinct talent themes, and practical strategies to help people apply their strengths in meaningful ways. The book is not just something to read once—it serves as a lifelong reference guide to help individuals align their work, relationships, and personal growth with their innate abilities. At its heart, the book encourages a shift in perspective. Rather than measuring yourself against what you lack, it calls on you to recognize where you naturally excel and to find ways to build your life and career around those strengths. Packed with real-world applications, it provides hundreds of specific suggestions for putting each strength into action, whether you're working on a team, leading a project, or pursuing personal goals. By embracing your strengths, you not only improve performance but also increase engagement, satisfaction, and long-term success. StrengthsFinder 2.0 is more than an assessment—it's a roadmap for transforming how you see yourself and how you can thrive in the world by leaning into what you already do best.

StrengthsQuest includes the Clifton StrengthsFinder, an online assessment that reveals students' top five themes of talent. And StrengthsQuest also helps students make the most of those talents. Students and learners of all ages continually face the challenges of gaining direction, making decisions, and building self-confidence. Over the course of 30 years, Gallup conducted millions of psychological interviews and identified 34 themes of talent that are indicative of success. In the StrengthsQuest program, Gallup offers you the opportunity to discover talents from your top five themes and build on them to achieve academic, career, and personal excellence. More than 100,000 students have benefited from the program. Your quest starts with the Clifton StrengthsFinder, a 30-minute assessment that reveals your top five themes of talent. You'll also be challenged to think about applying your talents for success in other settings, such as on projects and teams and in leadership. StrengthsQuest was written by the late Donald O. Clifton, who was the former chairman of Gallup; coauthor of the bestseller *Now, Discover Your Strengths*; and recognized as the Father of Strengths-Based Psychology and the late Edward "Chip" Anderson, who taught education, psychology, and leadership at UCLA and Azusa Pacific University.
