New worlds bring a fresh sense of wonder! In the future, a young woman fights for her people and herself; a bastard son finds acceptance in a world ruled by women; and a farmer's wits win the heart of a frosty king. Discover unexpected twists on old favorites, and fall in love with new tales and worlds to explore!

Once upon a time, there were seven brothers... *Mountains Made of Glass* All Gesela's life, her home village of Elk has been cursed. And it isn't a single curse—it is one after another, each to be broken by a villager. When it is Gesela's turn to save her town, she kills a toad who turns out to be an Elven prince. As punishment, the prince's brothers banish Gesela to live with their seventh brother, the one they call the beast. But rather than hold her captive, the beast offers Gesela a deal. If she can guess his true name in seven days, she can go free. Gesela agrees, but there is a hidden catch—she must speak his name with love in order to free him, too. *Apples Dipped in Gold* Orphaned at a young age, Samara has been left under the care of her horrible brothers for many years. When a handsome prince offers for her hand in marriage, she hopes her new kingdom will be her salvation, but on her way, her carriage is ambushed by Lore, the wicked Prince of Nightshade. Samara believes that Lore is punishing her for her crimes against his kind, but the truth is that the Elven Prince has pined after Samara for seven long years. His power over poisons rivals none, but Samara is a new kind of toxin in his blood. Can the Prince of Nightshade find a remedy, or will he succumb to her love?

Full of spellbinding romantasy, high heat, broody princes, and familiar fairy-tale stories, these novellas are perfect for fans of Sarah J. Maas, Katee Robert, and Laura Thalassa.

Before long, she finds herself drawn to Kurt, an affection that brings her closer to the darkness and the light than she's ever been before. Unfortunately, the wolf's bite only grows stronger with time, and eventually, Liesel finds herself ensnared, albeit unwillingly, by the boy she loved. Faced with the knowledge that her decision will affect an entire village, she must decide whether to accept her fate for the sake of those she loves, or fight for the freedom to choose her own way. *Children's Picture Books and Contemporary Egyptian Society* Yasmine Motawy, 2025-02-25 A social and political history of two decades of Egyptian neoliberalism through children's picture books published in Egypt in the post-2000 era Children's picture books are some of the most transparently ideological materials available to parents and educators, and as cultural objects they are an expression of the zeitgeist of a particular era. They reveal much about the hopes, values, and aspirations of the society that produces them, as well as that society's vision of its place in the wider world at large. *Children's Picture Books and Contemporary Egyptian Society* examines a new wave of Egyptian picture books that was published in the current century to see how these books responded to larger societal trends and transformations in Egypt, as well as to explore the ideologies that lie behind them. Yasmine Motawy argues that a host of factors, including the growth of gated communities and international schooling, the proliferation of lucrative literary awards, returning Gulf migrants, television dramas, and nationwide reading advocacy initiatives helped give rise to a new kind of children's picture book in Egypt. Motawy focuses on three clusters of selected picture books to investigate the extent to which these books reproduce hegemonic discourses or, alternatively, open up new horizons of childhood agency and societal transformation. The first cluster includes books that directly socialize the child by showing them 'how things are done,' in both the domestic sphere and the increasing globalized

spaces that children frequent with their families. The second cluster aims at reframing cultural notions around femininity through the retelling of folk and fairy tales, while the third cluster addresses children's abilities to assess the impact of their actions on their environment, and invites them to examine their personal suitability to positions of power and stewardship.

**Beautiful Beautiful** Heidi Garrett, 2013-11-14 Kerrin Mayham's eye for beauty has shaped her life. Now a mother, she wants to teach her daughter that beauty can be both nourishing and treacherous. However, Mirabella is far too young to hear the truth of her mother's hard-won knowledge, so Kerrin wraps a fantastical bedtime story of magic shoes, enchanted oak trees, witches, and sad kings around actual events. As mother tells the story and daughter interjects, Kerrin returns to her past when she was at the pinnacle of her career as an independent film director. Seduced by a beautiful young predator, she takes a risk that puts her life in danger and shakes the core of her identity. Finally forced to ask the hard questions about the demons that drive her, Kerrin doesn't flinch. Her honest answers deepen her experience of life--and her eye for beauty.
