**The Little Liar** Mitch Albom, 2023-11-14 Eleven-year-old Nico Crispi never told a lie. When the Nazi's invade his home in Salonika, Greece, the trustworthy boy is discovered by a German officer, who offers him a chance to save his family. All Nico has to do is convince his fellow Jewish residents to board trains heading towards the east where they are promised jobs and safety. Unaware that this is all a cruel ruse, the innocent boy goes to the station platform every day and reassures the passengers that the journey is safe. But when the final train is at the station, Nico sees his family being loaded into a large boxcar crowded with other neighbors. Only after it is too late does Nico discover that he helped send the people he loved--and all the others--to their doom at Auschwitz. Nico never tells the truth again.

**Surviving the Survivor** Joel Z. Waldman,2024-05-14 “Karmela’s story is moving and inspirational, and one every young person should be reminded of.” —Mitch Albom, Author of The Little Liar Karmela Waldman is an eighty-something psychotherapist and Holocaust survivor. Her son, Joel Waldman, is a successful broadcast journalist. After a discontented Joel chooses to leave his network-news job, he gets a crazy idea for the next step in his career: What if he and his elderly mom did a podcast together? The two embark on creating a show together and name it Surviving the Survivor. Things get off to a bumpy start as the lovingly dysfunctional mother-son duo struggle to figure out the art of podcasting on the fly—sometimes feuding, sometimes laughing, and finally mastering the format and watching Surviving the Survivor break out as a wildly popular true-crime hit. Along the way, the two discover things about each other that they never knew. Joel is stunned to learn that Karmela survived World War II by hiding in a boys’ Catholic school. Karmela also sheds light on the emotional struggles she endured when Joel’s older brother, Rami, died of an incurable illness. She’s also struggling with the inevitable loss of her husband of sixty-three years, which she describes as the most difficult experience of her life. Mastering podcasting is one thing; figuring out the meaning of life is a challenge of an entirely different order. In real time and “on air,” mother and son engage frankly and movingly with each other for the first time as adults, discussing child-rearing, aging, illness, death, and the secrets to enjoying life no matter how complicated it gets.

O pequeno mentiroso Mitch Albom, 2025-01-03 Narrado pela voz da própria Verdade, este livro é uma comovente história sobre até onde somos capazes de ir em busca do perdão. Nico Krispis tem 11 anos e nunca contou uma mentira. Quando os nazistas invadem sua casa, em Salônica, na Grécia, o menino judeu se vê sozinho com um oficial alemão, que decide explorar sua inocência de maneira cruel. Ele é convencido de que poderá rever sua família se fizer um pequeno serviço por alguns dias: ir até a estação de trem e garantir aos judeus forçados a embarcar que todos estarão seguros em seus “novos lares”. Somente quando já é tarde demais, Nico descobre que ajudou a enviar a própria família – e milhares de outras pessoas – para a morte nos campos de extermínio. Ele nunca mais diz a verdade.

*Fridays with Landon* Richard McKenzie Neal, 2006-09-06 The words contained within the covers of this book are intended to speak to some of life's ups and downs. Life encompasses a multitude of components that require daily maintenance and/or management and your judgment in those areas will drive the direction of your existence. Life will, sooner or later, introduce you to the good, the bad, the ugly and everything in-between humor, joy, sadness and the always-present mystery. The author believes the words in this book to be universal although not universally spoken nor acknowledged. Richards odyssey has been continuous from the denial of his rural Arkansas roots to his acceptance in Phase Three. While the Greyhound bus physically transported him away from his disdain and provided the escape from his dysfunctional family, the relocation only skewed his perspective. California was a world apart from Arkansas, and without an education and/or a craft life would severely test the author's fortitude and determination. It would resemble a scavenger hunt as he chased his always-moving, always-fading demons for personal understanding. This book began simply enough as letters to his son (the second of two from the author's second marriage) who was/is also seeking self-understanding. The son was serving prison time for drug usage and drug-related crimes stemming from twenty years of abuse. Added to that, his son, Landon, is afflicted with epilepsy and the combination (epilepsy and heroin) can produce deadly consequences. His son's first letter not only requested that his father correspond with him, but that he fill in the gaps of his life his words were, Dad, I know nothing of you before our family. The father was taken aback he had rarely, if ever, thought about his past life much less verbalized it to others. Initially, as he

reflected on the request, he wondered if he even remembered anything about his pastor had he buried it so deeply (through denial) that he would never be able to resurrect the information that his son was requesting. The book chronicles the authors early years in Arkansas and his own drug abuse during his twenties as he struggled in California. The book reveals the authors insecurities regarding his lack of a formal education. How he created a facade to conceal his perceived deficiencies as he managed a challenging career (the majority of those years at the supervisory level) within the oil industry. One cannot read just one of the letters, encapsulated between the Foreword and the last page, and fully comprehend the purpose and/or intent of this collaboration between the writers present life and his long-buried past. Singularly, none of the enclosed correspondence is capable of standing alone but linked together, they provide a measure of insightfulness and understanding (you decide about what). There are common threads woven throughout the writing and there are also subliminal messages, advice, thoughts, insight, understanding, encouragements and reconciliation embedded within the dynamics of this endeavor. From the author: Landon and I have come a long way with our burdens; and while neither of us have arrived yet I believe we are both on the correct path and approaching the other side. But only time will tell

*Tuesdays with Morrie* Mitch Albom, 2017-03-27 Maybe it was a grandparent, or a teacher or a colleague. Someone older, patient and wise, who understood you when you were young and searching, and gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded. Wouldn't you like to see that person again, ask the bigger questions that still haunt you? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying of ALS - or motor neurone disease - Mitch visited Morrie in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final 'class': lessons in how to live. *TUESDAYS WITH MORRIE* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Маленький лжец Митч Элбом,2024-12-12 «Маленький лжец» – это не только история о трагедии еврейского народа и невинных жертвах, расставшихся с жизнями в немецких концалерях. Это история обо всех нас, тех, кто каждый день пытается отличить истину от лжи. Тех, кто хочет любить и быть любимыми. И тех, кто хочет знать, в чем же все-таки сила – в правде или в том, что мы ей считаем? Именно Правда, от лица которой ведется рассказ, поведает нам, как черное перекрасят в белое, как невероятную ложь представят истиной, как люди, оставшись без Правды, будут долго и мучительно будут ее искать. Правда откроет нам, какой храброй может быть актриса Голливуда, какой доброй деревенская портниха и каким трусом окажется нацист, бегущий крысиными тропами от расплаты.
