

What Grade Is Jackie In My Life With The Walters

Terry C. Jones

My Life with the Walter Boys Ali Novak, 2014-03-01 A New York Times Bestseller Now a Netflix series! When a tragic accident leads Jackie to move into a house filled with eleven boys, she gets far more than she ever expected. This sweet YA romance is perfect for fans of Kasie West and Jenny Han—and is one of the most beloved Wattpad books ever! Moving in with eleven boys was not part of the plan. Jackie's goal is perfection—perfect grades, the perfect look, getting into the perfect school. If she can achieve that, then maybe her too-busy mom and dad will take notice. But when her parents die in a tragic accident, Jackie is shipped off across the country to live with the Walters, her new guardians...who just happen to have eleven sons (plus a daughter who is basically one of the boys). The Walter boys are loud, dirty, annoying—and, okay, some of the older boys might be Greek god level hot, but they don't think a city girl belongs on their horse ranch. How is Jackie supposed to fit into their chaotic world when she needs to keep her parents' memory alive by living up to the promise of perfect? But as Jackie spends more time with the Walter boys, she begins to wonder if the perfection she's always strived for isn't the only way to find love after all. Funny and moving, *My Life with the Walter Boys* is perfect for readers looking for: Wattpad love stories contemporary romance for teens binge-worthy YA novels relatable characters

Audition Barbara Walters, 2009-05-05 #1 NATIONAL BESTSELLER • An inspiring and riveting memoir from the most important woman in the history of television journalism. “A delightful tale of the golden age of television.... Juicy behind-the-scenes details of the celebrities she’s interviewed, mixed in with stories of her own trials and tribulations.” —The Washington Post After more than fifty years of interviewing heads of state, world leaders, movie stars, criminals, murderers, inspirational figures, and celebrities of all kinds, Barbara Walters turns her gift for examination onto her own extraordinary life. Walters was the product of a turbulent childhood that featured a glamorous father who made and lost several fortunes as well as the companionship of a mentally challenged sister. Feelings of responsibility for her family played a large part in the choices she made as she grew up: the friendships she developed, the relationships she had, the marriages she tried to make work. Ultimately, thanks to her drive and a decent amount of luck, Walters made it to the top of a male-dominated industry. She was the first woman cohost of the Today show, the first female network news coanchor, the host and producer of countless top-rated Specials, the star of 20/20, and the creator and cohost of The View. She has not only interviewed the world’s most fascinating figures, she has become a part of their world. These are just a few of the names that play a key role in her life,

career, and book: Yasir Arafat, Warren Beatty, Menachem Begin, George H. W. Bush, George W. Bush, Jimmy Carter, Fidel Castro, Hugo Chávez, Bill and Hillary Clinton, Roy Cohn, the Dalai Lama, Princess Diana, Katharine Hepburn, King Hussein, Angelina Jolie, Henry Kissinger, Monica Lewinsky, Richard Nixon, Rosie O'Donnell, Christopher Reeve, Anwar Sadat, John Wayne . . . the list goes on. Barbara Walters has spent a lifetime auditioning: for her bosses at the TV networks, for millions of viewers, for the most famous people in the world, and even for her own daughter, with whom she has had a difficult but ultimately quite wonderful and moving relationship. This book, in some ways, is her final audition, as she fully opens up both her private and public lives. In doing so, she has given us a story that is heartbreaking and honest, surprising and fun, sometimes startling, and always fascinating.
