The Continuum Encyclopedia of Animal Symbolism in Art Hope B. Werness, 2004-01-01 Animals and their symbolism in diverse world cultures and different eras of human history are chronicled in this lovely volume.

Symbolism in Korean Ink Brush Painting Francis Mullany, 2022-09-12 With more than 200 colour plates, and for the first time available as a study in English, this volume explores the vast heritage of Korean ink brush painting, providing a rich panorama of information that stretches across the entire spectrum of Korean art – including painting, pottery, calligraphy and literature, which will have wide appeal, not least to art lovers and students of Korean Studies. Part I presents the material in essay form; Part II, which uses a dictionary format, summarizes the information in Part I and highlights the hidden messages and symbolism inherent in literati ink brush painting in Korea. When China and Japan opened up to outside influence in the nineteenth century, Korea maintained a closed-door policy, becoming known as the ‘hermit kingdom’, only to be swallowed up in the struggle for hegemony between the Great Powers. Annexation by Japan in 1910 threatened Korea’s language and culture with extinction. Liberation in 1945 was followed by the tragedy of the Korean War in 1950. In the period of reconstruction after the Korean War, artists and scholars faced the task of retrieving Korea’s endangered cultural tradition. Ink brush painting is a unique part of this tradition; its history stretches back through the Choson dynasty when Chinese influences were assimilated and absorbed and made into Korea’s distinctive tradition.

Adult Bible Studies Spring 2018 Teacher Clara K. Welch, 2018-01-16 Spring theme: Acknowledging God Genesis | Exodus | Leviticus | 2 Chronicles | Psalms | Luke | John | 2 Corinthians | Hebrews | Revelation This spring, our lessons focus on ways God's people have acknowledged the greatness of their God. The quarter begins with guidance for following God. Then, with Easter, the quarter turns to ways Jesus provided a channel for giving God glory and honor. The quarter concludes with a look at times when the Hebrew people sang praises to God. The student book writer is Michelle Morris. The writer for the teacher book is Clara Welch. Follow in My Ways The four lessons in this unit, drawn from Genesis and Second Chronicles, show how Abraham and Solomon acknowledged God by following God's guidance. All Glory and Honor This unit has five lessons. The lessons from Luke and John deal with how Jesus' resurrection opened the way to honor God. The visions in Revelation praise God with majestic symbolism. Give Praise to God The four lessons in this unit, from Exodus, Leviticus, and 2 Corinthians, emphasize the people's response by bringing offerings and dedicating their lives to God's work. The unit concludes with one

session drawn from Psalms and Hebrews that rejoices in God's reconciling action on behalf of the people. Developed for use with the student book based on the Uniform Series, this leader resource provides a wealth of information, planning ideas, and lesson guides for each of the 13 lessons in the quarter. This resource includes detailed study of the biblical text, suggestions for developing lessons, teaching options, maps, and charts. It features articles that explore biblical themes related to the passages studied in the lessons. Available in regular print, as a downloadable file or an eBook. Free Extras! All found at www.adultbiblestudies.com Current Events Supplement The free Current Events Supplement offers a way to connect each week's lesson to a timely event or topic in the news. The supplements can enhance all resources using the Uniform Series. Register for the Forums at www.adultbiblestudies.com, and you can post and read comments about the lessons from other readers.

The Arab Spring and Arab Thaw John Davis, 2016-04-01 What were the unifying principles or strategies that governed the protest movements that swept the Middle East and North Africa in the spring of 2011? Who were the protestors and how did the different authoritarian regimes respond to them? How did regional and international institutions react to a region in turmoil? The Arab Spring and Arab Thaw; Unfinished Revolutions and the Quest for Democracy addresses these questions by examining a range of successful and unsuccessful protest strategies and counter revolutionary tactics employed by protestors and autocratic regimes. Contributors explore the reactions of the USA, EU and Arab League to events in the region and provide insight as to the gendered dimensions of the struggle along with the ethnic and tribal divisions that continue to impact the post-revolt period. By addressing these critical queries the book demonstrates how the Arab Spring has evolved into a protracted Arab Thaw that continues to profoundly affect regional and international politics.
