

The Lion Novel Nelson DeMille

Nelson DeMille

The Lion Nelson DeMille, 2010-06-08 In this eagerly awaited follow-up to *The Lion's Game*, John Corey, former NYPD Homicide detective and special agent for the Anti-Terrorist Task Force, is back. And, unfortunately for Corey, so is Asad Khalil, the notorious Libyan terrorist otherwise known as The Lion. Last we heard from him, Khalil had claimed to be defecting to the US only to unleash the most horrific reign of terrorism ever to occur on American soil. While Corey and his partner, FBI agent Kate Mayfield, chased him across the country, Khalil methodically eliminated his victims one by one and then disappeared without a trace. Now, years later, Khalil has returned to America to make good on his threats and take care of unfinished business. The Lion is a killing machine once again loose in America with a mission of revenge, and John Corey will stop at nothing to achieve his own goal -- to find and kill Khalil.

Lion A? Nelson + DeMille, 2015-09-29 Asad Khalil - aka 'The Lion' - is the most dangerous man alive. A ruthless Libyan terrorist with an agenda of death and destruction, he has come to the US to seek out his number one enemy, ex-NYPD homicide detective John Corey. But Corey is equally intelligent, equally ruthless - and equally determined to wipe Khalil off the face of the earth.... From the first page to the last line, this is a breakneck-paced race against time between two utterly driven men, between good and breathtaking evil. Acclaimed as the finest of Nelson DeMille's John Corey thrillers, it is the perfect introduction or re-introduction to one of the most compelling heroes in fiction.

The Lion's Game Nelson DeMille, 2000 This New York Times bestseller brings back the original fast-paced thriller featuring Detective John Corey. To win a desperate game with no rules at all, Corey must invent a strategy that leaves no room for mistakes.

The Lion Nelson DeMille, 2011 Asad Khalil - aka 'The Lion' - is the most dangerous man alive. A ruthless Libyan terrorist with an agenda of death and destruction, he has come to the US to seek out his number one enemy, ex-NYPD homicide detective John Corey. But Corey is equally intelligent, equally ruthless - and equally determined to wipe Khalil off the face of the earth.... From the first page to the last line, this is a breakneck-paced race against time between two utterly driven men, between good and breathtaking evil. Acclaimed as the finest of Nelson DeMille's John Corey thrillers, it is the perfect introduction or re-introduction to one of the most compelling heroes in fiction.

The Lion Nelson DeMille, 2010 Asad Khalil, the notorious Libyan terrorist otherwise known as The Lion, has returned to

America to make good on his threats and take care of unfinished business. John Corey, former NYPD Homicide detective and special agent for the Anti-Terrorist Task Force, will stop at nothing to find and kill Khahil.

Night Fall Nelson DeMille, 2004-11-01 New York Times bestselling author Nelson DeMille does it again with Elite Anti-terrorist Task Force Agents John Corey and Kate Mayfield discovering corruption deep in the FBI and they set out to find the truth. On a Long Island beach at dusk, Bob Mitchell and Janet Whitney conduct their illicit love affair in front of a video camera, set to record each steamy moment. Suddenly a terrible explosion lights up the sky. Grabbing the camera, the couple flees as approaching police cars speed toward the scene. Five years later, the crash of Flight 800 has been attributed to a mechanical mal-function. But for John Corey and Kate Mayfield, both members of the Elite Anti-terrorist Task Force, the case is not closed. Suspecting a cover-up at the highest levels and disobeying orders, they set out to find the one piece of evidence that will prove the truth about what really happened to Flight 800-the videotape that shows a couple making love on the beach and the last moments of the doomed airliner.

The John Corey Collection Nelson DeMille, 2012-10-16 An omnibus of three Nelson DeMille novels featuring John Corey, a brilliant NYPD detective who becomes an FBI terrorist hunter. Plum Island Wounded NYPD homicide detective John Corey is convalescing in rural eastern Long Island when a young couple is killed. The victims were researchers at a site rumored to be a biological warfare center. Suddenly, a local double murder takes on shattering global implications-and thrusts Corey into a dangerous search for the secret of Plum Island. The Lion's Game At New York's JFK Airport, an American task force waits for a Libyan terrorist defector. When something goes horribly wrong, federal agent John Corey follows a trail of blood for his quarry: a foe with the cunning of a lion and the bloodlust of a man. To win a desperate game with no rules, Corey must invent a strategy that leaves no room for mistakes. Night Fall On a beach, a couple with a video camera record their love-making-and the explosion of TWA Flight 800. Now on the fifth anniversary of a blast that was blamed on mechanical failure, agent John Corey and his partner reopen the case. They will hunt for the crucial video-and race toward an elusive truth even more horrifying than the crash itself.

A Quiet End Nelson DeMille, 2015-05-26 After a showdown with the notorious Yemeni terrorist known as The Panther, life seems to be getting quieter for maverick Federal Agent John Corey. Professionally sidelined, away from his wife, and partnered up with a young, good-looking rookie named Tess, Corey is saddled with a dead-end job running easy surveillance on a group of Russian U.N. delegates in New York City. But then his subjects slip the net, Tess starts acting suspiciously, and an old, dangerous foe reappears. With Russia resurgent and a clear and present danger in his own back yard, suddenly Corey's life hits the fast lane once again.

The Quest Nelson DeMille, 2013-09-17 AUTHOR'S NOTE: An earlier, shorter version of The Quest was published in paperback in 1975. In 2013, I rewrote The Quest and doubled its length, making it, I hope, a far better story than the

original, without deviating from the elements that made the story so powerful and compelling when I first wrote it. In other words, what made *The Quest* worth rewriting remains, and whatever is changed is for the better. I was happy and excited to have this opportunity to rewrite and republish what I consider my first big novel, and I hope you enjoy it as much as I did when I first wrote it. **BOOK DESCRIPTION:** A sweeping adventure that's equal parts thriller and love story, Nelson DeMille's newest novel takes the reader from the war torn jungles of Ethiopia to the magical city of Rome. While the Ethiopian Civil War rages, a Catholic priest languishes in prison. Forty years have passed since he last saw daylight. His crime? Claiming to know the true location of Christ's cup from the Last Supper. Then the miraculous happens - a mortar strikes the prison and he is free! Old, frail, and injured, he escapes to the jungle, where he encounters two Western journalists and a beautiful freelance photographer taking refuge from the carnage. As they tend to his wounds, he relates his incredible story. Motivated by the sensational tale and their desire to find the location of the holiest of relics, the trio agrees to search for the Grail. Thus begins an impossible quest that will pit them against murderous tribes, deadly assassins, fanatical monks, and the passions of their own hearts. *THE QUEST* is suspenseful, romantic, and filled with heart-pounding action. Nelson DeMille is at the top of his game as he masterfully interprets one of history's greatest mysteries.

The Panther Nelson DeMille, 2012-10-16 New York Times bestselling author Nelson DeMille returns with another heart-pounding John Corey thriller—this time including Corey's FBI agent wife Kate Mayfield... and their mission is to catch an elusive terrorist mastermind before he catches them. Anti-Terrorist Task Force agent John Corey and his wife, FBI agent Kate Mayfield, have been posted overseas to Sana'a, Yemen—one of the most dangerous places in the Middle East. While there, they will be working with a small team to track down one of the masterminds behind the USS Cole bombing: a high-ranking Al Qaeda operative known as The Panther. Ruthless and elusive, he's wanted for multiple terrorist acts and murders—and the U.S. government is determined to bring him down, no matter the cost. As latecomers to a deadly game, John and Kate don't know the rules, the players, or the score. What they do know is that there is more to their assignment than meets the eye—and that the hunters are about to become the hunted. Filled with breathtaking plot turns and told in John Corey's inimitable voice, *The Panther* is a brilliant depiction of one of the most treacherous countries in the world and raises disturbing questions about whether we can ever know who our enemies - or our allies - really are.

The Gate House Nelson DeMille, 2017-09-26 #1 NEW YORK TIMES BESTSELLER A master at keeping the reader hanging on to see what happens next. - Associated Press When John Sutter's aristocratic wife killed her mafia don lover, John left America and set out in his sailboat on a three-year journey around the world, eventually settling in London. Now, ten years later, he has come home to the Gold Coast, that stretch of land on the North Shore of Long Island that once held the greatest concentration of wealth and power in America, to attend the imminent funeral of an old family servant. Taking up temporary residence in the gatehouse of Stanhope Hall, John finds himself living only a quarter of a mile from Susan who has

also returned to Long Island. But Susan isn't the only person from John's past who has reemerged: Though Frank Bellarosa, infamous Mafia don and Susan's ex-lover, is long dead, his son, Anthony, is alive and well, and intent on two missions: Drawing John back into the violent world of the Bellarosa family, and exacting revenge on his father's murderer--Susan Sutter. At the same time, John and Susan's mutual attraction resurfaces and old passions begin to reignite, and John finds himself pulled deeper into a familiar web of seduction and betrayal. In *THE GATE HOUSE*, acclaimed author Nelson DeMille brings us back to that fabled spot on the North Shore -- a place where past, present, and future collides with often unexpected results.

Word of Honor Nelson DeMille, 2001-04-01 Read the gripping story of a Vietnam vet whose secret past threatens his family, career, and honor, from the #1 New York Times bestselling author whose books have sold over 50 million copies worldwide, and is a true master (Dan Brown). He is a good man, a brilliant corporate executive, an honest, handsome family man admired by men and desired by women. But sixteen years ago Ben Tyson was a lieutenant in Vietnam. There, in 1968, the men under his command committed a murderous atrocity-and together swore never to tell the world what they had done. Not the press, army justice, and the events he tried to forget have caught up with Ben Tyson. His family, his career, and his personal sense of honor hang in the balance. And only one woman can reveal the truth of his past--and set him free.

The Triumph of the Thriller Patrick Anderson, 2007-02-06 There's been a revolution in American popular fiction. The writers who dominated the bestseller lists a generation ago with blockbuster novels about movie stars and exotic foreign lands have been replaced by a new generation writing a new kind of bestseller, one that hooks readers with crime, suspense, and ever-increasing violence. Patrick Anderson, The Washington Post's man on the thriller beat, calls this revolution "the triumph of the thriller," and lists among its stars Thomas Harris, Michael Connelly, George Pelecanos, Dennis Lehane, Sue Grafton, and Elmore Leonard. In his provocative, caustic, and often hilarious survey of today's popular fiction, Anderson shows us who the best thriller writers are--and the worst. He shows how Michael Connelly was inspired by Raymond Chandler, how George Pelecanos toiled in obscurity while he mastered his craft, how Sue Grafton created the first great woman private eye, and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover. Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers. He casts a cold eye on Tom Clancy's militaristic techno-thrillers, and praises Alan Furst and Robert Littell as world-class spy novelists. He examines the pioneering role of Lawrence Sanders, the offbeat appeal of Dean Koontz, the unprecedented success of *The Da Vinci Code*, and the emergence of the literary thriller. Most of all, Anderson demands that the best of these novelists be given their due--not as genre writers, but as some of the most talented men and women at work in American fiction. Don't trust the literary elites to tell you what to read, he warns--make up your own minds. *The Triumph of the Thriller* will convince many readers that we've entered an important new

era in popular fiction. This book can be your guide to it.

Mayday Nelson DeMille, Thomas Block, 2002-06-01 Fascinating and furiously paced...unrelenting suspense. - New York Times Book Review [DeMille is] a true master. - Dan Brown, #1 bestselling author of The Da Vinci Code Twelve miles above the Pacific Ocean, a missile strikes a jumbo passenger jet. The flight crew is crippled or dead. Now, defying both nature and man, three survivors must achieve the impossible. Land the plane. From master storyteller Nelson DeMille and master pilot Thomas Block comes Mayday the classic bestseller that packs a supersonic shock at every turn of the page . . . the most terrifyingly realistic air disaster thriller ever. Like a growing tidal wave, the escaping air was gathering momentum. A teenaged girl in aisle 18, seat D, near the port-side aisle, her seat dislocated by the original impact, suddenly found herself gripping her seat track on the floor, her overturned seat still strapped to her body. The seatbelt failed and the seat shot down the aisle. She lost her grip and was dragged after it. Her eyes were filled with horror as she dug her nails into the carpet, as the racing air pulled her toward the yawning hole that led outside. Her cries were unheard by even those passengers who sat barely inches away from her struggle. The noise of the escaping air was so loud that it was no longer decipherable as sound, but seemed instead a solid thing pounding at the people in their seats . . .

The Deserter Nelson DeMille, Alex DeMille, 2020-12-01 This instant New York Times bestseller and “outstanding” (Publishers Weekly, starred review) thriller features a brilliant and unorthodox Army investigator, his enigmatic female partner, and their hunt for the Army’s most notorious—and dangerous—deserter. When Captain Kyle Mercer of the Army’s elite Delta Force disappeared from his post in Afghanistan, a video released by his Taliban captors made international headlines. But circumstances were murky: did Mercer desert before he was captured? Then a second video sent to Mercer’s Army commanders leaves no doubt: the trained assassin and keeper of classified Army intelligence has disappeared. When Mercer is spotted a year later in Caracas, Venezuela, top military brass task Scott Brodie and Maggie Taylor of the Criminal Investigation Division to bring Mercer back to America—preferably alive. Brodie knows this is a difficult mission, made more difficult by his new partner’s inexperience, by their undeniable chemistry, and by Brodie’s suspicion that Maggie Taylor is reporting to the CIA. With ripped-from-the-headlines appeal, an exotic and dangerous locale, and the hairpin twists and inimitable humor that are signature DeMille, *The Deserter* is the first in a timely and thrilling new series from an unbeatable team of True Masters: the #1 New York Times bestseller Nelson DeMille and his son, award-winning screenwriter Alex DeMille.

Plum Island Nelson DeMille, 2003-06-01 #1 NEW YORK TIMES BESTSELLER CELEBRATING THE 20th ANNIVERSARY WITH A NEW FOREWORD BY THE AUTHOR Wounded in the line of duty, NYPD homicide detective John Corey convalesces in the Long Island township of Southold, home to farmers, fishermen -- and at least one killer. Tom and Judy Gordon, a young, attractive couple Corey knows, have been found on their patio, each with a bullet in the head. The local police chief,

Sylvester Maxwell, wants Corey's big-city expertise, but Maxwell gets more than he bargained for. John Corey doesn't like mysteries, which is why he likes to solve them. His investigations lead him into the lore, legends, and ancient secrets of northern Long Island -- more deadly and more dangerous than he could ever have imagined. During his journey of discovery, he meets two remarkable women, Detective Beth Penrose and Mayflower descendant Emma Whitestone, both of whom change his life irrevocably. Ultimately, through his understanding of the murders, John Corey comes to understand himself. Fast-paced and atmospheric, marked by entrancing characters, incandescent storytelling, and brilliant comic touches, Plum Island is Nelson DeMille at his thrill-inducing best.

Three Complete Novels Nelson DeMille,1992 Three complete novels: Word of Honor--Cathedral--By the Rivers of Babylon.

Death Benefits Nelson DeMille,2012-08-01 Read this tale of death and wealth from New York Times bestselling author Nelson DeMille as a crime writer on the brink makes a drastic decision, pitting him against his agent and the law as he finds out that writing crime is easier than committing it. A digital short story from New York Times bestselling author Nelson DeMille that also includes a preview from his upcoming novel, The Panther Bestselling author Jack Henry is suddenly on the brink of bankruptcy. With bills mounting and the IRS calling, he realizes that he has a major problem on his hands. But who is to blame for his declining fortunes? Certainly not Jack himself. The fault, he determines, lies with his agent, Stan Wycoff - who takes 15% of everything Jack makes for doing absolutely nothing. Jack needs a way out of his dire financial predicament - and fast. And then he remembers that both he and his agent have substantial life insurance policies on one another. If Stan were to die unexpectedly, Jack would cash in... But can a famous crime writer commit the perfect crime?

Wild Fire Nelson DeMille,2006 A group of Vietnam Vets who still keep in touch: the Custer Hill Club. They are prepared to attack foreign countries if America is attacked and their current rule is that if an Islamic country attacks America, then all Islamic countries will be nuked - thus deterring Korea, China or other countries having similar ideas against the US. The Custer Hill Club gets more ambitious and aggressive. The men decide to choose an American city to attack themselves, pretending it is an Islamic terrorist attack (either San Francisco or LA, the reader won't know) in order for them to be able to nuke Mecca, the Aswan Dam and many other places. America will rule the world!

The Charm School Nelson DeMille,2001-04-01 True master and #1 New York Times bestselling author Nelson DeMille presents a chilling, relentlessly suspenseful story of Cold War espionage perfect for fans of the hit FX show The Americans (Dan Brown). On a dark road deep inside the Russian woods at Borodino, a young American tourist picks up an unusual passenger with an explosive secret: an U.S. POW on the run from The Charm School, a sinister operation where American POWs teach young KBG agents how to be model U.S. citizens. Their goal? To infiltrate the United States undetected. With this horrifying conspiracy revealed, the CIA sets an investigation in motion, and three Americans--an Air Force officer, an

embassy liaison, a CIA chief--pit themselves against the country's enemies in a high-powered game of international intrigue.
