Booth Tarkington: Novels & Stories (LOA #319) Booth Tarkington, 2019-06-04 Thomas Mallon and Library of America invite readers to rediscover the Pulitzer Prize-winning novels of a classic American writer on the 150th anniversary of his birth. Much in need of rediscovery today, Booth Tarkington was among the most beloved and widely read writers of his era. In such classic novels as *The Magnificent Ambersons* and *Alice Adams*, both winners of the Pulitzer Prize, Tarkington displayed a mastery of realism and an astute, strikingly modern feel for psychology, capturing crucial transformations in our national life as they were manifested in changing social customs and in the very landscape itself, altered irrevocably by industrialization and environmental degradation. Out of Tarkington's prolific writings, novelist and critic Thomas Mallon has selected three works that show Tarkington at his best. *The Magnificent Ambersons*, inspiration for Orson Welles's classic film, is a tour de force study in egoism, depicting the fall from grace of George Amberson, wayward scion of the once-unassailable Amberson family. The titular protagonist of *Alice Adams*, portrayed unforgettably by Katharine Hepburn in what many consider her finest performance, is one of the great heroines of American literature: like Henry James's Isabel Archer and the young women of Edith Wharton's novels, she is a spirited, complicated young woman confronting the limits of her time and place with her own headlong desires. These novels are joined here by the story collection *In the Arena: Tales from Political Life*, first published in 1905 and then in an expanded edition in 1920. These stories--which exerted influence on

Theodore Roosevelt, inspiring perhaps his most famous speech--draw from Tarkington's political career as a state legislator in Indiana, which lasted briefly but had a profound impact on him. Published to commemorate the 150th anniversary of Tarkington's birth, *Novels and Stories* contains the most enduring works of a Hoosier luminary and an estimable chronicler of the American Midwest.

The Works of Booth Tarkington, Vol. XIV Booth Tarkington, Ramsey Milholland, 2017-10-03 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

America Moved Booth Tarkington, 2015-02-27 *America Moved: Booth Tarkington's Memoirs of Time and Place, 1869-1928* brings together for the first time all of the autobiographical writings of Booth Tarkington, one of the most successful and best-loved writers in American history. These are the memoirs of one of America's greatest literary figures--and one of the keenest interpreters of American manners and mores. During his lifetime, Tarkington was immensely popular. From 1902 to 1932, nine of his books were top ten bestsellers, *The Magnificent Ambersons* and *Alice Adams* won Pulitzer Prizes, and Tarkington's *Penrod* stories became widely recognized as young-adult classics. *America Moved* demonstrates that Tarkington's writing and powers of social observation stand the test of time. Written in a genial, easygoing style, *America Moved* gently but consistently interrogates the values of the new commercial-industrial age, especially its obsessions with speed, growth, and efficiency. The humane skepticism Tarkington directs in these pages toward the automobile, sprawl, and the cult of Progress identifies him as a voice quite at home in the twenty-first century. *America Moved* will delight readers with an enjoyable eyewitness account of the vast social and cultural changes that transformed America between the Civil War and the Great Depression.
