Red, White & Royal Blue Casey McQuiston, 2019-05-14 * Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time! - Christina Lauren, New York Times bestselling author of The Unhoneymooners Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second. - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

London Joseph Fullman, 2004 This chart provides a number of common blues licks. Licks are the ideas in a solo that most listeners find to be catchy to the ear. In some cases the licks may be repeated over and over again in a solo. For ease of reading, each of the licks in this chart are written to be played over a standard 12-bar blues progression in the key of A. Most of these ideas are conceived out of the A minor pentatonic scale or the A blues scale. There are a few exceptions however.

Have fun with these classic licks.
