**The Shamanic Way of the Womb - A Healing Journey Through the Eight Womb Gates** Angie Twydall, 2025-06-21

The Shamanic Way of the Womb is a sacred guide to feminine healing, remembrance, and embodiment. Through the eight Womb Gates, Angie Twydall invites women to journey into their inner landscape — to meet the Maiden, Mother, Crone, and the elemental powers that shape creation. Drawing on Celtic, Avalonian, and Earth-based traditions, this book weaves together myth, ceremony, and shamanic practice as pathways of rebirth. Each gate offers teachings, reflections, and healing transmissions to awaken the Womb's wisdom and restore connection with the cycles of life, death, and renewal. Angie shares her lived experience of womb awakening and guides readers to reclaim the sacred vessel of the feminine as a source of power, creativity, and belonging. This book accompanies the Shamanic Way of the Womb apprenticeship and ceremonial work within the Sanctuary of Sophia. **Feminine Power Rising** Gerti Schoen,2020-06-14 Every woman has within her the strength to bring forth her own higher powers: feminine qualities like inclusivity, a deep sense of justice, balance and appreciation for all life. There is a new, eco-feminist spirituality emerging, and every woman has a role to play in this movement. This book is providing you with the tools to find the support and inner strength to develop your inner vision, and to fulfill your heart's desire in accordance with the laws of nature. The main tool for healing and expansion in this book is the imagination. Imaginal healing has been utilized by healers throughout the millennia, by shamans, spiritual teachers, and in contemporary psychotherapy as well. Carl Jung acknowledged the power of the active imagination, and the transformative effects it has on the mind. Today, science is validating through numerous studies just how effective it is. In this book, the imagination will be expanded with the help of guided meditations and dream journeys that activate the alpha and theta brainwaves. This makes deep relaxation and accessing the subconscious mind possible, and ultimately stimulates changes of the brain's neural pathways. With the help of these tools, changing the mind is no longer an abstract idea. With every chapter comes a ten minute long meditation that will bring healing and new energy.

**Remove Obstacles to Experience Unstoppable Feminine Power** Laura B. Young, 2018-12 You are not meant for crawling, so don't... you have wings. Learn to use them and fly. ~ Rumi The start of your voyage doesn't have to be spectacular. However, it does need to be a moment of determination when you claim your place in the rich tapestry of life. When you don't take your rightful place, it remains empty because no one else can fill your space. You may have started this journey before, maybe even made gains but slid back into repetitive patterns you vowed to change. Such outcomes could leave you exasperated or discouraged with a loss of belief in your ability to reach your dreams or feel Feminine Power. But no one is a finished product. The key is to not wait until the day you feel ready - because that day never comes. Fear and discomfort means your soul is nudging you to do things differently going forward. Until now, there has not been a template

for Feminine Power; we were expected to fit into a male version of success in the world. No more! We are being invited to accept responsibility for what we see in the mirror and what is really playing out in our lives. My work shows you how to build a bridge to cross the chasm from where you are to where you dream of being in your life. Uncover the Obstacles that are keeping you stuck in a small frame or living a life that is less than what you deserve. You get to choose freedom from the bondage of faulty beliefs and early conditioning. You must learn how to make your unconscious your ally. You will learn how to do that in this book. This book will help you uncover what is hidden from your awareness and make friends with the beauty of your essence, including the parts that you try to hide even from yourself.
