

# Woyzeck Leonce Und Lena

**Brian Keith-Smith, Ken Mills**

**Woyzeck. Leonce und Lena** Georg Büchner, 2012-07-09 Das Erscheinen der lang erwarteten Studienausgabe von Büchners »Leonce und Lena« mit dem historisch-kritischen Text im Jahr 2003 ermöglicht nun auch endlich, die bewährte Doppelausgabe für die Schule von »Woyzeck« und »Leonce und Lena« auf die solide Textgrundlage zu stellen. Wir bieten damit die beiden in der Schule viel gelesenen Werke orthographisch behutsam modernisiert, in moderat angewandter neuer Rechtschreibung, mit jeweils dem Text des fragmentarisch überlieferten »Woyzeck« und des mehrfach zensierten »Leonce und Lena«, der dem Stand der neueren Büchnerforschung entspricht.

**Woyzeck; Leonce and Lena** Georg Büchner, 2016-05-16 THE STORIES: WOYZECK is the first lower-class tragic hero, and he is the first psychotic hero in dramatic literature. But Woyzeck is truly a victim. This unique classic is based on the true case of a soldier who killed his common-law wife and was executed when his plea of insanity was rejected by the courts. (12 men, 5 women, doubling) LEONCE AND LENA is a fractured fairytale for grownups, in which King Peter of the kingdom of Tushee has arranged a marriage between his son, Prince Leonce, and Princess Lena of the kingdom of Wee-wee. But the young prince is determined not to marry at all, unless it is for love. Refusing to bow to custom, he disguises himself as a common man and sets off on a journey with his drunken fool, Valerio. The two vagabonds accidentally bump into Lena and her governess, who are also disguised. The prince and the princess fall in love, not knowing the true identity of their mate. (4 men, 3 women, doubling.)

Danton's Death ; Leonce and Lena ; Woyzeck Georg Büchner, 1998 This collection of Büchner's three theatrical works includes Danton's Death, his great play about the French Revolution, Leonce and Lena, his black romantic comedy and Woyzeck, the unfinished work on which Alban Berg based his famous opera. All three works remained virtually unknown for half a century but today have found an important place in the modern repertory.

Woyzeck, and Leonce and Lena Georg Büchner, 1962

**Woyzeck, Ein Fragment** Georg Büchner, 1968

**Georg Büchner**, 2017-03-06 Georg Büchner: Contemporary Perspectives examines the continuing relevance of Büchner in the early twenty-first century in terms of politics, science, philosophy, aesthetics, cultural studies and performance studies. It situates Büchner's interdisciplinary work in relation to the philosophical, scientific and religious discourses of his time,

while also investigating the ways in which Büchner's intersectional writings anticipated – sometimes uncannily – questions and problems which were to become central concerns in modernism and after. The nineteen essays in the book, some in English and some in German, uniquely combine close readings of individual passages and images with wide-ranging intertextual comparisons, linking Büchner to more than twenty-five writers, thinkers and theoreticians from his time and ours. Der Band Georg Büchner: Contemporary Perspectives beschäftigt sich mit Büchners anhaltender Aktualität in den Bereichen Politik, Naturwissenschaft, Philosophie, Ästhetik, Kulturwissenschaft und Theater. Er setzt Büchners interdisziplinäres Werk in Beziehung zu den philosophischen, naturwissenschaftlichen und religiösen Themen seiner Zeit, untersucht aber auch wie sein Schreiben auf manchmal verblüffende Weise Fragen und Probleme vorwegnimmt, die für die Moderne und die Nachmoderne bis zum heutigen Tag zentral werden sollten. Die neunzehn, teils auf Englisch, teils auf Deutsch verfassten Beiträge zeichnen sich dadurch aus, dass sie eingehende Einzelinterpretationen bestimmter Werkstellen mit weitreichenden intertextuellen Bezügen zu mehr als 25 SchriftstellerInnen, KünstlerInnen, DenkerInnen, und TheoretikerInnen verbinden.

*Encyclopedia of Literary Translation Into English: A-L* O. Classe, 2000

Commitment and Compassion, 2015-06-24 The writer, scientist, philosopher, and radical democrat Georg Büchner (1813-1837) occupies a unique place in the cultural legacy of the German-speaking countries. Born into an epoch of inevitable, yet arrested historical transition, Büchner produced a small but exceptionally rich body of work. This collection of essays in English and in German considers the full spectrum of his writings, the political pamphlet *Der Hessische Landbote*, the dramas *Danton's Tod*, *Leonce und Lena*, *Woyzeck*, and the fragmentary narrative *Lenz*, as well as the letters, the philosophical lectures on Descartes and Spinoza, and the scientific texts. The essays examine connections between these works, study texts in detail, debate ways of editing them, and trace their reception in contemporary literature and film. The novel readings presented here not only celebrate Büchner on the eve of his bicentenary birthday but also insert this untimely figure into discussions of the revolution-restoration dynamic and realism in poetics and politics.

Landmarks in German Comedy Peter Hutchinson, 2006 Public demand for comedy has always been high in the German-speaking countries, but the number of comic dramas that have survived is relatively small. Those which are still read or regularly performed all have a serious purpose, and this collection of fourteen essays on the most distinguished of them shows how laughter can be exploited to treat personal, moral, and social problems in a way that would not be possible in

tragedy. The texts range from the seventeenth to the late twentieth century, and no fewer than half of them are by Austrian writers. The contributors show how these plays are often subversive, regularly arousing an uncomfortable, self-challenging laughter, and how they treat such widely ranging subjects as language and communication, the complications of the sex drive, the inflexibility of the Prussian mind, and the behaviour of Austrian celebrities during the Third Reich. The essays are all written by specialists in the field and were originally delivered as lectures in the University of Cambridge.

**The British Library General Catalogue of Printed Books to 1975** British Library, 1977

*Woyzeck* Georg Büchner, 1959

German Literature in English Translation Patrick O'Neill, 1981

**Georg Büchner** John Reddick, 1994 Unflagging revolutionary, closet Christian, extreme nihilist? Different periods and critics have interpreted Georg Buchner in a variety of ways. Although he died when only twenty-three, Buchner's handful of works count among the greatest achievements of modern German writing, and seem to speak with ever greater power and immediacy. This is the first major new study of Buchner in English for nearly twenty years, and it includes original readings of works such as *Dantons Tod*, *Leonce und Lena*, and *Woyzeck*. John Reddick provocatively argues that Buchner was aesthetically so far ahead of his time mainly because he was seriously behind the times in his essentially idealist premises and aspirations.
