The Indochina Chronicles Phil Karber,2005 From old Viet Cong guerrillas to the new tycoons of Saigon, from hookers and highwaymen to bartenders and ambassadors, Phil Karber has met them all--and had a drink with most. Nobody knows the red states of Indochina better than Phil Karber. This book is sweeping, provocative, and poignant.--Mark McDonald, Foreign correspondent, Knight Rider

Dräshk Mun Rá Michael R. dos Santos,2025-04-12 Dräshk Mun Rá é uma obra subsequente de Svärdblooddanser e Götterdämmerung, embora não importa sua ordem de leitura, todos eles contem poemas e light novels que são em lugares diferentes e temporalmente distintos. Aqui é contada a história de Hunor, um dos maiores guerreiros de Pattania, professor de Árpád em Götterdämmerung e talvez um dos mais fortes de todo esse universo, sendo capaz de lutar e derrotar um dos cinco Vanirs, o que é um feito impressionante e sua história é uma das mais pesadas e de maior sofrimento. O poema Memórias de um Viajante tem uma inspiração cronologicamente nas pinturas de Van Gogh, parece um conceito estranho, mas usei as pinturas desse autor tão célebre para guiar a história num estilo Wuxia e Murim como sempre. E creio que funcionou bem, embora não percorri todas elas é legal fazer isso, pois é bem aleatório os acontecimentos. O último poema é Arthuriano, é o começo de uma Saga em moldes Arthurianos começando com Brutus que na obra de Geoffrey de Monmouth é tão bem representado (mais que o Arthur quase), mas é completamente diferente, no fim virou um romance num estilo Shadow of The Colossus, se isso te fizer sentido. No fim, foi bem divertido escrever essa obra, talvez mais que as outras duas.

It is a very good sample of the main trends and progress of current biblical research on masoretic tradition, Hebrew philology, textual criticism, literary criticism (especially in prophetic books), ancient Judaism, formation of the collections of Ancient Scriptures, and biblical themes (especially according to the orthodox tradition of interpretation).
