The Mysterious Case of the Alpertons Janice Hallett, 2024-01-23 A New York Times Notable Book and Best Thriller of 2024 A whip-smart and "fast-paced mystery" (The Daily Telegraph, London) from the internationally bestselling author of *The Twyford Code* and *The Appeal* about a true crime journalist who revives a long-buried case about a cult—and finds herself too close to the story. Everyone knows the story of the Alpertons Angels: the cult who brainwashed a teenage girl into believing her baby was the anti-Christ. The Mysterious Case of the Alpertons Janice Hallett, 2023 Everyone knows the sad story of the Alpertons: the cult who brainwashed a teenage girl and convinced her that her newborn baby was the anti-Christ. Believing they had a divine mission to kill the infant, they were only stopped when the girl came to her senses and called the police. The Angels committed suicide rather than stand trial, while mother and baby disappeared into the care system. Nearly two decades later, true-crime author Amanda Bailey is writing a book on the Angels. The Alpertons baby, now eighteen, can finally be interviewed: if Amanda can find them, it will be the scoop of the year. The Twyford Code Janice Hallett, 2023-01-24 The mysterious connection between a teacher's disappearance and an unsolved code in a children's book is explored in this new novel from the "modern Agatha Christie" (The Sunday Times, London) and author of *The Appeal*. Forty years ago, Steven "Smithy" Smith found a copy of a famous children's book by disgraced author Edith Twyford, its margins full of strange markings and annotations. When he showed it to his remedial English teacher Miss Iles, she believed that it was part of a secret code that ran through all of Twyford's novels. And when she later disappeared on a class field trip, Smithy becomes convinced that she had been right. Now, out of prison after a long stretch, Smithy decides to investigate the mystery that has haunted him for decades. In a series of voice recordings on an old iPhone, Smithy alternates between visiting the people of his childhood and looking back on the events that later landed him in prison. But it soon becomes clear that Edith Twyford wasn't just a writer of forgotten children's stories. The Twyford Code holds a great secret, and Smithy may just have the key. "Filled with numerous clues, acrostics, and red herrings, this thrilling scavenger hunt for the truth is delightfully deceptive and thoroughly immersive" (Publishers Weekly, starred review).

The Killer Question Janice Hallett, 2025-09-23 Janice Hallett, "the new queen of crime" (Electric Literature), returns with a fresh, edge-of-your-seat mystery that takes place at a pub's weekly trivia night, revealed through quiz categories, phone messages, and email correspondence. Sue and Mal Eastwood run an isolated rural pub called *The Case is Altered* where a weekly trivia game has revived its flagging fortunes—that is, until a body is found in the nearby river. Soon after, a mysterious new team arrives and shakes up the diverse field of regulars by scoring top marks in every round...every week. Meanwhile, Sue and Mal have a secret of their own. Before arriving here, they were caught up in a secret police operation which meant they had to leave town—and whatever happened back then seems to have finally caught up with them. Five years later, the pub lies derelict, and their nephew Dominic is determined to make a documentary about their story. What

happened at this unassuming pub? And can a single question really kill?

The Christmas Appeal Janice Hallett, 2023-10-24 This immersive holiday caper from the “modern Agatha Christie” (The Sunday Times, London) follows the hilarious Fairway Players theater group as they put on a Christmas play—and solve a murder that threatens their production. The Christmas season has arrived in Lower Lockwood, and the Fairway Players are busy rehearsing their festive holiday production of Jack and the Beanstalk to raise money for a new church roof. But despite the season, goodwill is distinctly lacking among the amateur theater enthusiasts with petty rivalries, a possibly asbestos-filled beanstalk, and some perennially absent players behind the scenes. Of course, there’s also the matter of the dead body onstage. Who could possibly have had the victim on their naughty list? Join lawyers Femi and Charlotte as they investigate Christmas letters, examine emails, and pore over police transcripts to identify both the victim and killer before the curtain closes on their holiday production—for good.

The Silent Appeal Janice Hallett, 2026-09-03 * THE HUGELY ANTICIPATED SEQUEL TO THE SMASH-HIT BESTSELLER, THE APPEAL * A New Play. Another Murder. Who Will Speak the Truth? It's a new theatrical season in Lower Lockwood, and the amateur thespians of the Fairway Players are starting rehearsals for their production of Agatha Christie's

The Hollow. Despite divisive new arrivals, countless petty jealousies and a near-fatal accident with the lighting rig, surely this will be their greatest show to date? But someone isn't going to make it to opening night. Could it be producer Sarah-Jane's mysterious sister, lately arrived home after twenty years abroad? New member Lucas, whose shady business dealings may be his downfall? Or perhaps once-convicted murderer Issy Beck, recently acquitted but still up to her old tricks? Lawyers Charlotte and Femi must sift through the emails, texts and police reports to identify the victim and find out why the person convicted of the murder refuses to speak out in their own defence... Will they uncover the truth in time? Will you?

And a mysterious new team who suddenly appeared and began winning every round at the weekly pub quiz - much to the anger of the locals. They must have been cheating, but no one could figure out how... Can you crack the case of the missing landlords? The Appeal Janice Hallett, 2022-01-25 Welcome to Lockwood, proud home of The Fairway Players, who, under the creative control of Martin Hayward, the owner of the local country club, are putting on a production of Arthur Miller's *All My Sons*. The star, as always: Martin's wife, Helen, the only person in the troupe with any real acting talent. But this is not a production like any other: just as rehearsals get under way, tragedy strikes: Poppy Reswick, Martin and Helen's beloved granddaughter, is diagnosed with a rare form of cancer. An experimental treatment is available from the US - at a massive cost. The Players and the entire town rally in order to raise the 250,000 pounds needed to give Poppy a chance at survival. Not everybody is convinced that the experimental treatment is all it's cracked up to be, however. First among the doubters is Sam Greenwood, who has only recently moved to Lockwood with her husband, Kel, after spending several years as an NGO worker in Sub-Saharan Africa. Are her suspicions justified? Or does she merely have an axe to grind with the doctor who's looking after Poppy? The tension within the community is palpable, and on the night of the Players' dress rehearsal, things come to a head. The next day, a dead body is found, and soon afterwards, an arrest is made. In the run-up to the trial, two law students find themselves sifting through the evidence in the form of e-mails, texts, and letters, trying to make sense of it all and unmask the real killer--

The Examiner Janice Hallett, 2024-09-10 Gela Nathaniel, head of Royal Hastings University's new Multimedia Art course, must find six students from all walks of life across the United Kingdom for her new master's program before the university cuts her funding. The students are nothing but trouble from day one. There's Jem, a talented sculptor recently graduated from her university program and eager to make her mark as an artist at any cost. Jonathan, who has little experience in art practice aside from running his family's gallery. Patrick runs an art supply store, but can barely operate his phone, much less design software. Ludya is a single mother and graphic designer more interested in a paycheck than homework. Cameron is a marketing executive in search of a hobby or a career change. And Alyson, already a successful artist, seems to be overqualified. Finally, there is the examiner, the man hired to grade students' final works--an art installation for a local cloud-based solutions company that may have an ulterior agenda--and who, in sifting through final essays, texts, and message boards, warns that someone is in danger...or already dead. And nothing about this course has been left up to chance.

The Twyford Code Janice Hallett, 2023-01-24 Forty years ago, Steven Smith found a copy of a famous children's book by disgraced author Edith Twyford, its margins full of strange markings and annotations. Severely dyslexic and wanting to know more, he took it to his remedial English teacher Miss Iles, not realising the chain of events that he was setting in motion. Miss Iles became convinced that the book was the key to solving a puzzle, and that a message in secret code ran through all Twyford's novels. Then Miss Iles disappeared on a class field trip, and Steven has no memory of what happened to her. Now, out of prison after a long stretch, Steven decides to investigate the mystery that has haunted him for decades. Was Miss Iles murdered? Was she deluded? Or was she right about the code? And is it still in use today? Desperate to recover his memories and find out what really happened to Miss Iles, Steven revisits the people and places of his childhood. And as he does so, he records the story of his life in the form of voicemails and voice memos for his estranged and long unknown son, a professor of mathematics. But it soon becomes clear that Edith Twyford wasn't just a writer of forgotten children's stories. The Twyford Code is valuable, and he isn't the only one trying to solve it.--
