The Sports Hall of Fame Encyclopedia Dave Blevins,2011-12-23 In 1936, the Baseball Hall of Fame was established to honor the legends of the sport. The first inductees were some of the greatest names of the dugout, including Ty Cobb and Babe Ruth. Less than ten years later, in 1945, the Hockey Hall of Fame inducted its first members. The Soccer Hall of Fame was established in 1950, followed by the Basketball Hall of Fame in 1959, and the Football Hall of Fame in 1963. In all, more than 1,400 inductees—players, teams, and behind the scenes personnel—have been enshrined in these five halls of fame. The Sports Hall of Fame Encyclopedia is a comprehensive listing of each inductee elected into one or more of these major sports halls of fame. From Hank Aaron to Fred Zollner, this book contains biographical information, sport and position(s) played, and career statistics (when applicable) of each of the more than 1,400 honorees. The book also includes specific appendixes for each shrine, in which inductees are listed alphabetically and by year of induction. Also included are appendixes briefly describing the history of each hall of fame.

The A to Z of the Olympic Movement Bill Mallon,Ian Buchanan,2007 The Olympic Games bring together thousands of athletes, competing in over 40 sports, and representing over 200 nations. But that is just the surface, for none of this would be possible without the constant efforts of an incredible organization consisting of tens of thousands of sports lovers united in sports associations, National Olympic Committees, and the International Olympic Committee. The A to Z of the Olympic Movement deals with both levels of the competition: the competitive side and the administrative side. This is accomplished through a bibliography; two chronologies--one tracing the history of the Ancient Olympiad and the other tracing the Modern Games; appendixes providing facts on the Games, the officials, the torchbearers, and the top Olympic medal winners; and hundreds of cross-referenced dictionary entries on the major sports, more outstanding athletes, participating countries and numerous bodies in the organization as well as successive generations of officials--starting with the founder, Pierre de Coubertin.
