**Gender in Lorraine Hansberry's A Raisin in the Sun** Gary Wiener, 2011-02-10 The landmark play A Raisin in the Sun takes its title from a Langston Hughes poem which poses the questions What happens to a dream deferred? Does it dry up like a raisin in the sun? Focusing on a working-class African-American family in Chicago who save enough to purchase either a business in a black neighborhood or a house in a white neighborhood, the play exposes issues of racism and gender as the women of the family make important decisions that push against both racial and gender lines. This volume discusses gender in the play, looking at how the female characters fight both racism and male chauvinism, how the play is dominated by strong female characters, and how characters resist the stereotype of the emasculating female. The book also presents contemporary perspectives on race and feminism in the twenty-first century. Contributors include Barbara Ehrenreich, Jewelle L. Gomez, and Sharon Friedman.

**CliffsNotes on Hansberry's A Raisin in the Sun** Rosetta James, 1992-08-29 The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also feature glossaries and visual elements that complement the classic, familiar format. A Raisin in the Sun debuted in the spring of 1959 and has since been translated into more than 30 languages. It is the story of a poor black family struggling to become part of the middle class. Family hardships test the faith of all involved and the result is unexpected and filled with heartbreak. CliffsNotes on A Raisin in the Sun helps you explore this play by providing you with summaries and commentaries, chapter by chapter. You'll also gain insight into the author Lorraine Vivian Hansberry. Other features that help you study include A list of characters and their descriptions A genealogy chart to illustrate the relationships between the characters Glossaries to help you fully understand the novel Critical essays on thematic structure, language and style, and more Suggested essay topics and related research projects for more study Classic literature or modern modern-day treasure — you'll understand it all with expert information and insight from CliffsNotes study guides.

Legacies of Christian Language and Literacies in American Education Mary M. Juzwik, Jennifer C. Stone, Kevin J. Burke, Denise Dávila, 2019-10-23 Because spiritual life and religious participation are widespread human and cultural phenomena, these experiences unsurprisingly find their way into English language arts curriculum, learning, teaching, and teacher education work. Yet many public school literacy teachers and secondary teacher educators feel unsure how to

engage religious and spiritual topics and responses in their classrooms. This volume responds to this challenge with an in-depth exploration of diverse experiences and perspectives on Christianity within American education. Authors not only examine how Christianity – the historically dominant religion in American society – shapes languaging and literacies in schooling and other educational spaces, but they also imagine how these relations might be reconfigured. From curricula to classroom practice, from narratives of teacher education to youth coming-to-faith, chapters vivify how spiritual lives, beliefs, practices, communities, and religious traditions interact with linguistic and literate practices and pedagogies. In relating legacies of Christian languaging and literacies to urgent issues including White supremacy, sexism and homophobia, and the politics of exclusion, the volume enacts and invites inclusive relational configurations within and across the myriad American Christian sub-cultures coming to bear on English language arts curriculum, teaching, and learning. This courageous collection contributes to an emerging scholarly literature at the intersection of language and literacy teaching and learning, religious literacy, curriculum studies, teacher education, and youth studies. It will speak to teacher educators, scholars, secondary school teachers, and graduate and postgraduate students, among others.

Du Bois on the Talented Tenth Matthew Henson on reaching the North Pole Harriot Jacobs on running away James Cameron on escaping a mob lynching Alvin Ailey on the world of dance Langston Hughes on the Harlem Renaissance Curtis Morriw on the Korean War Max ROach on jazz as a four-letter word LL Cool J on rap Mary Church Terrell on the Chicago World's Fair Rev. Bernice King on the future of Black America And many others.

*In the Company of My Sisters* Julia A. Boyd, 1997-02-01 NATIONAL BESTSELLER WINNER OF THE BLACKBOARD NONFICTION BOOK OF THE YEAR Learn to love yourself in this wise, funny, insightful pocket-sized guide—the first book by a Black psychotherapist to address the issue of self-esteem in Black women’s lives. A collection of conversational narratives from a diverse range of unique voices, *In the Company of My Sisters* explores what it means to have self-esteem as a Black woman in the world today, confronting entrenched, internalized assumptions and offering new, empowering perspectives in their place. “I wrote this book to validate and celebrate who we are,” Boyd has said. “We have been the recipients of many distorted messages about our ethnicity and our femaleness.” With this thesis in mind, Boyd has drawn from a wealth of

experience—her own and that of her “sister circle”—to take a hard and honest look at the realities and issues Black women face, and in this anthology of their stories, you can discover a new and validating pathway forward toward higher self-esteem. “Practical, hilarious, and common sense advice for self-care and self-recovery.”—Common Boundary

**Contemporary Literary Criticism** Roger Matuz, 1991-01-31 Entries include critical commentary, brief biographical information, a portrait when available, a list of principal works, and may also include a further reading section.

**And Do Remember Me** Marita Golden, 1994-07-19 Two women and the men they love survive the tumultuous years of the civil rights movement.

*Time's Disease* R.S. Ebert, 2012-08-14 When a young prophetess is rescued from genocide by a retired veteran, our prolific duo teams up with a sultry bounty hunter who falls for any heroic heart. Old comrades unite amid the chaotic collapse of a world power, and rebel armies form new alliances. A princess learns of her true heritage while tribes waken powers of olden. A practitioner of occult science self-fulfills temple prophecy by resurrecting his father from the grave, only to realize the Free People he despises have become his only salvation. Many believe these inevitable events were written in the stars from the dawn of time, and prophets are merely observant students of precession who study repetitive patterns within endless successions of natural cycles. Others say it is impossible to predict legendary incidents which happened before and are destined to occur again. Civilizations have come and gone, leaving historical warnings carved on ancient walls. Unheeded and forgotten by myth, eras are reborn to rise and fall until there comes an age when every god's immortality nears its end. Set in a post-apocalyptic future, *Time's Disease* offers the classical allure of mythology with enduring messages very relevant to current events. Futuristic themes revolve around castle landscapes to create this novel recipe: a dash of mysticism, sprinkled by romance and topped by spatters of horror. Sup from hopes cup amid epic tragedy, to partake of this bold tale. Revealed by Illiana Rhea and told by the very characters themselves, this is *Laurent In Chains*.

*In the Dark of the Moon* Suzanne Hudson, 2005 A book about Southern mores and racial tensions in the early sixties. A host of colorful characters.

*Awaken My Heart* DiAnn Mills, 2009-10-13 1803, Texas . . . The daughter of a wealthy rancher, Marianne Phillips has never agreed with her father's harsh treatment of the mestizos who first called Texas their home. When she is kidnapped by rebels who hope that her father will trade back their land for her freedom, Marianne realizes her loyalty lies with her abductors, not her father, who plans to marry her off to the don of a nearby estate. Armando Garcia is the locals' reluctant leader, but he does not approve of the latest attempt to manipulate their enemy. When he learns that Marianne actually speaks his language, of her loyalty to his people, and of the faith that keeps her strong, Armando is faced with a difficult decision. Will his newfound love keep him from letting her go? Or will he set her free and risk losing everything?

**Orphan Street** André Langevin,1976 Une chaîne dans le parc, c'est un splendide éloge de l'enfance et c'est plus que cela ; c'est aussi et surtout, il me semble, l'éloge de la liberté qui loge dans la tête. Avec des mots, un style, des personnages et une histoire qui ne disent que oui à tout, à la pluie et au soleil, à la tendresse et à la révolte. André Langevin, dans ce roman qui est un chef-d'œuvre, dit non à la condition humaine, pour mieux dire oui à l'homme. La littérature sert encore à quelque chose...

**Burn & Learn, Or, Memoirs of the Cenozoic Era** Eric Paul Shaffer,2009 Burn & Learn is a wild tale of five friends attending college, drinking coffee at the Frontier Restaurant, and learning the wisdom of the ages, the era, and the street in Albuquerque, New Mexico.
