**Of Mess and Moxie** Jen Hatmaker, 2017-08-08 NEW YORK TIMES BESTSELLER Life is messy for each of us. But Jen Hatmaker reminds us that it's okay to admit that we're all in the same boat. Join New York Times bestselling author and honorary big sister Jen as she shares hilarious tales, shameless honesty, and unconditional hope for the woman who's forgotten her moxie. We will endure discouragement, heartbreak, failure, and suffering. All of us. And more than once. But we are the very same folks who can experience triumph, perseverance, joy, and rebirth. More than once. And in more than one category. And in more than one season. And that? That's moxie. Moxie reaches for laughter, for courage, for the deep and important truth that women are capable of weathering the storm. We are not victims, we are not weak, we are not a sad, defeated group of sob sisters. Yes, life is hard, but we are incredibly resilient. Of Mess and Moxie shines a light on Jen's own triumphs and tragedies into a sigh of relief for all normal, fierce women everywhere. Whether it's the time she drove to the wrong city for a fourth-grade field trip or the way she learned to truly forgive, she offers a reminder to those of us who sometimes hide in the car eating crackers that we do actually have the moxie to get back up and face our messes head-on. After all, this race is not a contest--there's enough abundance to go around. This book will give you the encouragement you need to remember that: Your mess is normal You are not in competition with your peers--your seat at the table is secure You have incredible gifts to offer Come alongside Jen as she teaches us that we can all choose to live undaunted and in the moment, no matter what the moments hold, and we really can lead vibrant, courageous, grace-filled lives.

**Yahweh to Hell** Rich Woods, 2015-03-18 Yahweh to Hell comes at a time in our nation's political discourse when the eight-hundred pound gorilla in the room is Christian Dominionism. Renowned author and satirist Rich Woods returns, and this time he's got the twenty-first century version of the Republican Party in his sights. With an uncommon perspective and singular wit, Woods systematically dissects the runaway bigotry, social regression, misogyny, economic illiteracy and overall lack of rationale in the fundamentalist Christian dominated Tea Party/GOP. At times brutally funny, and/or gut wrenchingly astute, Woods is unique amongst his peers in his ability to combine acumen with unapologetic mockery. Yet while Y2H oscillates back and forth between sobriety and satire, it manages to shine a light in the darkest parts of American politics. Indeed, Rich Woods demonstrates once again that he is equally adept with both a scalpel, and a chainsaw. This book will anger many and drive others to uncontrolled laughter. As long as it makes them rethink what they've been told, the author doesn't care. Bob

Ingle, award-winning journalist, Radio and TV commentator and co-author of The New York Times Best Seller, *The Soprano State: New Jersey's Culture of Corruption* and *Chris Christie: The Inside Story Of His Rise To Power* Rich Woods is down to earth, outspoken, acerbic, and has absolutely no patience for ignorance or stupidity. He has mastered the art of the book-length rant, and gives voice to the frustration so many of us feel with religion in the United States. William Hamby, Columnist, Examiner.com This book should be required reading of all Republican voters in America. Rich pulls the curtain back from a party that many of us used to respect, to show that there is nothing decent left. Brian Sapien, Secular activist, and Founder of the Rational Responders

With an innovative style and approach that is all its own, EPISODES reinvents the traditional memoir; and it will inspire young readers to see the world as they've never seen it before.
