Sleuths, Sidekicks and Stooges Joseph Green,Jim Finch,1997 This reference work on British and American crime, mystery and adventure fiction in English contains 7,000 entries, listed alphabetically by detective, providing information about sleuths, their sidekicks and their rivals. A broad definition of detective is used encompassing Batman, Sherlock Holmes, James Bond, Nero Wolfe and Hercule Poirot.

The code of civil procedure. The code of criminal procedure. The constitutions of the United States and South Carolina and rules of courts South Carolina,1923

Contemporary Feminist Pragmatism Maurice Hamington,Celia Bardwell-Jones,2012-08-21 The notion of feminist pragmatism or pragmatist feminism has been around since Charlene Haddock Seigfried introduced it two decades ago. However, the bulk of the work in this field has been directed toward recovering the feminist strain of classical American philosophy, largely through renewed interest in the work of Jane Addams. This exploration of the origins of feminism and pragmatism has been fruitful in building a foundation for theoretical considerations. The editors of this volume believe the next logical step is the contemporary application to both theory and experience. Contemporary Feminist Pragmatism is the first book to address the modern significance of the nexus of feminism and pragmatism. The issues explored here include the relationship between community and identity, particularly around the impact of gender and race; reframing political practice

regarding feminist pragmatist commitments including education, sustainability movements, and local efforts like community gardens; and the association between ethics and inquiry including explorations of Buddhism, hospitality, and animal-human relationships.

Standard Catalog for High School Libraries ,1928 The 1st ed. accompanied by a list of Library of Congress card numbers for books (except fiction, pamphlets, etc.) which are included in the 1st ed. and its supplement, 1926/29.
