The Little Mermaid (Songbook) ,2008-08-01 (Vocal Selections). In a magical kingdom beneath the sea, a beautiful young mermaid named Ariel longs to leave her ocean home to live in the world above. But first, she'll have to defy her father the king of the sea to escape the clutches of an evil sea witch and convince a prince that she's the girl with the perfect voice. Based on one of the most beloved Disney films of all time and the classic Hans Christian Andersen fairy tale, The Little Mermaid is the sparkling new Disney musical that's poised to make a splash on Broadway. Some of Disney's most popular songs are featured in show including Part of Your World, Kiss the Girl, and the Academy Award-winning Best Original Song, Under the Sea by the songwriting team of 8-time Academy winner Alan Menken and the renowned Howard Ashman. The stage adaptation also features new songs by Menken and Glenn Slater, plus a book by Tony Award-winning playwright Doug Wright.

**Hey, Joey Journal** Colleen June Glatzel, 2017-09-14 After the psychologically scarring death of her father, wild child Rosie Dwyer is introduced to journal keeping. She initially considers this writing form to be cliché. Before the death, Rosie valued chaos and rebellion- from “protest-peeing” in class to shoving a Twinkie in a classmate’s eye. However, once Rosie gives into this mode of writing, a cathartic obsession begins. Her entries often focus on her childhood enemy, Logan Fields, after he becomes Rosie’s permanent peer editor in creative writing class. While Rosie loses touch with both loved ones and reality, an unlikely friendship builds between her and Logan. Together, they must try to find the meaning behind insanity--in the school theatre, in the public library, and in the middle of a false Apocalypse.

**One Train Later** Andy Summers, 2007-04-01 The train jerks to a halt, and as I get out at Oxford Circus, Stewart gets out with me. We look at each other, laugh, and make the standard remark about it being a small world. But this is the brilliant collision, one train later and it might all have turned out differently. In this extraordinary memoir, world-renowned guitarist Andy Summers provides a revealing and passionate account of a life dedicated to music. From his first guitar at age thirteen and his early days on the English music scene to the ascendancy of his band, the Police, Summers recounts his relationships and encounters with the Big Roll Band, Jimi Hendrix, Eric Clapton, the Animals, John Belushi, and others, all the while proving himself a master of telling detail and dramatic anecdote. But, of course, the early work is only part of the story, and Andy's account of his role as guitarist for the Police---a gig that was only confirmed by a chance encounter with drummer Stewart Copeland on a London train---has been long-awaited by music fans worldwide. The heights of fame that the Police achieved have rarely been duplicated, and the band's triumphs were rivaled only by the personal chaos that such success brought about, an insight never lost on Summers in the telling. Complete with never-before-published photos from Summers's personal collection, One Train Later is a constantly surprising and poignant memoir, and the work of a world-class musician and a first-class writer.
