**The Sunken Chase** Cap Daniels, 2022-07

**The Devil's Chase** Cap Daniels, 2019-09-11 When American covert operative Chase Fulton embarks on the most dangerous mission of his life to rescue a team of wounded, abandoned commandos in the mountains of Afghanistan, a new enemy shows his face. This time, the enemy is closer and more sinister than ever before. Just when Chase believes he's most alone, surprising allies and long-forgotten family ties arise and change everything he believes about his world. When his past and present collide to change his future forever, Chase is forced to make decisions about unexpected partnerships that have the power to change the geopolitical landscape of the planet for decades to come. From the battlefields of America's War on Terror to the treacherous and slippery political slopes of our nation's capital, Chase must learn to play old games by new rules in this white-knuckle, non-stop adventure.

**The Distant Chase** Cap Daniels, 2021-03-24 Following the death of his beloved mentor, Dr. Robert Rocket Richter, American covert operative, Chase Fulton, inherits far more than a life insurance policy. In Richter's belongings, Chase discovers journals that take him back to the final days of World War II and into the skies over Europe, where he learns that his own battles with the demons of his past aren't so different from those of the man he'd admired and loved. The undeniable truths revealed in Richter's final hours send the young American operative on a harrowing, self-imposed mission into the frozen wilds of Northern Europe, and as far as the icy doorstep of the Kremlin, to fulfill unspoken promises, and to save the life of the beautiful Russian spy who almost cost him everything. The treacherous journey finally unveils the mystery of Anya's true identity and brings the two face-to-face in a dramatic reunion that could change both of their lives forever. In the most shocking and unpredictable ending in the Chase Fulton Series so far, Chase's decisions for his future violently collide with his deeds from the past, and leave everything in question.

**The Smuggler's Chase** Cap Daniels, 2022-01-05

The Opening Chase Cap Daniels, 2021-03-10 When collegiate baseball phenom Chase Fulton suffers a freak injury on the field that shatters his dreams of becoming a Major League catcher, his future looks bleak until he's recruited into quasi-governmental covert operations, where his training as an assassin and covert intelligence operative launches him into a world fraught with danger, intrigue, and unexpected passion. As Chase navigates the Caribbean, he's pursued by a beautiful

Russian SVR officer who is trained and prepared to find, interrogate, and kill him if necessary. He learns exactly how deadly the realm of international espionage can be when duty and love collide.

**The Blind Chase** Cap Daniels, 2021-09-18 In the aftermath of a mission on American soil that left covert operative Chase Fulton and his elite team of tier-one operators battle weary, severely injured, and questioning why and how another American team could've become so corrupted, they each find themselves examining what makes them not only willing, but yearning to lick their wounds, pick up their weapons, and return to the battlefield. Believing they may never find the answers they so agonizingly longed for, the team is left more cautious than ever, strengthening the unspoken bond that weaves them so tightly together, until they're barely able to imagine themselves without the remaining members of their team. An outsider burning with the lust to right the horrific wrongs of men he once trusted turns to Chase's team in desperation, but un-ringing the bells of the past proves to be not only impossible, but also potentially catastrophic to the team. Amidst the tumultuous waters of closing the wounds cut by men of greed, dishonor, and treason, Chase is handed a mission he and the team could've never imagined possible. The very freedoms on which the country was founded hangs in the balances of justice with the clock ticking and the team waging war against an invisible enemy on a limitless battlefield. Never before has so much rested in the hands of Chase Fulton and his team, and this time, they're flying blind against an enemy, the likes of which none of them have ever faced before. Feel the tension, taste the desperation, and experience the roar of battle like only Cap Daniels can deliver in this heart-pounding thriller, where the impossible becomes the inevitable.

*The Unending Chase* Cap Daniels, 2021-03-24 When the Chinese Ministry of State Security unleashes a bold plan to sink a massive freighter in the Panama Canal as part of an elaborate intelligence gathering operation, American covert operative, Chase Fulton, is called upon to infiltrate the operation and turn the tides against the conspirators. As demanding as the mission appears on the surface, what lies deep beneath the murky waters of the Canal and just beyond the wall of agonizing memories engulfing the city where Chase's family was brutally murdered, are the true demons Chase must overcome. Deadly and mysterious sources offer Chase the answers he's so desperately sought for a decade, but will those answers only lead to deeper, more haunting questions? With his life on the line, his past finally revealed, and shocking deathbed revelations about the true identity of the beautiful Russian spy who haunts his soul, Chase Fulton must prove, once again, that when evil calls, men of honor not only stand to face it, but they rise above it and beat it into submission.

The Bitter Chase Cap Daniels, 2021-07-02 When American covert operative Chase Fulton returns home from his most recent mission battling a company providing weapons of war to the highest bidder regardless of their alliances, he finds himself haunted by a cryptic warning from the deputy director of Mossad, Israel's national intelligence agency. There is someone close to you who is not what you believe them to be. Parallel assignments send Chase and his team into the wilds of the Rocky Mountains on the mission every operator fears he may one day be forced to face. Hunting down a traitor in their

midst leaves Chase exploring the depths of his own self-doubt and questioning the loyalty of everyone he desperately longs to trust. As the team is forced to divide itself between seemingly unrelated missions, one by one, the elite tier-one operators come face-to-face with their own worst nightmares and find themselves entangled inside a web of deceit, betrayal, and grave danger. A murderous religious cult, enemies masquerading as allies, and lingering doubts come together, forcing Chase and his team into the most daring rescue mission of their lives. Will they find more than just an innocent victim held captive behind the walls of treachery, and will their rescue efforts restore the team's faith in themselves and each other? Or will it only reveal mighty chasms that can never be closed? With heart-stopping action, intrigue, and stunning settings like only Cap Daniels can deliver, *The Bitter Chase* will leave readers second-guessing everything they believe about Chase Fulton and everyone around him.

**The Abandoned Chase** Cap Daniels, 2022-12-23 With the scalding sting of betrayal still tearing at his soul, American covert operative Chase Fulton steps through a door he believes he can never reopen and into a world unlike the one he'd known since stepping off the playing field and onto the battlefield. Can the warrior inside embrace the simple, quiet life, or does the siren call of smoke, fire, and victory beckoning on wind and wave prove itself to be an undeniable thirst quenched only on the edge of the sword and the gleaming tip of the spear? Driven by a boundless yearning to unseat the powerful men who nearly delivered him and his team into the jaws of the relentless beast in the name of revenge, Chase plots a course for justice and ultimate vengeance. But will his single-minded determination upon that course prove to be the blinders that hide his true foe? Will Chase Fulton summon the fortitude to survive the relentless assault of the enemy within, or will the powerful retain their throne and add his body to the swelling mound of those who tried and failed? In this, the twentieth installment of the Chase Fulton Novels, witness unprecedented power, evil, and suspense as Cap Daniels spins a web of deception, deceit, and determination unlike anything you've read before.

**The Gambler's Chase** Cap Daniels, 2023-03-20 With his team back in the fight, American covert operative Chase Fulton is forced to dive into his own psyche and revive the devoted warrior deep within. As opposing worlds tug at every corner of his mind, he must once again immerse himself into the realm of the fearless to face an opponent unlike any he's known. Even the relentless drudgery of time's passing can't protect the team from evils born of the Cold War. Old enemies stand in defiance and utter determination to complete the unfinished work of ages past, and only Chase Fulton and his team of tier-one operators stand between them and ultimate freedom. Will the mission drive the team apart or draw the brotherhood even tighter as they face not only the enemy before them, but also the demons of their own creation? Never before has so much hung in the balance for the team, so step into the fire and feel the anticipation of what lies just around the corner as Cap Daniels leads you through a web of intrigue, espionage, and deceit like you've never experienced.

**The Creole Chase** Cap Daniels, 2024-12-21 When the sun sets and darkness consumes the bayous of Southern Louisiana,

a world comes alive that can neither be confined nor adequately described. It's a place of ancient magic, filled with the music and laughter of a people who spend their lives in self-imposed isolation, cut off from the rest of the world and its trappings of modernity. Time passes with the slow progression of the moon across the sky, and ancient spirits whisper their way through Spanish moss and across the mist of waters infested with predators from another era. The alligators and snakes may believe themselves to be the deadliest creatures in their flooded kingdom, but the creatures' violent reign in the wetlands pales when compared to the evil of greed and deception the most dangerous creature on Earth brings to the swamp. Chase Fulton and his team of covert tactical operators have faced darkness and stood toe to toe with unspeakable evil in every corner of the world, but they've never drawn their swords against an enemy whose tentacles were so deeply laced throughout modern civilization as the foe they must defeat in the watery realm that time seems to have forgotten. Join Chase and his unstoppable team of operators as they battle a new enemy unlike any they've faced before. Feel the heart-pounding action and taste the fire the team unleashes to restore and protect the people who want nothing more than to live their lives the way they have for centuries. There's never been a chase like The Creole Chase.

**The Stolen Chase** Cap Daniels, 2025-09

**The Poison Chase** Cap Daniels, 2021-02-22 When the enemies of freedom hide beneath a patriot's flag, it's up to American covert operative Chase Fulton to find a way to infiltrate the criminal organization and dismantle it from within. Living inside a lie built on the foundations of greed, disregard for human life, and murderous intent may prove to be the most challenging assignment of his career. As Chase battles his demons and questions his decisions to drive away a team member, the necessity of unit cohesion drives him to take on a solitary mission in which he'll face enemies so driven by ideology and financial profit that they'll make any deal, bribe any official, and flaunt their wealth in the faces of those who lack the resources to stand against them. From the Wiregrass Region of southern Alabama to the burning deserts of northern Africa and the Middle East, Chase Fulton's determination, endurance, and fortitude are put to the test against foes unlike any he's ever faced in a realm he can scarcely imagine possible. The unthinkable mission promises to test alliances, stretch the bonds of friendship, and leave one of America's finest warriors questioning everything he thought he knew. From the terrifying opening to the ominous conclusion, *The Poison Chase* promises to leave readers on the edge of their seats like never before.

**The Calling Chase** Cap Daniels, 2025-02-10

**Fish On!** Wayne Stinnett, 2023-02-28 Jesse McDermitt is finally ready to retire. But life has other plans. While diving on a remote reef deep in the backcountry of the Florida Keys with his wife, son and two friends, he discovers of all things, a car. Not just any car, but a 1928 Duesenberg Model J, the most powerful and stylish automobile of its time. The car was once owned by a Saudi prince who was attempting to develop Johnston Key in the heart of Turkey Basin before Henry Flagler even finished the rail line to Key West. But that's not all Jesse discovers and what he finds next will make him the target of one of

his own. He's been mentoring a young operative who then decides to go rogue and now it's up to Jesse to find the man and, if need be, eliminate him before he can hurt anyone else.

**Cast Off** Wayne Stinnett, 2022-11-01 After a terrible defeat in Key West, where the subject of Jesse McDermitt's identity fraud investigation gets away, and which almost costs him dearly, Jesse returns home to his island in the Content Keys, determined to keep those he loves safe from harm. He makes plans to fly his family and friends to the Leeward Islands for a very special occasion, unaware of events taking place on one small uninhabited island located a short distance from his destination—events that will suck him right back into the fray, as a past nemesis rears their head. Gold will turn even the most docile into greedy, dangerous people. When the question of rightful ownership is brought up, legal professionals and government officials on the island, as well as those from France argue over a treasure estimated to be worth \$20,000,000. But what is the price of one human life? The simple life isn't what it's cracked up to be, and danger abounds in the picturesque city of Gustavia, on the French island of St. Barts, and speeding Mini Mokes on steep mountain roads isn't the cause.

The Burning Chase Cap Daniels, 2021-03-24 With what he believes to be the most personal mission of his career behind him, American covert operative Chase Fulton answers a telephone call that will change his life forever. Bonaventure, the antebellum mansion that had been in his mother's family for over two hundred years, is on fire. Could a priceless heirloom rescued from the fire become the foundation on which the rest of Chase's life is built? The arson investigation points the team in a terrifying and heart-wrenching direction when clues discovered in the carnage leave little doubt as to the arsonist's identity. With trust betrayed and old wounds ripped open, Chase and his team must face impossible odds to wade through the lies and uncover the truth of what really happened at Bonaventure Plantation. As always, things are never as they seem in Chase's world of deception and duty. While battling not only to recover his home, but also to save his own life, he must find a way to answer a whirlwind of questions following the horrific loss of a powerful and trusted ally. From the weathered Outer Banks of North Carolina, to the unforgiving streets of Buenos Aires, the team expands, old enemies reemerge, and alliances are put to the test in this, the twelfth installment of the Chase Fulton Novels series.

**The Crimson Chase** Cap Daniels, 2024-01-30 When American covert operative Chase Fulton leaves the battlefield to hone and shape the next generation of warriors who would step into his tracks and preserve the very ideals of liberty and freedom from tyranny, he's forced to face the painful memories and life-altering decisions of his past while driving a new breed of fighters to face his own demons headlong without stumbling. Just when Chase believes his days of living with a rifle in his hands have finally come to an end and benevolent fate has allowed him to walk away, necessity calls and will not be denied. A team of American operators deployed to stop an unthinkable act of terror on Western soil has gone missing, leaving no trail and no trace, but Chase and his team must race against the relentless clock and political forces hellbent on burying

the truth of their involvement in a terror plot designed to strike at the very foundations of our nation. Conspiracy, terrorism, tyranny, and contempt for true freedom stand arm in arm against Chase and the team. Will they rise to defeat the diabolical, unyielding forces, or have they finally locked horns with a beast who will not be defeated?

**The Capitol Chase** Cap Daniels, 2025-04-21 When the arduous battle tempo catches up with American covert operative Chase Fulton and his team, a little R and R is exactly what the doctor ordered. But for operators like Team 21, there's no such thing as downtime. Hundreds of innocent cruisers aboard a luxurious ocean liner could never imagine the horrors that lay ahead when a band of pirates seizes control of their floating chariot and the vacation of a lifetime turns into an unimaginable terror at sea. The mastermind behind the piracy must pay the price for his terrorism, but is he one of the untouchable elites? Is he-or anyone-truly above the law when standing face-to-face with the warriors who've devoted their lives to protecting those who cannot protect themselves? Will Chase and his team be forced to step across the line in the sand they've drawn for themselves, or will the powerful forces hiding behind the flag finally back down when faced with certain destruction? Don't hold your breath . . . or perhaps you should . . . as you take to the sea with Chase and his band of fearless warfighters on an adventure that promises edge-of-your-seat excitement, heart-pounding drama, unimaginable feats of heroism, and twists no one could've seen coming.
