**David William Antonio**

**A Contemporary Handbook for Weddings & Funerals and Other Occasions** Keith Willhite, Dennis

Hillman, 2022-02-22 Guidance, advice, and ready-to-use sermons and services for the busy pastor Weddings and funerals are some of the most meaningful events in people's lives, and also some of the most challenging for the pastor to perform. Written with the needs of the busy pastor in mind, this popular and newly updated handbook includes everything necessary to conduct a variety of weddings and funerals, along with other common events such as Communion, baptisms, dedications, and ordinations. Helpful aids for weddings include services, vow renewals, messages, prayers, guidelines for vows, information on marriage laws, and, new in this edition, a service and message for second marriages. Guidance for funerals covers orders of service, quotations and reflections, and eulogies for a variety of circumstances, incorporating those with evangelistic appeal, untimely deaths, and suicide. New to this edition are funerals for service members, victims of violence, accidental deaths, cancer, and community tragedies. Additional new resources include blessing services for a home or special event and guidance for speaking at fraternal organizations. Pastors of all denominations will benefit from the services, advice, and resources in this sought-after handbook.

**An Inculturation Model of the Catholic Marriage Ritual** David William Antonio, 2002 In An Inculturation Model of the Catholic Marriage Ritual, David William Antonio presents a model of how the Catholic Ritual of Marriage may be adapted to the language, culture and traditions of a particular people, specifically, the Ilocanos of Northern Luzon in the Philippines. Vatican II called for the revision and adaptation of the rite of marriage, exhorting local churches to develop their own rites suited to their people's particular customs and traditions. The work of preparing a rite of marriage for a particular region cannot be limited to merely translating the typical edition. There has to be a thorough examination of both the *editio typica* and the people's religious and cultural traditions, the socio-economic and political realities that confront them, attending to the positive values expressed therein. Only a dialogical process such as this will guarantee a liturgy that is faithful to the Christian tradition and meaningful to a given people. An Inculturation Model of the Catholic Marriage Ritual will serve as a model for people of other cultures who have to do similar liturgical preparation and will be important especially to churches whose membership includes people who experienced colonization but never lost the riches of their own cultures in the blending of cultures and beliefs that followed.
