

Que Son Los Juegos Modificados

José Devís Devís, Carmen Peiró Velert

Nuevas perspectivas curriculares en Educación Física: la salud y los juegos modificados José Devís Devís, Carmen Peiró Velert, 1992-09 Este libro presenta dos nuevas perspectivas curriculares que, integradas en el marco de la Reforma educativa, pueden influir decisivamente en el futuro desarrollo de la educación física: una perspectiva de salud en la educación física y una alternativa a la enseñanza de los juegos deportivos. Asimismo, pretende cubrir el vacío bibliográfico que sobre estos temas existe para profundizar y abrir nuevas direcciones en la investigación del currículum de la educación física. En él colaboran diversos autores y autoras que con sus aportaciones, escritas específicamente para esta obra, tratan de aportar la fundamentación teórica, las orientaciones prácticas y las ejemplificaciones pertinentes que permitan comprender las dos perspectivas curriculares y favorecer su desarrollo práctico. El texto no pretende centrar solamente las excelencias de estas perspectivas, sino también los problemas y críticas que han recibido, así como las dificultades que supone la puesta en práctica de alternativas nuevas.

Educación Física. Volumen Iii. Profesores de Educación Secundaria. Temario Para la Preparación de Oposiciones. E-book, 2002-05-09

Iniciación al Voleibol desde el juego modificado Pablo Ortega Cañavate, 2019-08-06 A lo largo de esta obra se presenta un planteamiento novedoso de iniciación deportiva desarrollando, de manera teórica y práctica, un modelo educativo a través de una metodología «global» para la enseñanza de un deporte colectivo de gran complejidad como es el Voleibol. Para ello, además de un profundo análisis teórico sobre las distintas metodologías, se proponen numerosas actividades de aprendizaje y materiales curriculares. Es, por tanto, un valioso material práctico para todos aquellos profesionales, tanto del ámbito escolar como del deportivo, dedicados a la enseñanza deportiva: profesores de Educación Física, entrenadores y monitores deportivos.
