An Ocean in One Drop Mariam Hakim, 2020-04-22 An Ocean in One Drop is a children's picture book retelling the ancient Islamic tale of Hajar's desert struggle to find water for her infant son. This story is revered by Muslims worldwide and is honoured within the Hajj and Umrah pilgrimage. Jamila's grandmother has returned from Hajj with some wondrous Zamzam water! Join Jamila on a storytelling adventure as she learns about this water and how it connects to Hajar – the woman at the heart of Hajj. Pilgrims reflect on Hajar's story through the Sa'ee; a ritual where they follow in her footsteps running between two large hills seven times. Using poetic rhyming couplets and stunning water colour visuals, this children's book explores the importance of this story through the opposing themes of water and desert, life and death, and ancient heritage in modern times. The book promotes the power of women's narratives so that future generations can transcend gender inequality and injustice. Background story An Ocean in One Drop children's book is based on an ancient Islamic story about the family of prophet Ibrahim (AS), the origins of the 'Zamzam' well and the establishment of early Makkah – the site of Islam's holiest city. Muslims believe that thousands of years ago prophet Ibrahim (AS) was told by Allah to travel towards a desert land (now known as Makkah) with his wife Hajar (AS) and his infant son Isma'il (AS). He was told to leave them in this area and, although they were not sure why, they had faith that this was part of Allah's bigger plan. The Sa'ee part within the Islamic pilgrimage at Makkah remembers Hajar's (AS) struggle to find water and help in the desert once Prophet Ibrahim (AS) had left them. The story is based on a Hadith narrated by Ibn Abbas, one of Prophet Muhammad's (SAW) cousins. Sahih al-Bukhari 3365.

The Weekly Khutbah Volume 1: 2013-2014 Saiyan Islam, 2016-02-06 Every week Friday comes and for us Muslims, Friday is very crucial in the sense we have our Jummah prayers. Along with the Jummah prayers we have our weekly sermons. What happens is that most of us tend to forget the sermons delivered by the Imams. So I thought of this system of writing down all the sermons so that the knowledge we gain gets preserved. Furthermore the sisters who are mostly unable to attend the Jummah prayer in many countries do not get the chance to learn from the weekly sermons. The males can easily

record their learning and teach the women at their home. All the sermons are from the Imams from the Masjids I attend weekly and the Hadiths mentioned are from their own sermons. Sometimes the Imams may tend to refer to weak Hadiths, I have tried my best to classify them as much as possible. May Allah have mercy upon us all and may we get guided to the Straight Path, Ameen.
