Daredevil Book for Golfers Tim Glynne-Jones,2012-10-10 Golf is a traditional gentleman's sport practised on fairways from Atlanta to Zambia (where they have browns as well as greens). But behind all the hierarchy, club rules and etiquette, what's really going through a golfer's mind on the first tee? The Daredevil Book for Golfers takes a sideways look at the sport and finds an awful lot of people aching to win at any cost.

With God on the Golf Course Phil Callaway,2002-07-01 Although popular author Phil Callaway offers no guarantee for a lower golf score, he does offer 40 short devotionals full of warm, humorous, and enjoyable reflections on the sport Mark Twain called a good walk ruined. This isn't a book about the mechanics of golf. Thousands of those are already available. This is a book about life. Golf is a useful game, teaching us more about life and faith than we think...if we will only listen. Phil Callaway Duffers old and young will appreciate the wisdom and grace found in this a new addition to the Outdoor Insights pocket devotional series. A great read while waiting at the tee, in the clubhouse, or during a quiet evening at home.

Golf, A Very Peculiar History David Arscott,2011-12-13 Golf, A Very Peculiar History' takes a sideways look at one of Britain's greatest exports, tracing its history from the earliest ball-in-hole games right up to the scandals that rock its current celebrities and tournaments, with a fair few mulligans in between. From its origins as a strictly men-only, exclusive sport, golf has matured a great deal through the ages and has distanced itself from the elitist pursuit it once was, today allowing players from all creeds and sexes. This ebook takes a look at how these prejudices have (sometimes) been overcome, while indulging you with some of the bizzarrest stories known to the world of golf. Just remember, it's not always the caddie's fault...

May God Bless You Joel Jimenez,2010-11-29 A sundry collection of interesting articles, insights, songs, and Bible passages, May God Bless You: Be a Fisher of Men is a compelling book, in colored and black and white formats, that lifts readers up by allowing them to feel the presence of God and remember His teachings at all time. Moved by the power of the Holy Spirit, author Jimenez makes this an unforgettable read as he distinctively presents the contents of this book in a unique format. Each chapter is deftly woven to explore and elaborate spiritual virtues such as faith, love, and hope through the use of acrostics a form of writing in which the first letter, syllable or word of each line, paragraph or other recurring feature in the text is spelled out a word or a message. Aside from spiritual nuggets, this book has a little bit of everything else. It includes witty and mundane quips and quotes, exceptional mementos of the author's younger years, pictures of inspiration, and a bit of his native country, the Philippines. An uplifting read for those who are depressed, an easy-read for those who want a good laugh, and an answer for those whose minds are perplexed, May God Bless You: Be a Fisher of Men definitely leaves a permanent mark in the reader's mind.
