**Healing ~ I AM** Brenda Zyburt, 2014-12-17 The Healing of I AM Presence teaches you to understand the daily connection with the Omni Presence, your Spiritual Team, and your Higher Self. It also teaches how to self-heal with spirit and to understand you are a spiritual being that has a physical experience and that you should never forget you are one with the Omni Presence. You are so powerful, and it is your birthright to know who you are, from where you have come, and to where you will return. This book is written with the Omni Presence, the Cosmos and my Spiritual Team in order to teach humanity what has taken place upon Earth at all spiritual levels—from the darkest to the lightest—to enlighten your soul. This book aims to show you the 12 physical realms of the Universe, the 12 spiritual realms of Heaven, and the energy at each level. There are over 233 pictures of my Spiritual Team to teach you to understand and believe in what you cannot see, to help you open to the Omni Presence and our higher realms, and to return to who you truly are as a spiritual being from the heavenly realms. "I AM grounded, I AM light, and I AM love with peace in my heart and gratitude in my heart for all. Let the love and light shine through to all on the planet Earth," said the Omni Presence. **Getting Past the Tears** K.L. Smith, 2020-02-07 *Getting Past the Tears* is a fictional novel that tells of how lives were affected by the war in Vietnam. It is set in Eastern North Carolina and Southern Virginia during the late 1960s and into the twenty-first century. It is the fifth and final book in the series. *Getting Past the Tears* continues the story where *Gardenia Lane* ends. Kay Peel was happily married to her childhood sweetheart. Their lives were interrupted when her husband was drafted into the army and deployed to Vietnam. When the messengers arrived to notify Kay that her husband had been killed in action, she felt cheated out of the life they had planned. She leans on God, her friends, and her late husband's family to help her through her grief and broken heart. She decides to concentrate on her job as a registered nurse and close her heart to love to avoid having her heart broken again. Quint Sterling is a handsome doctor who had served in Vietnam. When he returned home from Vietnam, he found that his wife had not waited for him. He was welcomed home with divorce papers. His heart and dreams were shattered. He swore off women for fear of being hurt again. God has other plans for Kay and Quint. When the pretty young widow and the handsome doctor meet, there is an instant attraction between them. Even though Quint is fifteen years older than Kay, the couple bonds. It is as if their broken hearts reach out to each other. Neither of them is looking for love. They become close friends. Their friendship becomes the most important part of their lives. This is a story of how love can mend broken hearts and restore broken dreams. Through God's love, the couple realizes that what's gone is gone. Their hearts heal by letting go of the past and moving forward in love. True love conquers all. They find that love is more joyful the second time around.
