

Richard I King Of England

G. P. R. James

Richard the Lionheart W. B. Bartlett, 2018-03-15 The amazing life of Richard I, King of England, known to history as 'Richard the Lionheart', after his reputation for bravery exhibited fighting the 'Saracens' whilst crusading in the Holy Land.

History of King Richard the Third of England Jacob Abbott, 2009-01-01 Abraham Lincoln raved that this series of historical biographies gave him just that knowledge of past men and events which I need. I have read them with the greatest interest. To them I am indebted for about all the historical knowledge I have. Considered what we would now call young adult literature, this collection, first published between 1848 and 1871, was designed to present a clear, distinct, connected narrative of the lives of the great figures of world history, those people who have been most influential, at least as American author and educator JACOB ABBOTT (1803-1879) saw it from his 19th-century perspective. Wildly popular and republished many times under different collected names, this replica set mimics the 1904 reprint known as the Makers of History series. It will delight students of history as well as show the scholar how history telling has changed over the last few centuries. More than 30 other volumes in the series are also available from Cosimo Classics. This volume, dating from 1858, covers English king Richard III (1452-1485), from his childhood and ascension to the throne through the downfalls of York and Lancaster, the scandal of the princes in the Tower, and much more.

History of King Richard the Second of England Jacob Abbott, 2009-01-01 Abraham Lincoln raved that this series of historical biographies gave him just that knowledge of past men and events which I need. Have you heard tales of Richard not only as a missing king but as a leader who rode boldly into battle alongside his knights? Inside you will read about... - From Aquitaine to King of England - Beginnings of a Crusade - The Way to Palestine - Sea Battles and Sieges - A Captive King - The Last Five Years And much more! In this book, you'll learn the actual story of King Richard, a king who may not have been exactly good, but was certainly brave, charismatic, and dashing-a historical character with a story to remember.

Richard I Jacob Abbott,2015-03-03 The author of this series has made it his special object to confine himself very strictly, even in the most minute details which he records, to historic truth. The narratives are not tales founded upon history, but history itself, without any embellishment, or any deviations from the strict truth so far as it can now be discovered by an attentive examination of the annals written at the time when the events themselves occurred.

The study places Richard in Europe, the Mediterranean and Palestine and demonstrates that few rulers had more enemies or more influence.
