

Free Of Animal Farm

George Orwell

Animal Farm (with Bonus novel '1984' Free) George Orwell, 2012-11-30 Enter Manor Farm, owned by Mr Jones, a lazy farmer who ignores the plight of the animals who toil under his yoke. However, things change dramatically after Major, the prizewinning boar, has a dream, in which all the animals are free. His rousing speeches incite the animals to revolt against oppression. Egged on by the promise of freedom, the animals unite and drive the Joneses out of the farm. Under the tutelage of the pigs, all the farm animals build a world where they are free and equal. Until some become more equal than others. Does the dream of freedom become a nightmare of slavery? George Orwell's classic, first published in 1945, continues to mirror what unfolds in the theatres of power in society. His criticism of the communist ideal of an equal world takes you through the shining triumphs and terrible failures of the world we live in. PLUS! Free My Spritz : A Lyrical Poetry Collection | Exploring Life's Melodies of Love, Loss, and Realism Nageswaran (Nages),

About the Book: This is a book of lyrical poetry written over many years that experiments with different genres of poetical presentations on life, love and relatable personal experiences. The range is not limited to personal emotions but expands into seeking realism. If Life and Love is made up of events and emotions, it's made complicated with realism that makes these events and emotions ambiguous and relative. Uncertainty and change is explored in many different ways that attempts to bring a sense of humour, hope and warmth to the discerning reader. A broad sample of feelings and sentiments are at display that reflects the author's view of our enigmatic life we have been dragged into against our wishes. The events, emotions and experience have been hemmed into poetical words that, hopefully, the reader shares a similar perspective and interprets it earnestly. About the Author: P. N. Nageswaran (Nages) read Natural Sciences, the Classics and Business Administration. He has expertise in government, consumer, and technology sectors, but his primary interests lie in philosophy, science, and poetry. He is an iconoclast and humanist who believes that human reason is vital in building a reasonable and compassionate

society. Nages currently lives in Sydney, Australia.

Animal Farm George Orwell, 2021 Having got rid of their human masters, the animals of Manor Farm look forward to a life of freedom and plenty. But gradually a cunning, ruthless elite emerges and the other animals discover that they are not as equal as they thought.

Animal Farm Revisited Irwin Friedman, 2008-12-01 As a tribute to George Orwell, this little story looks at how different things could have been if only the animals had believed in the seven noble ideals Fighting the just war Democracy, equality & fraternity Progress and enlightenment Justice always triumphs Nothing but the truth Viva free enterprise Never lose faith
