Narratives, Nerdfighters, and New Media Jennifer Burek Pierce,2020-11-15 For decades, we've been warned that video killed the radio star, and, more recently, that social media has replaced reading. Nerdfighteria, a first-of-its-kind online literary community with nearly three million members, challenges these assumptions. It is the brainchild of brothers Hank and John Green, who provide literary themed programming on their website and YouTube channel, including video clips from John, a best-selling author most famous for his young adult book, *The Fault in Our Stars*. These clips not only give fans personal insights into his works and the writing process writ large, they also provide unique access to the author, inspiring fans to create their own fan art and make connections with one another. In the twenty-first century, reading and watching videos are related activities that allow people to engage with authors and other readers. Whether they turn to *The Fault in Our Stars* or titles by lesser-known authors, Nerdfighters are readers. Incorporating thousands of testimonials about what they read and why, Jennifer Burek Pierce not only sheds light on this particular online community, she also reveals what it tells us about the changing nature of reading in the digital age. In Nerdfighteria, we find a community who shows us that being online doesn't mean disinterest in books.

East of Eden John Steinbeck,2003-06-24 A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* the first book, and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the

book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

The Wholeness of a Broken Heart Katie Singer, 2000 An evocative debut novel chronicles the lives and fortunes of four generations of Jewish women, as their stories span two continents, from Eastern Europe to modern-day Cleveland, and one young woman, Hannah Felber, struggles to resolve her troubled relationship with her mother. Journal of a Novel John Steinbeck, 1990-12-01 Each working day from January 29 to November 1, 1951, John Steinbeck warmed up to the work of writing *East of Eden* with a letter to the late Pascal Covici, his friend and editor at The Viking Press. It was his way, he said, of getting my mental arm in shape to pitch a good game. Steinbeck's letters were written on the left-hand pages of a notebook in which the facing pages would be filled with the text of *East of Eden*. They touched on many subjects—story arguments, trial flights of workmanship, concern for his sons. Part autobiography, part writer's workshop, these letters offer an illuminating perspective on Steinbeck's creative process, and a fascinating glimpse of Steinbeck, the private man.
