**The Autobiography of Benvenuto Cellini** Benvenuto Cellini, 2010-01-01 Originally published between 1909 and 1917 under the name Harvard Classics, this stupendous 51-volume set—a collection of the greatest writings from literature, philosophy, history, and mythology—was assembled by American academic CHARLES WILLIAM ELIOT (1834-1926), Harvard University's longest-serving president. Also known as Dr. Eliot's Five Foot Shelf, it represented Eliot's belief that a basic liberal education could be gleaned by reading from an anthology of works that could fit on five feet of bookshelf. Volume

XXXI is considered one of the greatest autobiographies ever written, by Italian BENVENUTO CELLINI (1500-1571). Literally a Renaissance man, making a name for himself as an artist, soldier, and musician-his works are still readily found all over European museums and public places-he is perhaps most famous for his life story. Highly readable and hugely entertaining, it is replete with tales of illicit romance, murder, angelic visions, his own poisoning, and many other salacious affairs.

*My Life* Benvenuto Cellini,2002 Thus spoke Pope Paul III on learning that Cellini had murdered a fellow artist, so great was Cellini's reputation in Renaissance Italy. A renowned sculptor and goldsmith, whose works include the famous salt-cellar made for the King of France, and the statue of Perseus with the head of the Medusa, Cellini's life was as vivid and enthralling as his creations.

*Italian Literature before 1900 in English Translation* Robin Healey,2011-12-15 Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English, and published between 1929 and 2008. It lists works from all genres and subjects, and includes translations wherever they have appeared across the globe. In this annotated bibliography, Robin Healey covers over 5,200 distinct editions of pre-1900 Italian writings. Most entries are accompanied by useful notes providing information on authors, works, translators, and how the translations were received. Among the works by over 1,500 authors represented in this volume are hundreds of editions by Italy's most translated authors - Dante Alighieri, Machiavelli, and Boccaccio - and other hundreds which represent the author's only English translation. A significant number of entries describe works originally published in Latin. Together with Healey's Twentieth-Century Italian Literature in English Translation, this volume makes comprehensive information on

translations accessible for schools, libraries, and those interested in comparative literature.
