The Brief Bedford Reader X. J. Kennedy, Dorothy M. Kennedy, Jane E. Aaron, Ellen Kuhl Repetto, 2022-11-16 The concise version of Bedford's enduring classic introduces writers worth reading as a way of teaching writer skills that will serve you well throughout college and after.

The Bedford Reader X. J. Kennedy, Dorothy M. Kennedy, Jane E. Aaron, Ellen Kuhl Repetto, 2016-03-15 Long one of the most popular composition readers on the market, The Bedford Reader provides compelling readings by excellent writers. It takes a practical and flexible approach to the rhetorical methods, focusing on their uses in varied writing situations. The popular Writers on Writing feature illustrates the many ways writers create meaning from what they read and experience, and the Kennedys' instruction helps students connect critical reading to academic writing. The twelfth edition provides even more helpful guidance for students on critical reading and writing, a new appendix with advice on APA documentation, and an updated selection of compelling readings. The print text is now integrated with e-Pages for The Bedford Reader, designed to take advantage of what the Web can do, with provocative new essays and multimodal selections.

Beyond Outlining Betty Cain, 1992 This book is a unique, long-needed comprehensive study of whole-discourse form going beyond traditional prescriptions. Ancient and contemporary innovations are combined with a new theory and practical application. The author rescues the organization of persuasive/explanatory prose from long neglect and unimaginative traditional formulas. She demonstrates a new theory of form fluency in analyses of student texts and applies it in new 'form heuristics' that go beyond outlining. The main audience for this book will be professors and graduate students in the growing discipline of rhetoric/composition, or any teacher or writer interested in new ideas about organizing discourse.
