Skin Liam Brown, 2024-07-23 SHORTLISTED FOR THE GUARDIAN'S NOT THE BOOKER PRIZE 2019 A strange virus is sweeping the globe. Humans have become allergic to one another. Simply standing next to somebody could be a death sentence. A kiss could be fatal. Angela is a woman trying to get by in this bewildering new world. Though she still lives with her husband and children, they lead separate lives. Confined to their rooms, they communicate via their computers and phones. In some ways, very little has changed. That is, until she spots a mysterious stranger walking through town without even a face mask for protection. A man, it seems, immune to this disease. A man unlike anyone else she knows. A man it might just be safe to touch... 'If Brave New World and 1984 were combined and whisked into this century, they couldn't be more impressive than Liam Brown's superb story' Celia Anderson 'Gripping and thought provoking... I loved every moment of it' Hannah Persaud 'A lyrical dystopian fever dream' Margot Douaihy Liam Brown is the author of four novels, *Real Monsters* (2015), *Wild Life* (2016), *Broadcast* (2017), and *Skin* (2019). His work has been published internationally, translated into several languages and optioned by a major Hollywood studio. He lives in Birmingham, England, with his wife and two children.

Metropolis Eduardo Capistrano, 2024-08-06 Behind the façades of the buildings and their inhabitants, at the intersections of destinies and dooms, the METROPOLIS shelters multitudes of dreamers and sufferers, and their stories. The tales in Eduardo Capistrano's eighth book are visions of modern times, windows into curious and bizarre cases hidden by the hustle and bustle of cities.

AWS Cloud Computing Concepts and Tech Analogies Ashish Prajapati, Juan Carlos Ruiz, Marco Tamassia, 2023-04-28 Overcome common issues and find answers to cloud-related questions through real enterprise scenarios, characters, and dialogue Purchase of the print or Kindle book includes a free PDF eBook Key Features Learn cloud concepts from AWS certified trainers using common analogies from real life Get to grips with the most commonly used services in the AWS cloud Understand how your knowledge from classical on premises IT can be applied to the Cloud Book Description This book makes understanding cloud computing easy by providing relatable examples that simplify the complex technology. By drawing parallels between cloud concepts and everyday scenarios, we will demystify cloud tech, and once you start to understand it, learning cloud computing will be more enjoyable. This book will help you learn about cloud computing in

general and AWS specifically, as you follow the journey of TrendyCorp—a fictitious company gearing up to move from traditional IT to cloud computing. You'll shape your understanding of the cloud through scenarios of interactions between TrendyCorp's new hires, seasoned IT professionals, external consultants, and the board of directors engaged in modernizing their applications. These characters' discussions and actions are focused on learning about cloud services by drawing comparisons between the technology and examples taken from real life. Through this book, you'll realize that cloud computing concepts have more in common with your day-to-day scenarios and situations than you've ever imagined. This book offers a conversational and entertaining narrative that anyone working in IT and looking to understand how the cloud works will be able to follow. By the end of it, you'll have developed a clear and simplified perspective of cloud technologies. What you will learn

- Implement virtual servers in the cloud
- Identify the best cloud storage options for a specific solution
- Explore best practices for networking and databases in the cloud
- Enforce security with authentication and authorization in the cloud
- Effectively monitor applications in the cloud
- Leverage scalability and automation in the cloud
- Get the hang of decoupled and serverless architecture
- Grasp the fundamentals of containers and Blockchain in the cloud

Who this book is for
This book is for anyone who wants to learn AWS cloud computing. It explains all the foundational concepts and mechanisms in detail. So basic knowledge of IT systems or terminologies (like server, storage, IP address, and web applications) is all that you need to get started with this book.

The Late Truck Driver David Longanecker, 2021-02-03 The Late Truck Driver isn't about a deceased truck driver or someone who arrives late to pick up or deliver a load. It's about becoming a truck driver later in life. David Longanecker always dreamed of driving a big rig, but his life took a different path, leading him to enjoy a career as a higher education administrator and in policy analysis. When he retired, however, he chased his dream. In this book, he shares how he made the leap, what it was like prepping for and taking the test to earn his commercial driver's license, and how he earned real-world experience on the road. He also pays tribute to the beauty of big rigs and the pure joy that comes along with looking at them and driving them. There really is nothing like admiring the beauty of a landscape while sitting in the elevated cab of a big rig tractor. Whether you've wondered what it is like to drive a big rig, want to make a career change, or simply crave to know more about truck driving culture, you'll get an accurate picture of what the life is all about with this book.

You Have Arrived At Your Destination Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular

platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading You Have Arrived At Your Destination free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading You Have Arrived At Your Destination free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and

genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading You Have Arrived At Your Destination free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading You Have Arrived At Your Destination. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading You Have Arrived At Your Destination any PDF files. With these platforms, the world of PDF downloads is just a click away.
