Fleabag: The Scriptures Phoebe Waller-Bridge, 2019-11-26 Go deeper into the groundbreaking, Golden Globe and Emmy-winning series with this must-have collection—"a completist's dream of a book, including the show's full scripts and Waller-Bridge's commentary" (Vogue). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY EVENING STANDARD "Her coat falls open. She only has her bra on underneath. She pulls out the little sculpture of the woman with no arms. It sits on her lap. Two women. One real. One not. Both with their innate femininity out." Phoebe Waller-Bridge's critically acclaimed, utterly unique series Fleabag took the world by storm with its piercing dialogue, ruthlessly dry wit, and deeply human drama. In Fleabag: The Scriptures, Waller-Bridge brings together for the first time the filming scripts of the first and second seasons, complete with the original stage directions as well as exclusive commentary on her creative process and the making of the series. Now recognized as one of today's most essential voices, she delivers powerful insights into her now-iconic protagonist: the hilarious, emotionally damaged, sexually unapologetic woman who can make viewers laugh, cry, and cringe in a single scene. Essential for any fan, Fleabag: The Scriptures is the ultimate companion to a landmark series.

Love and Degradation William J. Simmons, 2024-12-03 In this provocative and intensely personal new book of essays

about love and language, desire and drama, reminiscence, change, and fandom, William J. Simmons takes up Eve Sedgwick's reparative reading as a challenge to empirical and taxonomical approaches to art, music, and film and instead promotes new ways of discussing them that create community and empathy rather than hierarchies. Specifically, Simmons advocates for incorporating memoir, history, theory, poetry, and even "the cringey admissions of a fanboy" into criticism. Love and Degradation argues for queer feminism's value to reading and thinking about works by creators as varied as Lana Del Rey, Charlotte Brontë, Felix Gonzalez-Torres, Phoebe Waller-Bridge, and filmmaker Steve McQueen. It also includes essays on Glenn Ligon, Barbara Kruger, and Kristen Stewart. In essence, the essays in this volume represent a series of the author's "saviors, obsessions, and losses." A compelling read for students and scholars of art history, queer and gender studies, creative writing, and the study of film, television, and pop culture, this book encourages readers to embrace fandom and raises important questions about the state of queer and feminist discourse.

Laughter and Awkwardness in Late Medieval England David Watt, 2023-08-24 'We live,' according to Adam Kotsko, 'in an awkward age.' While this condition may present some challenges, it may also help us to be more attuned to awkwardness in other ages. This book pairs medieval texts with twenty-first century films or television programmes to explore what the resonance between them can tell us about living together in an awkward age. In this nuanced and engaging study, David Watt focuses especially, but not exclusively, on the 15th century, which seems to intervene awkwardly in the literary trajectory between Chaucer and the Renaissance. This book's hypothesis is that the social discomfort depicted and engendered by writers as diverse as Thomas Hoccleve, Margery Kempe, and Sir Thomas Malory is a feature rather than a flaw. *Laughter and Awkwardness in Late Medieval England* explains that these authors have a great deal in common with other fifteenth-century authors, who generated embodied experiences of social discomfort in a range of genres by adopting and adapting literary techniques used by their predecessors and successors in slightly different ways. Like the twenty-first century texts with which they are paired, the late-medieval texts that feature in this book use the relationship between laughter and awkwardness to ask what it means to live with each other and how we can learn to live with ourselves.

Ladies Who Punch Yasmin Alibhai-Brown, 2020-09-01 Throughout history, plucky, indomitable, daring, fearless women and girls have done what they felt they had to and, intentionally or otherwise, upended the social order and common values. This collection remembers ladies who punched their way through life in the past, whilst also recognising today's amazing rebels.

Everyone in This Room Will Someday Be Dead Emily Austin,2021-07-08 'Funny about death, real about anxiety, witty about the things that worry us the most' Emma Gannon, author of *Olive* 'So fundamentally kind that you can feel the warmth coming off each page' Rowan Hisayo Buchanan, author of *Starling Days Meet Gilda*. She cannot stop thinking about death. Desperate for relief from her anxious mind and alienated from her repressive family, she responds to a flyer for free therapy at a local church and finds herself abruptly hired to replace the deceased receptionist Grace. It's not the most obvious job - she's queer and an atheist for starters - and so in between trying to learn mass, hiding her new maybe-girlfriend and conducting an amateur investigation into Grace's death, Gilda must avoid revealing the truth of her mortifying existence. A blend of warmth, deadpan humour, and pitch-perfect observations about the human condition, *Everyone in This Room Will Someday Be Dead* is a crackling exploration of what it takes to stay afloat in a world where your expiration - and the expiration of those you love - is the only certainty.

Jack Thorne Plays Jack Thorne,2014 Acclaimed for his screenplays for TV dramas including *Skins*, *Shameless*, *The Fades*, *This is England '86/'88/'90* and *Glue*, Jack Thorne first emerged as a writer of unflinching, compassionate and often challenging plays for the stage. Described as a 'powerful voice for Britain's youth' (*Independent*), he remains one of the most distinctive talents working in theatre today and was chosen by JK Rowling to write the script for *Harry Potter and the Cursed Child*. This collection, with a revealing introduction by the author, covers a period of intense creativity - beginning with *When You Cure Me* (Bush Theatre, 2005), a painful - and painfully funny - play about being very young and in love, and coping with serious illness at the same time. 'One of the year's finest pieces of new writing' *Evening Standard* In the monologue play *Stacy* (Arcola Theatre, 2007), twenty-something Rob tells the story of a confusing couple of days in which everything in his life seems to have gone wrong. 'A pin-sharp, brilliant piece of work' *Time Out* 2nd May 1997 (Bush Theatre, 2009) distils all the euphoria and despair of New Labour's landslide electoral victory into three stories told with 'quiet profundity and verve' (*Telegraph*), while *Bunny* (Edinburgh Fringe, 2010) is a white-knuckle ride through the streets of contemporary Britain, written for a solo female performer. 'Terrific' *Scotsman* *Red Car, Blue Car* is a heartbreaking short play about guilt, grief and responsibility, written for and performed at the Bush in 2011. Finally, *Mydidae* (Soho Theatre, 2012), a two-hander set entirely in a bathroom, is an electrifyingly intimate account of the darker side of love which hits audiences 'like a punch in

the gut' (Whatsonstage.com) 'An absolutely top-class playwright' JK Rowling
